THE PLANS OF HOW THEY SHALL BE CONDUCTED.

One candidate for Sheriff.

The nomination of candidates shall be determined by the popular vote of the Democratic voters, a pluarlity of voters to determine who shall be candidates of the Democratic party, provided that the candidates for county commissioners shall be one from each of the First and Second Districts, and one from the Fourth and Seventh Districts combined, to be determined by a plurality of the voters of each of the said Frist and Second Districts and by a plurality of voters of the Fourth and Seventh Districts combined, and that all returns by judges of primaries shall be made to the chairman of this committee on Tuesday, June 18, 1905, at 11 o'clock A. M., who together with the committee, or such of the committee as may be present, which is hereby called to meet at that time, shall proceed to verify the returns and declare the names of the persons who have been chosen as candidates for the respective offices to be filled, and publish same in the county newspapers, or such of them as may be desired.

All qualified voters of Kent county who have been recognized as Democrats and whose names appear upon the registration books of the district in which they present themselves, shall be entitled to vote, also all young Democrats who on account of their age are not registered, but who will be entitled to registration and to vote at the coming November election, shall be entitled to vote at said primaries.

All Democrats wishing to be candidates may give their names to the secretary together with the proportionate cost of primary expense, which is estimated at $4, on or before June 11th.

GEORGE BECK, Chairman.
JOHN G. ROLAND, Secretary.

WE UNDERSTAND that the organization forces in the county have lined up behind Mr. Daniel W. Haddaway, of Quaker Neck, for sheriff. The friends of Mr. Wm. D. Carter in the Third District will be surprised to learn of this move, for they had confidently expected the organization to get behind Mr. Carter for sheriff.

MR. ROBERT S. CREW, the candidate for the Legislature from the Fifth District, is proving to be one of the best vote-getters and hustlers of the present campaign. Mr. Crew has been mingling with his friends in the First, Second Third districts during the week, and he is meeting with encouraging success. Mr. Crew is a young man full of sound ideas and good common sense. He is a splendid mixer, and will make an ideal candidate in the election. He should be nominated by all means, and we believe he will.

May Test Bryan's Decision.

It is understood that Chairman Vandiver, of the State committee, will test the decision of Attorney General Bryan with reference to the law which he declared compelled the holding of legalized primaries in the counties. The idea is to have a voter in one of the counties directly affected take the question into court, and it has been decided to make the contest from Carroll county, but the date has not been decided upon.

FOR SHERIFF.

Mr. Samuel G. Price, of the First District, has acceded to the urgent request of his friends, and has announced himself as a candidate for sheriff in the approaching primaries. Mr. Price is one of the most widely known young men in the upper part of the county. For a number of years he was engaged in farming near Masseys, and has won a host of friends by his affable manner and genial disposition. He possesses all the qualifications for the office, is popular with the masses, and is a good mixer. He will make a very strong candidate and should be nominated and elected.

FOR THE LEGISLATURE.

Mr. John M. Comegys, of the Second District, has acceded to the request of his friends, and on Wednesday announced his candidacy for the Legislature. Mr. Comegys is one of the most popular young men in the Second District and has hosts of friends in the county who will be glad to assist him in securing the nomination for the office for which he is so well qualified. Mr. Comegys has never been a candidate for office before, but has always worked diligently for the success of the Democratic party. He will make a most excellent representative.

RICHARD D. HYNSON.

The loss which Kent county has sustained in the death of Richard D. Hynson is beyond estimation. His heart was so large and his acts of benevolence and friendship were so many and varied, that no one can estimate the extent of his generosity, or the effect of his influence upon his fellowmen. In business, in politics, in social life, he lost sight of self and his influence, and labored always for the welfare and success of his friends, and now that he is dead, now that the chalice is broken, and the great strong heart is still forever, who is there that knew him, that does not feel that something has gone out from their lives beyond recovery, or that this community and county has lost a man whose influence for his fellowmen, and his fidelity to his friends were such a power as to make his memory forever sweet to those who came within the sphere of that influence. The one opinion of him generally expressed is "we have all lost a friend whose place it will be exceedingly dificult to fill."

