LOCAL MATTERS.

Noted Lecturer.—Byron W. King, who will lecture at Stam's Hall in behalf of the Teachers' Library fund on Sept. 7, is said to be one of the finest lecturers in this country. The public should patronize this lecture as it is for a worthy cause.

Adjourned for Thirty Days.—The auditing committee for Kent county adjourned on Saturday last for thirty days. The adjournment was made necessary in order to give the members of the committee an opportunity to attend to important personal business.

Jewish New Year.—The Jewish New Year, an occasion celebrated by all of that faith in Kent county, will begin a sunset on Friday, September 9th, continuing 48 hours. Ten days after the New year holiday comes the day of atonement and all business is suspended on this day also.

Parker and Davis Club Meeting.—By order of the President, Wm. M. Culp the Parker and Davis Club of the Fourth Election District will meet at Police Justice Samuel Hicks' office on Court Street, Tuesday evening next, Sept. 6th, at 7.30 o'clock P. M. A full atteadance is requested.

Accidentally Killed.—By the accidental discharge of a pistol in the hands of Nelson Perkins, colored, at Warwick, Cecil county, on Saturday night, Walter Jenkins, also colored, aged 26 years, was shot and instantly killed. The men were examining the weapon when it exploded. Coroner Ricketts Nelson, of Elkton, impaneled a jury which rendered a verdict in accordance with the facts, exonerating Perkins from all blame.

Complimentary.—The Centreville *Observer* in that spirit of fraternity for which it has always been noted, in commenting upon the change of form of the TRANSCRIPT, says: "Our friend across the Chester, the CHESTERTOWN TRANSCRIPT, has imporved its appearance as well as its space by the enlargement to seven columns instead of six as formerly. This gives room for much additional news matter and makes that already bright and newsy paper more attractive than ever before.

A Record for Marriages.—Rev. John A. B. Wilson, formerly a minister of the Wilmington M. E. conference, and at one time located at North East, holds the record for the number of marriage ceremonies performed. The Rev. Dr. Wilson was transferred to the California Conference in 1895, and is at present pastor of Trinity Methodist church, San Francisco. During his nine years of ministerial labors in California he has performed one thousand marriage ceremonies, and on Aug. 25 celebrated at his church the "Millennium of Marriages," a number of the married couples and their children being present on the occasion.

Valuable Watch Lost.—Miss Anna Burchinal lost her watch in Baltimore last Friday. Miss Burchinal had been up town in the shopping district and did not notice the absence of her watch until she had returned to the boat, and felt for her time piece to observe the time. She does not know whether some one stole the watch or wether it was jostled from its accustomed place. The watch is a very valuable time piece having been the property of Miss Burchinal's grandmother, and for this reason especially prised. An advertisement was inserted in the Baltimore papers by Miss Burchinal, and the watch has been recovered.

To Locate in Chestertown.—Mr. Herbert Perkins, a recent graduate of the Philadelphia School of Law, has decided to locate in Chestertown for the practice of his profession. Mr. Perkins recently passed a very creditable examination before the State Board of Examiners at Annapolis, and is qualified in every particular to enter the legal profession. He is a young man of fine attainments and a member of one of the oldest and most prominent families in the county. His father, Dr. J. A. Perkins, was until a few years prior to his death, one of the most prominent physicians in Chestertown. We are sure that Mr. Perkins will receive a cordial welcome from our generous legal fraternity and the public will support the new lawyer who is one of our own home boys.

LITTLE LOCALS.

*†*Farmers are busy breaking fallow and a good rain would facilitate the breaking of ground greatly.

*†*Mr. RolHurlock, of Queen Anne's, near Chester bridge, is the early bird in cutting off corn. He began on Monday morning.

*†*The date of the County W. C. T. U. convention has been fixed for Sept. 22d, at Stam's Hall, Chestertown. Program will be given next week.

*†*The prospect for a large crop of corn throughout the county is so good that some of our farmers are predicting a yield of 60 bushels per acre on good land.

*†*Thursday, as usual, was "big" day at the Tolchester Fair and early in the morning teams from Queen Anne's and Caroline counties were passing through town enroute for the beach.

*†*Clerk James T. Dixon issued 57 tonging licenses on Monday, 16 less than for the same time last year. Oysters are said to be plentiful and of fine flavor.

