NOTICE TO HOLDERS OF BURIAL LOTS IN CHESTER CEMETERY.

The Chester Cemetery Company by recent action of its Board is now prepared to enter into a contract with its lot owners to keep their lots in first-class order perpetually. This guarantees the owner that his lot will be taken care of, not only after his death but even after the death of all the family.

There is no sadder sight in a cemetery than to see the lot of a one time prosperous owner in weeds, briars, overgrown bushes, &c., and for reason that the family have either all died, removed or else forgotten their duty to the remains of their ancestor.

Those who secure a contract as above will have no apprehensions of this fate to their lots. For terms apply to.

VACATION DAYS HAVE COME.

INTERESTING EXERCISES MARK THE CLOSING OF THE CHESTERTOWN PUBLIC SCHOOL.

PRETTY DECORATIONS.

Sweet Girl Graduates, and Boy, Too—Thoughtful Essays and Pretty Music.

ROCK HALL PUBLIC SCHOOL.

The schools throughout the county closed for the summer vacation on Wednesday. There was quite an animated scene on the streets of Chestertown on Wednesday morning when the girls and boys came tripping home to show the results of their year's work. Some countenances were wreathed in smiles, others just a little cast down, but altogether there was a general feeling of satisfaction. One little girl seemed to be very much overjoyed because she received 38 in one of her studies.

On Tuesday afternoon an interesting programme of recitations and music was given, but the most important feature of the occasion was the display of the pupils' work for the year. The Manual Training Department, under the direction of Prof. Bruehl, deserves especial mention for the character and varied display of work. Designs in paper folding, card-board construction and wooden work were very creditable. There were also numerous sketches in pen and ink, pencil, charcoal and chalk. Excellent specimens were: Pharoah's horses, by Oswald Saunders, wood carvings, by Misses Grace Brooks, Eunice Lambert, Maude Duyer and Olive Pennell, a french tabourette by Miss Nellie Nicholson, chalk sketches by Misses Grace Brooks, Etta Cooper, Anna Smyth and Marguerite Skipper, pencil sketches by Carl Bordley, Clara Sappington, Ethel Ringgold, Laura Lambert, Ethel Bacchus, Ethel Jacquette and others. In all of the departments of the school interesting work was shown, and the teachers are to be congratulated upon the character and scope of the work. Quite a number of patrons and friends of the school inspected the work and enjoyed the programme.

THE COMMENCEMENT.

A large audience assembled in the Assembly Hall of the school on Wednesday evening to witness the commencement exercises. The stage was beautifully decorated in the class colors, navy blue and gold, and the stars and stripes. An interesting class of six young ladies and one young gentleman presented themselves for graduation. The programme, including the names of the graduates and their subjects, was as follows:

Instrumental Solo ..... "The Fountain," Miss Carrie Wright.
Prayer ..... Rev. W. L. White
Essay ..... "The Best Education" Miss Nellie Nicholson.
Song ..... Awake, O Sleeping Valleys Girls Chorus.
Essay ..... "Look Before You Leap" Miss Daisy Barnes.
Song ..... The Sounds of Summer" Girls Chorus.
Essay ..... "Pride, The Ruin of Happiness" Miss Lizzie Davis.
Duet and Chorus ..... "Beautiful Roses"
Essay ..... "The Battle of Life" Miss Ethel Jacquette.
Violin Solo ..... Mr. Warren Hurlock
Essay ..... "Our Class" Miss Laura Lambert.
Song ..... "God is Good" Girls Chorus.
Essay ..... Woman's Opportunity Miss Ethel Bacchus.
Solo and chorus ..... "Roses" Girls Chorus.
Oration ..... "The Progress of Nations" Mr. Oswald Saunders.
Song ..... "What Joy Illumes the Hours" Girls Chorus.
Address to the Graduates and Presentation of Diplomas ..... Rev. Charles R. Blades
Presentation of Prizes ... J. L. Smith, prin.
Benediction ..... Rev. D. L. Greenfield.

The essays of the graduates reflected much credit not only upon themselves, but also upon their teachers who have instilled into their minds the thoughts that have enabled them to make such productions. The address of Rev. Mr. Blades was timely and very appropriate and was much enjoyed by the large audience. In every respect the commencement of the class of '04 was a success and a great credit to the school.

COMMENCEMENT NOTES.

One of the sweet girl graduates was the recipient of a fine set of harness from her father as a present. Another received a handsome Stieff upright piano from her grandmother, and all received numerous handsome and valuable presents from relatives and friends.

