CHESTERTOWN, MD., APRIL 11, 1903

THE Hayes matrimonial agency has bursted.

VIRGINIA has joined the Prohibition ranks!

THE small-pox scare at Chestertown cost the town $1800.

"CHRIST is Risen from the Dead," comes to every bereaved heart today as a memento that their loved ones shall not always sleep but that they shall rise again.

THE county examining committee have discovered a floating indebtedness of over $30,000 and will probably make their report and recommendations next Tuesday.

THE most inconsistent action of recent notice is that of a "bartenders' total abstinence association." The cause of temperance could not have a greater endorsement than this.

I. FREEMAN RASIN, the Democratic leader who won such a great victory in Baltimore Tuesday, was born in Chestertown in the house now occupied by Mr. George B. Westcott.

IN another column is given a resume of the peach outlook. There is every indication of a good crop of peaches and experts report no material damage by the recent cold and frost.

THE new Trust and Banking Company at Galena is about to be organized and Dr. E. A. Scott and Wm. A. Whitaker are prominently mentioned for president.

AN election for commissioner of Chestertown to succeed Mr. Charles L. Dodd will be held on Monday, April 27th. Mr. Dodd refuses to serve longer. The only avowed candidates as far as we can learn are Mr. Harry L. Boyd and Mr James Brice. These gentlemen are agressive and progressive citizens, men of excellent tastes and practical ideas.

GEN. LATROBE made a poor showing in his race for mayor. The following item from one of the city dailies speaks rather discouragingly of "spell-binders": "While the canvass in the General's interest, if such it can be called, has been restricted practically to advertisements in the Sun, they are declared to have been of greater effectiveness than would have been the efforts of a score of spell-binders." In view of the vote cast for General Latrobe, the "greater effectiveness" of his campaign method is open to question.

THE North German Lloyd steamer Main deposited in Baltimore Monday 2488 immigrants, of whom 2000 were males who have come to this country for the purpose of making new homes, principally in the West. This great influx of immigrants has never before been equaled at this port, and has never been exceeded but once at any other port. Some had $1200, $800, $600 and so on down as low as $30.

IN THE hottest and closest campaign in the history of Chicago municipal campaigns, Carter Harrison was on Tuesday elected mayor for the fourth time by a majority of 6,948. More than $1,000,000 in wagers changed hands on the result. The Republicans were very enthusiastic and hopeful, basing their calculations upon the schisms in the Democratic ranks and the fact that their own party was united for the first time in many years' campaigns.

MCLANE won in the Democratic primary election in Baltimore Tuesday by over 5,000 and also all the other organization candidates but one. Wachter beat Platt for the Republican nomination and Billy Stone and McComas are in the soup. The poor Evening News lost every candidate it advocated and its mud-slinging was given a severe rebuke. The Herald one of the most partizan of Republican papers says: "Mr. McLane, the democratic nominee for mayor, stands before the public in a fine light. There is no more taint on his nomination than there is on his character. He won his fight handsomely from first to last. Not an undignified word or impatient phrase came from him."

HAYES says he will support McLane. Certainly he will and so will Latrobe and Yewell. They were beaten fairly and should do by McLane as they would have expected him to do by them. A victory in May means much for the whole State Democracy.

MERRIWEATHER, a colored preacher of Baltimore, obtained a verdict of $250 for the alienation of his wife's affections. He sued for $15,000!

Situated near Lynch's in the Third Election Dist. of Kent Co., Md.,

UNDER and by virtue of a decree of the Circuit Court for Kent county, Maryland, passed in Chancery Cause No. 1458, entitled Gideon Frank Clark et. al. vs Mary A. Clark Howard et. al., appointing Hope H. Barroll trustee to sell the real estate in said cause mentioned, the undersigned will offer at public sale in front of the Court House Door, in Chestertown, Kent county Md., on

TUESDAY, May 5, 1903,

Between the hours of 11 o'clock A. M. and 12 o'clock noon, all the following

Valuable Real Estate

OF WHICH THE LATE JOHN Z. CLARK died seized and possessed.

FARM NO. 1 consists of all that farm called or known by the name of

"THE TRULOCK" or "KILPATRICK FARM"

AND CONTAINS

211 ACRES, 1 Rood and 4 Perches of Land,

more or less. The soil is from a light to medium sandy loam, of good natural quality and is easily improved. The land will grow good crops of grain of all kinds, and is especially adapted to the growth of all kinds of fruit. The

Tenant House

is in fair condition and ample for the purposes of the farm. The Barn and Stable are in excellent condition and the farm is under good fencing. There are about 1000 PEAR TREES.

The Kilpatrick Farm is offered with the express understanding that the right of way from said Kilpatrick farm shall begin where the west line of the Miller farm intersects the Kilpatrick farm on the north, and at a point where the lines of the Jeremiah Miller farm intersects both the Kilpatrick farm and the farm now occupied by Clara B. Rees, known as the Miller farm, and the right of way shall extend in a southerly direction following the line of the lands of Jeremiah Miller, which formerly belonged to John A. Miller and W. W. Parks, to the public road leading from Worton Station to Lynchs, following the westerly line of the said Clark to the said farm now occupied by Clara B. Rees, an even width of 25 feet throughout; and if the purchaser of the Kilpatrick farm shall so desire he may fence off said 25 foot road, but if it be not fenced off then whenever any of the fields on the farm of the said Clara B. Rees, as now occupied by her, shall be in pasture, he shall keep closed the gates on such pasture field or fields.

FARM NO. 2 IS KNOWN AS THE

'Home Farm'

AND CONTAINS

182 Acres and 35 Perches of Land, more or less,

and is the same farm whreon John Z. Clark lived at the time of his death. The land is a medium loam, in a high state of cultivation and yields fine crops. It lies on the west side of the public road leading from Lynch's to Coleman's, about 11 acres lying on the east side of said public road, of which 11 acres 5 are arable and the balance is well set in Chestnut and Oak. The farm has a

TWO-STORY

FRAME DWELLING,

large and commodious, in excellent condition. The Stable is ample for the purposes of the farm. The Barn is large and ample, and each of these buildings is in excellent condition. The farm is well fenced, in a high state of cultivation and is tenanted by Mr. Henry Clark.

There is a fine stream of water, with hard bottom, running through them, affording an abundancy of water for stock. Every field on "The Kilpatrick Farm" and on "The Home Farm" is watered by this stream. This sale will afford a most excellent opportunity for any one desiring land on which to raise stock to secure a desirable place for such purpose, the land of each farm being especially well adapted to the growth of all grasses and grazing. Each of the farms is well wooded with fine Chestnut and Oak Timber, ample for the purposes of the farm. In a few years much of the chestnut will be of a size sufficient to place upon the market, thus adding a valuable asset to each farm.

Each of these farms lies convenient to Villages, Churches, Schools, Postoffice, and 1 mile from Railroad. This land affords a most desirable opportunity for one desiring a home or a safe and profitable investment. It is seldom that such fine estates have been placed on the market in Kent.

All unpaid purchase money to be secured by the note or notes of the purchaser or purchasers to the satisfaction of the trustee. All title papers at the cost of the purchaser or purchasers.