THE CANDIDACY of Mr. George E. Noland for the State Senate is meeting with general favor throughout the entire county, and from the rapidity with which he is gaining friends it is an indication that Mr. Noland would make an exceedingly strong candidate in the election. Mr. Noland has rarely been a candidate for office. He was a candidate for the State Senate four years ago, but gracefully withdrew in the interest of party harmony, and in every instance in which he has been before the people, he has sacrificed his personal desires for party success. It has always been Mr. Noland's ambition to represent his county in the State Senate. This ambition is a worthy one, and if gratified by the people of the county, Mr. Noland would be anxious to make for himself an enviable record. He could and would do this in no other way than by exerting his efforts in the interest of all the people in all parts of the county who's servant he would be.

Mr. Noland, furthermore, is young, aggressive, energetic and enthusiastic, and if elected to the State Senate he will represent the people without any urging, and he will do so in a straightforward and fearless manner. Mr. Noland is distinctively a man of all the people. He knows their needs, and his associations are such that he is thoroughly conversant with the needs of the watermen, with the business man, as well as the professional. It is generally conceded that the Republicans are going to make a great play for position in the fall. They are going to create an issue which they consider of vital importance to sundry interests in the county, but Mr. Noland will be a much harder man to defeat for the senate than some other men, because he enjoys the confidence and respect of the element intended to be influenced. In all respects therefore Mr. Noland seems to be the strongest man the Democrats can nominate, and what the people need to do in the contest is to nominate such men as they feel assured will win in the election, in order to keep the affairs of the county in control of the Democratic party.

MILLINGTON MATTERS.

Frank P. Burnhart and Miss Annie L. Bailey were quietly married at Holy Cross P. E. church by Rev. Albert Ware at 8.30 on Thursday evening.

The centennial anniversary of the founding of the Women's Foreign Missionary Society was observed at Trinity M. E. Church, South, on Thursday. The W. F. M. society, at Asbury church were guests of Trinity Society on that day. Services were held during the afternoon and evening, and a luncheon was served at the church at five o'clock.

The town assessment for the current year has just been completed.

Last Saturday night was so stormy that the school festival cleared less than $10.

Some of the more forward farmers have set out tomato plants this week for cannery use.

Children's Day services will be held at the M. E. Church South on Sunday afternoon, and at the M. E. Church on Sunday evening next.

Dwellings are at a premium in Millington. A number of changes will be necessary at the end of the year for which no provision has yet been made.

The local school trustees have petitioned the county school commissioners for improved school accomodations for Millington.

A bachelor living on a prominent street here went away on Monday morning, being preceded on Saturday by a good sized trunk. Shortly after his departure a report gained headway and credence that he had gone to a western state for the purpose of bringing back a bride. Painters have been busy on the exterior of his dwelling the greater part of the week.

ROCK HALL ITEMS.

The Rock Hall High School Alumnae Association will hold their annual meeting at K. of P. Hall on Monday evening, when they will elect officers for the ensuing year, and give their usual banquet. This was an enjoyable affair last year and judging from the energy now being presented will be more so.

The twelfth annual commencement of the Rock Hall High School will be held at K. of P. hall on Thursday, 13th, 8 P. M. Mr. W. B. Copper, cashier of the Second National Bank, of Chestertown, will deliver the adddress to the graduates; Mr. Milton Melvin, superintendent, will present the diplomas; Miss Agnes Q. Lewis will be valedictorian; Miss Maude E. Middleton, salutatorian; Miss Ida C. Sewell, historian; Miss Mary Davis, class poet; and Miss Lillian Warner, responcer. Rev. Warren Burr will give the invocation and Rev. Mr. Compher, of Wesley Chapel, will pronounce the benediction:

Piney Neck will hold their commencement on Friday, June 14th, at 8 P. M. in the M. E. Church. Rev. E. H. Munford will address the graduates and Mr. Milton Melvin will present the diplomas.

Bro. Burr and wife left on Monday for their daughter's, who resides within 30 minutes ride of the Jamestown Fair. He will take in the fair and return on Monday, June 10th.

Order of Publication,

In the Circuit Court for Kent County.

No. 1619 Equity.

Sarah C. Wright, John Wright,
vs.
Margaret Murray, George Murray, Laura Murray, Albert Wright, Sadie Wright, William Turner, Marian Turner.

THE object of this bill is to procure a decree for the sale of the real estate of Jane Wright, colored, deceased, and to destribute the proceeds among the heirs-at-law.

The bill states that Jane Wright, colored, deceased, was in her lifetime possessed of a certain lot of land in the Sixth District of Kent county, Md., improved by two small houses near Fairlee, in said county.

