A FRIGHTFUL FALL.

Harrison W. Vickers, Jr., who is practising law in Baltimore, and makes his home with his brother-in-law, Thos. Ireland Elliott, Esq., received a frighful fall Monday morning. He is a somnambulist and during the early hours of Monday walked out the second story window of his room falling to the cement pavement where he lay for sometime until discovered by friends. He was removed to the Church Home and Infirmary where he has the best of care and attention. His leg and arm were broken and he was otherwise badly shaken up. His mother and father have been with him this week.

Mr. and Mrs. Vickers have the sympathy of a large circle of friends in the afflictions that have come to their daughter, Mrs. Elliott, and now to their son, Harry. We are glad to report both patients as doing as well as can be expected.

What is the Function of a Bank : : : ?

WE ALL KNOW how indispensable a really good bank is. It simply acts as your agent in investing your money. You deposit your money, the bank takes these funds and lends to other people. You could lend it yourself, but the difficulty is to find safe investments. You do the wise thing to put it where it is reasonably well invested.

Now, when you go to sell property why not place it with one who is in touch with buyers, just as the bank is in touch with borrowers. I know many people who are looking for various kinds of property. You don't know them. My information is worth dollars to you if you want to sell. I don't mean I can get exorbitant prices, I can't. I don't intend to try. But my ability to handle your property better than you can, has been proven. I have sold property after the owners, having tried for years to sell, have failed.

Automobiles in Kent.

Three in Chestertown Monday—A Strict Law Prevails in This State —Its Provisions.

This has been "Automobile Week" in Chestertown. Mr. Geo. D. Nichols, of Baltimore, is at "Radcliff" with his family and uses a fine automobile in riding about the country.

A large touring car arrived Monday and caused considerable excitement among the people here It has been stalled for some days at Mr. J. B. Hossinger's and has recently been repaired.

Mr. Frank Crew arrived in Chestertown this week with his elegent tourist carriage and treated a number of citizens to a ride. He announcad that he will not run between Tolchester and Chestertown but will keep his machine at Betterton where they are kept busy. The horses in town did not pay the slightest attention to the machine.

On the 4th page of the NEWS today by authority of the County commissioners is published the automobile law in full.

DEATH OF "BOB" MILLER.

Mr. William R. Miller, formerly a well known resident of Galena, this county, but for the past ten years residing in Baltimore, was found dead last Saturday night, sitting in a chair in the summer house of Franklin Square Park, where he was employed as special officer. The deceased was 59 years old and was born in this county. He removed to Baltimore about ten years ago and served for seven years as watchman at the Custom House. He is survived by a daughter, Mrs. Oliff Schierff, of Baltimore; and a sister, Mrs. Elizabeth Crisfield, of Galena. The remains were brought to Galena for interment, the funeral took place Wednesday.

SCHOOL NOTES.

Miss Grace Whaland has resigned as teacher of the "Oaks" school, near Tolchester.

The School Board received a petition Tuesday from patrons of Rock Hall school asking for the erection of a $10,000 school building. The Board stated in reply that they were unable to do so and in their opinion the county commissioners could not issue bonds for that purpose without an act of the Legislature.

The Trustees of the Chestertown High School, Messrs. Bordley, Bacchus and Smith, have agreed to place electric lights in the Assembly room and in the halls of the new school. This is commendable. The Trustees requested the School Board to provide the building with fire escapes and the same will be considered.

More Changes.—It was inadvertently stated last week that Mr. Percy Hendrickson had rented the Ford-Hossinger farm in Quaker Neck when it should have been Mr. Wm. Shinn.

Mr. Frank Shinn has given up the lease of Mr. J. W. Lambert's Hopewell farm and Mr. Wm. Moffett, of Lynch's, has rented same.

It is reported that there are 18 applicants for the farm to be vacated by Mr. T. E. W. Crew, at Tolchester! Mr. Crew as heretofore reported, will go to Shrewsberry Neck on the Janvier farm.

WEDDING EVENTS.

