ROCK HALL ITEMS.

Miss Lois Leary and Mr. Trew Durding left for Washington College on Wednesday. The former to pursue a normal course, the latter a general collegiate. They were hard students here and we think will do credit to themselves and to the College.

Oysters are plentiful, but have made little growth consequently, a tonger gathers but few that are marketable. If they could be let rest this season a great harvest would be reaped next year. Owing to the hot weather buyers are timid in purchasing.

Fish are plentiful and bring good prices and many of the oystermen will continue to fish until the weather gets cooler.

Messrs. Alexander, Kramer and Benjamen left Wednesday to attend the celebration of the Jewish New Year. Miss Gertie Kramer employed Miss Cora Middleton to substitute for her on Thursday and Friday.

Miss Nelie Willson took charge of Gratitude School on Monday and seemed quite at home amidst her pupils. She enrolled 14 the first day and others will enter later in the season. Miss Myrtel Durding made her debut at Swan Creek School and had 10 to greet her.

A number of Professors visited Rock Hall school this week each bent on business characteristic with their respective condition in life (single blessedness).

Capt. James Warmsley who has been first officer on the Annapolis came home on Tuesday having been away more than three months. Someone rejoiced at his coming.

Uncle Joe is so absorbed either with cans or tomatoes that he has ceased to be seen on our streets. Some suggest that the fragrance of the fruit has something to do with it.

Bro. Burr spoke of criticism in his discourse on Sunday. From the position he took one would infer the criticism from the pulpit was admissible, but wrong to reverse it.

Plenty of coal is being stored here for winter. Load after load may be seen on the street. No coal famine this winter, thanks to the enterprise of Capt. Charles Davis.

Buletins on various blackboards foretold of the candidate for certain offices, but alas! they failed to materialize.

Our magistrate was called to decide several cases of oyster violations with the usual results. Law is law and must be obeyed and while there are many small oysters they can be culled. Do not kill the goose which lays the golden egg for fear of future suffering.

Rumor says, that the telephone line is to be extended to the saw mill, and residents along the route have requested phones to be placed in their dwellings. Good, now let the trolley come, also the R. R. finally the Swan Point resort be put in operation, then we will boom.

A MONEY-SAVING OPPORTUNITY

For Wearers of Good Shoes.

Having signed a contract with the well-known firm of N. Hess & Sons to take charge of their Baltimore city store from September 15th, it compels me to close out my entire stock of Shoes in Chestertown.

My stock here is nearly Five Thousand Dollars in Ladies', Men's, Boys' and Misses' Shoes and Rubbers.

Now listen, good people, you know that for the past four years I have sold you all Shoes that were stylish, good looking and kept their shape; and best of all wore you as well and were better than Shoes you bought elsewhere. I have always tried to give the best leather Shoes that money and twelve years experience could buy. You can get cheap, trashy Shoes with what is commonly known as "paper soles," both outter and inner soles.

I have not any such Shoes in my store, nor have I ever handled such. You need not think that you will come to me expecting to get a $5.00 Shoe for $1.50. We are going to SELL OUT, no fake sale. We will sell Shoes at cost price, even less than you can buy them to-day at factory prices.

When you can save a dollar or so on a pair of Shoes, this opportunity seldom comes to you. All we ask of you is to come to see us and we will prove to you what we say we will do. If not convenient for you to come at once, write us a card and we promise you the same treatment as if you came yourself. But don't put it off, for this sale will only last about two weeks, as my contract compels me to report for work at the well-known firm of N. Hess & Sons, Baltimore, by September 15th.

We will sell you Shoes less than you ever had or will be able to buy them for some time to come, and it will pay you to buy for the future.

Very respectfully yours.

W. Ambrose Carroll,

P. S.—Come at once, time is short.