The prize, a gold medal, offered by Mrs. F. M. Miller, to the student receiving the highest average for the year, was awarded to Master Oswald Saunders, who received the splendid average of 97.

The Toulson prize for the best average in the 9th grade, was awarded to Master Saunders.

Little Miss Mary Rouse, the bright little daughter of Mr. George Rouse, received the same average that Master Oswald Saunders received. She was therefore awarded a duplicate medal from the teachers of the faculty.

The prize offered by Mrs. George B. McWhorter to the student receiving the highest average in the 7th grade, was awarded to Miss Carrie Wright, whose average was 96.

The girls chorus was a splendid feature of the commencement. The choruses, solos, and duets, both vocal and instrumental, were splendidly rendered and appropriately selected.

The address of Rev. Mr. Blades was well received by the audience. His subject was "Units of Measurement."

The following prizes have been offered for next year to students receiving the highest average in their grades:

Pres. Wm. Bradford Cooper, prize of gold, to the senior class.

Mr. M. A. Toulson, prize to the 9th grade.

Mrs. George B. McWhorter, prize to the 8th grade.

TRUSTEES PRIZES.

Pres. Thomas S. Bordley, prize to 7th grade.

Mr. D. A. Bacchus, prize to 6th grade.

Mr. Chas. S. Smith, prize to 7th grade.

Other prizes will probably be offered to the lower grades.

Should there be a commencement next year, there is a possibility that the cap and gown may be worn.

This commencement was decidedly the best that the Chestertown Public School has presented for many years. The many new features of the program were very much enjoyed by the large audience.

ROCK HALL COMMENCEMENT.

The commencement exercises of the Rock Hall Public School were held in the K. of P. hall in that town on Monday evening. Rev. W. E. Habbart, of Fairlee, delivered the address to the graduates. Those in the graduating class were: Misses Emma Joiner, Lillian Wilson, Martha Maslin, Ida Hynson and Mr. Charles McCormick. Mr. McCormick delivered the valedictory address and Miss Joiner the Salutatory. Miss Wilson gave an appropriate recitation and Prof. Greenwood, principal of the school, delivered the diplomas.

Fine Pianola Recital.

A fine pianola and song recital was given in Stam's Hall on Thursday evening under the direction of Sanders & Stayman Co's., representatives, Messrs. Boden and Knight, for the benefit of the Ladies Town Improvement Association. Mr. C. Harwood Knight, of Baltimore, was at the Pianola, and in his finished style demonstrated that the Pianola is one of the greatest inventions of the age, and that with those who know not a note of music can produce on the pianola classical and beautiful music as can be produced by the skilled touch of a human hand. Mr. Knight was ably assisted by Miss Isabelle Beck, of Chestertown, whose rich soprano voice, has frequently delighted Chestertown audiences, and by Mr. James Clayton, of Baltimore, whose rich and well modulated baritone voice delighted all those who heard him sing. The entire recital was of a high order, and Messrs. Boden and Knight who have made themselves very popular with the people of Chestertown by their courtesy and correctness of business methods, are to be commended for their desire to assist the ladies of the Town Improvement Association in their efforts to beautify our already pretty town. Messrs. Boden and Knight close their music room to-day. They have demonstrated the standard of the Sanders & Stayman Co., as music dealers, and have made sales of pianos and organs that will establish for the house an enviable reputation.

RESOLUTION ADOPTED BY THE BOARD.

Resolved, That we, the Commissioners for Kent County, Md., after carefully examining the accounts, and owing to many bills that were incurred by the board of 1903, and the error made by board of 1903 in total assessment, we hereby declare the rate to be $1.30 cents on the $100 dollars for the levy of 1904, as per tax schedule for county purposes and the rate as declared by the State as fixed by law to be 22½ cents on the 100 dollars, and further declare that the within resolutions be recorded on the minutes.

WEDDING BELLS.

WASON—EDSON.

A pretty noon wedding was solemnized at Shrewsbury P. E. Church, near Locust Grove, when Miss Susie A. Edson, daughter of Rev. Samuel Edson, and James Paddock Wason, Esq., of Delphi, Indiana, were joined in holy wedlock, by Rev. Mr. Edson, father of the bride assisted by Rev. Albert Ware. Miss Nannie Dixon, of Chestertown, presided at the organ and played Lohengrin's wedding march as the bridel party entered the church which was sung by Mrs. John H. Clendaniel, Miss Lizzie Pennington and Miss Mabel Comegys.

