For Congress from the First Congressional District:

HON. THOMAS A. SMITH,
of Caroline County.

THE 125th session of Washington College began on Wednesday. The future seems very bright for this time-honored institution, and we hope that this will be the most successful year in its history.

JUDGE RICHARD HENRY ALVEY, for years chief judge of the Maryland Court of Appeals, and recognized as one of the most eminent jurists in the State of Maryland, died at 7 o'clock last Friday evening at his home in Hagerstown.

THREE MILLION FIVE HUNDRED THOUSAND car fares were collected on the street cars in Baltimore city during Jubilee week. If the United Electric Railway Company contributed $1000 to the Jubilee fund and furnished all the electric power for the illumination during the week, which they really did, how much does the company profit by the Jubilee?

THE TEACHERS of the county will be welcome to all the pleasures and advantages of Chestertown during their stay among us next week. There is no body of toilers more entitled to the highest respect and esteem of the community than are the teachers, whose time and patience are given without stint to the making of loyal and upright citizens, and it should be a pleasure to all of us to lend hearty co-operation to all their gatherings. May institute week be a most profitable one for both teachers and patrons.

WILLIAM A. WHEATLEY, ESQ., was nominated for Additional Judge of the Supreme Bench of Baltimore city on Monday by the Democrats. Mr. Wheatley has been practicing law in Baltimore for about nine years and is quite popular. He is a cousin to Messrs. Joseph N., Wm. A., J. Frank and Miss Kate Wheatley of Chestertown. His opponent will be Thomas Ireland Elliott, Esq., son-in-law of Harrison W. Vickers, Esq., of the Chestertown bar. Consequently there attaches considerable local interest in the election in November. Mr. Wheatley's nearest opponent in the primaries, which were conducted according to the Crawford County System, was Albert S. J. Owens, Esq., who has made a splendid record as State's Attorney for Baltimore city.

People's Column.

☞ The columns of the TRANSCRIPT are open to the proper discussion of all topics of public interest or importance. Whether the editors agree with the sentiment expressed or not, the people should and may be heard through the TRANSCRIPT's columns—the paper will be the People's Forum from which they may be heard on all subjects—purely personal matter excepted. The Editors are not responsible in any manner for articles that appear in this column.

MESSRS. EDITORS:—I noticed in the Kent News last Saturday an editorial which says that the opinion given by Judges Pearce and Crothers in reference to the assessment in Queen Annes does not apply to Kent county because only personal property was listed in Kent. The opinion which the TRANSCRIPT published in full for the benefit of the taxpayers of the county is very clear upon this point and says that the listing of personal property until the year 1908 is in violation of the law as passed by the last Legislature, which law was published in ample time to have stopped the taking of the assessment by the Kent County Commissioners. Whatever may have been the reason of the Commissioners for taking the assessment at this time I am satisfied that they are all men with sufficient knowledge of the law to know when they are violating the law, and if the law states that the listing of personal property shall not take place until the year 1908, which I can show it does, it was the business of the Board to know this and not desire to make the tax payers pay for something that is highly unlawful and for the cost of which the tax payers under the circumstances are in nowise responsible. It was a very bad move on the part of those who ordered the assessment taken. Our tax rate is already $1.15 and not one cent of the cost of taking this assessment has been provided for in the recent levy. The assessment cost nearly $2000, I understand, and it makes no difference what we are told it will have to be taken again in 1908 to conform to the law, because Kent county is the only county in the State that violated the law and whose tax payers are unnecessarily made to suffer for somebody's unwarranted persistence. With all the money that has been lavished on our county roads, more than $5000 in the First District being spent every year, how are we going to get any lower tax rate? The tax payers of the county should not be burdened in such a manner, and it looks like this assessment was ordered for political purposes pure and simple, which will not receive much encouragement from the intelligent tax payers of the county. Why didn't the Kent Commissioners do as the other counties of the State have done? There was no especial need of this assessment this year and with more economy in the expenditure of public money on the roads the tax rate could have been lowered. Not another county in the State faces such a situation as Kent. We are made to pay more State taxes in 1907 than any other county in the State, and there was no uniformity about the assessment for county taxes throughout the county. It is an unfortunate blunder and the County Commissioners should correct the mistake, making null and void the assessment at no cost to the tax payers.

FIRST DISTRICT TAX PAYER.

MR. GEORGE N. NUMSEN BETTER.

Underwent Serum Treatment For Cancer of Stomach.

Mr. George N. Numsen, former City Register and well-known in Chestertown, is reported to be greatly improved at Union Protestant Infirmary, Baltimore, where he has been a patient for several weeks. Mr. Numsen was operated on by Dr. J. M. T. Finney for stomach trouble.

Three years ago Mr. Numsen became ill and was taken to the hospital for treatment. A number of the best physicians of the city, including Drs. Julius Friedenwald, Christian Deetjen, J. M. T. Finney, W. S. Thayer and George W. Hemmeter, diagnosed the case. It was the opinion of all that Mr. Numsen was suffering from cancer of the stomach. Mr. Numsen was given an option of three courses—permit the growth to take its course, which would mean certain death within a year at most; undergo an operation the result of which the physicians believed would prove fatal while on the operating table; or submit to a treatment with experimental serum which Dr. Friedenwald has procured from Carlsbad, Germany, combined with X-rays.

Mr. Numsen elected the latter, and at the expiration of two years he was pronounced entirely cured. The treatment had caused ulcerations to form in the stomach. The ulcers were removed by external treatment, but an operation was found necessary. Mr. Numsen is rapidly recovering and in a short time, it is thought, will enjoy as good health as he did prior to his first illness.

The cure of the cancer of the stomach marks the beginning of a new epoch in medical history. Though in many instances life has been prolonged by the use of the knife and suffering has been reduced, a perfect cure, it is said, is not on record.

Governor Appoints Adkins.

Governor Warfield on Thursday appointed Wm. H. Adkins, Esq., of Easton, Md., associate judge of the Second Judicial Circuit to succeed the late Judge Wm. R. Martin. Mr. Adkins is one of the most prominent lawyers of the Easton bar, and is eminently qualified for the position to which he has been appointed. He will make his first appearance at the Elkton court now in session.