*†*Mrs. A. Blum has been in Baltimore and the northern cities this week purchasing her fall and winter line of millinery, hats, coats, etc. Her fall opening will show many styles in the art of millinery.

*†*One of the most conspicuous features in the circus parade on Tuesday was a large sign telling the spectators about "Pepsimint", Mr. John Toulson's excellent remedy for indigestion and kindred diseases.

*†*The highest price paid for wheat this season was given on Monday by Messrs. Morris and Brown, the millers, for a part of the crop on "Fancy" farm, near town, belonging to Mr. Josiah Lusby. 2000 bushels were sold for $1.05 per bushel.

*†*Fall openings," will soon be the order of the day with our merchants. Nearly all of them have purchased their fall stock of goods and they are in transit. This has been a prosperous year for farmers. It will likely be so with the merchants.

*†*Capt. C. R. Atkinson has purchased the unfinished Vickers schooner in Lankford Bay and will have her completed and launched on Wednesday next. The vessel will be named Margaret Atkinson in honor of his pretty little 3-years-old daughter.

*†*Welsh Bros. circus attracted a large crowd of people to town on Tuesday. Those who saw the performances pronounced them very good. Fakirs, catchpenny concerns and toughs were conspicuous for their absence, and it was one of the most orderly shows that has visited Chestertown for years.

*†*Undertaker Wm. H. Krusen has erected some fine monuments during the past week at different points in the county. He has erected at the M. E. Church yard at Galena a very fine monument of dark marble in memory of the late Samuel J. Rosebury and wife, and one at old Union cemetery, near Worton, to the late Rev. Wm. T. Parsons, and one at beautiful old Shrewsbury cemetery to the late Clarence Scotton, who died near Kennedyville. He has also placed several small tombs in Still Pond cemetery and other points.

Elmer Hinson Still at Large.

Elmer Hinson, the negro who was accused of burning the Cannon home in Quaker Neck, and who escaped from the Chestertown jail Thursday night of last week, has not yet been captured. Sheriff Keyser has done everything in his power to find Hinson. The sheriff has spent much time and money in his search for the fugitive; he traced him to his home at State Roads, Del., about 8 miles from Wilmington, on Saturday last where all clue to his whereabouts were lost. The Sheriff says the chief of police of Wilmington was more than kind in giving him assistance in his search for the prisoner, placing at his disposal his best detectives. Hinson made remarkable time after getting out of jail. He was seen by the agent at the States Roads station to get off the rear platform of the 8.20 passenger train Friday morning and go directly to his mother's house. The agent stated to Sheriff Keyser that he knew Hinson was in jail at Chestertown, and when he saw him get off the train he concluded the prisoner had given bril and had been released.

PEOPLE'S COLUMN.

☞The columns of the TRANSCRIPT are open to the proper discussion of all topics of public interest or importance. Whether the editors agree with the sentiments expressed or not, the people should and may be heard through the TRANSCRIPT'S columns—the paper will be the People's Forum from which they may be heard on all subjects—purely personal matter excepted. The Editors are not responsible in any manner for articles that appear in this column.

Messrs. Editors of the TRANSCRIPT—Gentlemen:—I understand that some $1,600 to $1,800 is deposited in one of the banks of Chestertown for the purpose of paying certain county bonds, and that this money is only paying 2 per cent. interest. This is not shown nor even alluded to in the recent published account of Kent county's condition, so one of the county commissioners tells me. This should certainley by shown in the published account whether the commissioners or the auditing committee thinks it proper or not. The people want to know what money is in bank subject to the order of the commissioners, as well as that in bank subject to the order of the treasurer. Why should it not be so? It is there for a purpose and the purpose the people have a right to know. How many people in Kent county outside of the county commissioners and those directly connected with the office know of this fact? Let this $1600 be paid out and let the bonds be redeemed. Or if the bonds are not redeemable, why is the money there?

Yours very truly,
HOPE H. BARROLL.

DIED.

CAREY.

In sad and loving memory of our dear Nephew C. Goldie Carey who departed this life on September the 7th, 1902, age 27 years and 10 months.

Two years have passed: Oh! how we miss him:
Never shall his memory fade.
Sweetest thoughts shall ever linger
Round the grave where he is laid.

Two years have passed and still we miss him:
Friends may think the wound is healed:
But they little know the sorrow
That lies within our hearts concealed.