The bride was attended by Miss Chamberlain, of New York, as maid of honor and six little flower girls.

The groom was attended by Mr. Wm. H. Wallis, as best man, and Mr. Philip G. Wilmer and E. B. Pennington, Jr., served as ushers.

After the ceremony a reception was held under the large and spacious oaks which surround the rectory and a delightful lunch was served by the members of the Ladies Aid Society of the parish.

The bridal party left on the afternoon train for an extended trip, after which they will reside at Delphi, Ind.

The church was beautifully decorated by the ladies of the parish for the occasion.

Among those present from a distance were Mrs. Wason, mother of the groom, Mrs. Kendson, of Chicago, sister of the groom, Mrs. Upjons, of New York, and Mrs. John Edson, of Materson, N. J.

LASSELL—MCCAULEY.

The marriage of Miss Julia Love Lassell, daughter of Rev. Dr. and Mrs. James T. Lassell, to Mr. James C. McCauley, son of Mrs. M. L. and the late Lieu't John McCauley and grandson of Judge James McCauley, of Leeds, Cecil Co., Md., took place on Wednesday evening, June 15th at eight o'clock at the home of the bride. Owing to the recent death of a brother of the bride only the members of the families of the contracting parties witnessed the ceremony which was performed by Rev. Dr. Frank T. Little, president of the M. P. Church. The bride was gowned in white chiffon combined with satin ribbon and mechlin lace, and carried white corn flowers and sweet peas. Miss Marietta Chamberlaine Lassell who acted as maid of honor, wore white chiffon, trimmed in valenciennes lace and embroidery. She carried a bouquet of pink sweet peas. The wedding march was rendered by Prof. W. J. Herbert, of Fawn Grove, Pa. The decorations of Kalmia American Laurel, Mock Orange and Ferns were pretty and tasteful.

After partaking of light refreshments the happy couple left for Boston and the East, by way Old Point Comfort and Norfolk, followed by the congratulations of many friends who had assembled at the station to witness their departure.

Mr. and Mrs. McCauley will reside at Leeds, and will be "at home" to their friends after July 15th.

MCDORMAN—DASHIELL.

Miss Bessie Daniel Dashiell, of Dames Quarter, and Mr. Edwin Rigby McDorman, of Baltimore, were married on Wednesday at noon in the Dames Quarter Methodist Episcopal church by Rev. W. W. Sharp. A wedding breakfast was served at the home of the bride, after which Mr. and Mrs. McDorman left on the 2.37 train from Princess Anne for Chicago and a Western trip. They will spend sometime at the Worlds Fair, St Louis, and will be at home at 706 North Broadway, Baltimore, after July 15. Mr. McDorman is a graduate of Washington College.

HUBBARD—AKERS.

In Piney Neck parsonage on Monday evening the 20th inst., by Rev. G. S. Conoway, Mr. Lonzo M. Hubbard to Miss Carrie M. Akers, all of Rock Hall.

BASE HITS.

The Printers Athletic Club journeyed to Centreville on Saturday last and met the strong team of that town in an interesting and well-played game. The Centreville team proved to be too strong for the Printers and defeated them by the score of 14 to 3. It must be said to the credit of the Printers that they play a "spunky" game, and have the nerve to tackle any team that offers a challenge. They play mighty good ball, too. The boys came home delighted with the hospitality of the Centreville team and people, especially Editor Pardee, of the Centreville *Observer*. The Printers will figure in a great game at the Tolchester tournament on July 4th.

The Galena baseball club played its first game of the season last Saturday with the Still Pond team and defeated the Still Pond boys by the score of 18 to 7. The Galena boys have a hard team to defeat.

Why cannot Kent county organize a baseball league for the summer? Each of the following towns can present strong teams, and the games would add interest to the dull summer months. Cecil and Queen Anne's are represented by such organizations, why not Kent? Here is a prospective circuit—Millington, Galena, Kennedyville, Still Pond, Betterton and Chestertown. A six club league in Kent would pay. Chestertown has the material for a fine team during the summer. Boys, work the matter up.

Mr. Emmet F. Hitch, the crack third baseman of the Washington College team, has signed with the Betterton club and will report for duty about July 1st. With the coaching of Prof. Burris and the assistance of Hitch, Betterton will be a dangerous foe to tackle.

The "Uptowners" defeated the Worton Point club last Saturday. Score 6 to 1.
