$250

CASH PRIZE

for a Trade Mark

THE MORTGAGE GUARANTEE COMPANY will give a prize of $250 in cash for a trade mark that will be emblematic of the perfect safety of its guaranteed First Mortgages.

Contest Rules

1. The proposed trade mark must be in black and white lines—pen or pencil. It need not be a "finished" piece of work. What we are seeking primarily is an original and forceful idea emblematic of safety.

2. The design must be so distinct that it can be reduced to a diameter of not more than one and one-quarter inches. Adaptability to small reproduction is of the utmost importance.

3. All designs must be sent or brought in a sealed envelope, marked "Trade Mark Contest," to the Mortgage Guarantee Company, Title Building, Court House Plaza, Baltimore, Md.

4. Each envelope must contain two smaller sealed envelopes, one enclosing the design, the other the name and address of the sender. The sender's name must not appear on the design or in the envelope containing it Upon request we will supply envelopes properly marked.

5. The number of designs submitted by any contestant is not limited, but each design must be submitted separately in the manner described in Rule 4.

6. No design will be considered unless submitted on or before August 1. No envelope will be opened until after that date. Announcement of the winner will be published in the newspapers not later than September 1.

7. The judges will be Albert G. Towers, president of the Mortgage Guarantee Company and the Title Guarantee and Trust Company, O. O. Ellis and J. M. Daiger.

Here are the outstanding facts upon which the trade mark should be based:

1. Our Guaranteed First Mortgages are made for one half the value of fee simple property. Therefore the investor has at least two dollars of security for every dollar invested.

2. This double security is further strengthened by our unconditional guarantee of both principal and interest.

3. Since the Mortgage Guarantee Company was founded, 17 years ago, no investor protected by its guarantee has ever lost a dollar or known a day's delay in the payment of interest.

To insure ourselves of a wide choice in the selection of a trade mark we are holding a contest that will continue until Wednesday, August 1, 1923, with a cash prize of $250 for the best trade mark submitted on or before that date. The contest is open to everybody, under the accompanying rules.

It is important that all persons desiring to compete for the $250 prize obtain as early as possible a supply of literature describing the Mortgage Guarantee Company and its Guaranteed First Mortgages. Contestants also have the privilege of consulting our Investment Department for information about the Company and its mortgage offerings.