That the said Jane Wright departed this life leaving her husband, John Wright, and the following heirs-at-law: George Murray, the son of a deceased son, John Murray, who died leaving his widow, Margaret Murray, and George Murray, his only child and heir-at-law, who is twenty-one years of age, and who is married to Laura Murray, both of whom live in the State of Pennsylvania; another child, Sarah C. Wright, one of the plaintiffs.

A son, Albert Wright, who is married to Sadie Wright, who is above twenty-one years of age, and who lives in Kent county, Md.

A daughter, Marian Wright, whose name is Marian Turner, she having intermarried with William Turner, both of whom reside near Fairlee, Kent county, Maryland.

That your orators and the defendants named are the only heirs-at-law of the said Jane Wright, and are the only persons entitled to interest in the said real estate; that the said real estate is not susceptible of partition without loss and injury to the parties entitled, and that in order to make division of said interests it will be necessary for said real estate to be sold and the proceeds thereof divided among the parties entitled thereto.

To the end therefore that a decree may be passed for a sale of the aforesaid real estate and the proceeds distributed among the parties entitled according to their respective interests.

It is therefore this 29th day of May, 1907, ordered by the Circuit Court for Kent county in equity, that the plaintiffs by causing a copy of this order to be inserted in some newspaper published in Kent county, Maryland, once in each of four successive weeks before the 1st day of July, 1907, giving notice to Margaret Murray, George Murray and Laura Murray, non residents of the state of Maryland, and who reside in the state of Pennsylvania, of the object and substance of this bill and warning them to appear in this court in person or by solicitor, on or before the 20th day of July 1907, to show cause, if any they have why a decree ought not to be passed as prayed.

PUBLIC SALE —OF— A FINE FARM ON CHESTER RIVER.

UNDER and by virtue of a power contained in the last will and testament of Thomas A. Hudson, the undersigned will offer at public sale in front of the Court House Door, in Chestertown, Kent county, Maryland, on

Tuesday, JUNE 11, 1907,

between the hours of 11 A. M. and 12 o'clock noon,

ALL THAT FINE FARM
KNOWN AS THE
"Williamson Ringgold Farm"

whereon the late Thomas A. Hudson resided during his life.

This magnificent estate is beautifully situated on the waters of Chester river near the mouth of Gray's Inn Creek, at the extreme end of Piney Neck, in the Fifth Election District of Kent county, Maryland. The residence commands a fine view of Chester River, and is located on a bluff near the mouth of Gray's Inn Creek. The water view of the Chester River at this point south and east, for a distance of twelve or fifteen miles, is unsurpassed. Deep creek, a beautiful stream of water, lies on the east side of this farm, and forms a fine harbor of about 20 acres; an ideal spot for pleasure craft, so that the estate is more than half surrounded by water.

The farm contains

175 ACRES OF LAND,

MORE OR LESS,

and is improved by a Commodious

Frame and Brick Dwelling,

with large Stable, Barn, Carriage House, Implement Shed with loft, Corn House, Meat House and other necessary outbuildings.

The farm, apart from its unusually fine location, is one of the most productive and easily cultivated estates in Kent county. The soil is a medium loam, it quickly responds to cultivation and improvement, and will grow from 25 to 35 bushels of wheat and from 50 to 60 bushels of corn to the acre.

There Are Some 35 Acres of Pine and Oak Timber

ripe for cutting, and it is estimated by those who know the farm that the timber on this tract is worth from $4000 to $5000.

The water of Chester River and Deep Creek at this point abounds in Fish, Oysters, Crabs, Wild Ducks, Geese and Swan, and it is an estate which offers particularly attractive inducements to one seeking a home on the waters of this magnificent water way.

There is a good landing for lime, grain and other products, on the shore of the farm.

The Peach Orchard has some 400 trees, and there are ample Apple and Pear Trees for the use of the farm. There are about 2 Acres well set in Asparagus. The farm is divided into 5 fields with 3 grass lots.

Sea-Ore Grass, peculiarly valuable as a fertilizer, is found in large quantities on the shores of the farm.

TERMS OF SALE:—One-third of the purchase money cash on the day of sale, and the residue in one and two years. All unpaid purchase money to bear interest from the day of sale and to be secured to the satisfaction of the undersigned. The wheat crop is reserved. The purchaser will receive one-half of the corn crop, and will get a clear title in fee simple. All title papers at cost of purchaser.