Mr. Whittier C. Copper, assistant purser on the Emma A. Ford, and Miss Mary Emma Hadaway, daughter of Mr. J. Wesley Hadaway, of Quaker Neck, were quietly married at Bond Church parsonage Wednesday evening by Rev. E. B. Taylor, pastor. The bride taught school at Betterton last year. They will reside in Chestertown.

The wedding of Mrs. Minnie Brockson, of Lambson, and Capt. Walter Hadley, of Cecilton, took place on Tuesday evening at the home of Mr. and Mrs. Wm. Thornton, near Cecilton. The bride is one of Kent's best public school teachers and the groom a well-known gentleman of Cecil. The ceremony was performed by Rev. W. F. Dawson. Miss Clara Thornton rendered the wedding march. The bride was gowned in a pretty dress of Parisian eoleione trimmed in taffeta silk and lace applique. After the ceremony a brilliant reception was held and among those present were: Mr. and Mrs. Cohee, Mr. Marey and friend, Mr. Hayes and friend, Robert Shelton, Miss Alice Herlow, Mr. Edward Woodall, Miss Edith Caldwell, Mr. H. Brockson, Miss Lizzie Woodall, Miss Martha Bailey, Mr. Chas. Jarvis, Miss Winnie Ruth, James Thornton, Norman Spear, Miss Lorene Woodall, Eugene Thornton, Lena Thornton, Emma Spear, Mabel Broxson, Mamie Thornton, Mr. and Mrs. Chas. Thornton, Mr. and Mrs. James Caldwell, Mr. Samuel Caldwell and lady, Mr. and Mrs. Herlow, Mr. Sloaran, Mrs. Collins Whitlock, Mrs. Cannan, Miss Whitlock, Mr. and Mrs. Wm. Matthews, Mrs. Shelton, Mr. John Shelton, Jr., Mr. and Mrs. Stradley, Thos. Brockson, Geo. East, Mr. and Mrs. Hadley, Rev. Dawson, Miss Mier, Mrs. Moore, Mr. and Mrs. Wm. Thornton, Mr. and Mrs. John Shelton, Mrs. Tabitha Thornton, Mr. and Mrs. N. W. Vanhorn.

BIDS for the new college building were opened by the committee Wednesday night and the contract will be awarded tonight at a special meeting of the Board of Visitors. The bids are kept secret.

THE "tomato Kings" are Messrs. Wiggin and Kirby, of Queen Anne's. They have been supplying this market with tomatoes for two weeks. Mr. Wiggin shipped ten baskets to Philadelphia last week for which he received $2.75 per basket.

LOCAL NEWS.

Farm Purchased.—S. Grollman on Thursday purchased the Skirven farm in Worton for $8,600, including the present crops. This farm contains 333 acres and is situated on the Chesapeake Bay.

Runaway.—Dr. H. B. Simmons, of Chestertown, was severely hurt yesterday by his horse becoming frightened at a traction engine near Fairlee. The doctor and his driver, Lorenza Dunn were in the team and Mr. Keyser was leading the horse when the bridle broke and the horse became unmanageable throwing the doctor out and bruising him considerable, Lorenza escaped without a scratch. Dr. G. W. Simmons will take care of the Dr.'s practice.

Acquitted.—A hearing was held Saturday morning before Justice Hicks in the case of Mr. H. L. Boyd charged with shooting Walter Hill. After hearing all the evidence Mr. Boyd was acquitted. It was clearly shown that Mr. Boyd acted in self-defense. Messrs. Beck and Townshend represented the State, Messrs. Hynson and Barroll, the defense.

Accidents.—Mr. Jas. S. Webb, a prominent grocer, of Locust Grove, met with a very painful accident Wednesday while filling the dishes in a broken candy showcase. Mr. Webb went to scare the flies out and ran the sharp end of a piece of glass in his hand, to the depth of about ½ inch.

He paid very little attention to it at first, but later fouud he couldnot quench the bleeding. He was hurried to Dr. Scott, in Galena, where the wound was dressed. The glass was removed and several stitches taken. He is getting along nicely.

The three-year-old daughter of Mr. and Mrs. Wm. A. Burk was attacked by a large maltese cat one day this week and severely injured about her head. The mother's timely arrival saved the little one from serious injures.

Storm at Lankford.—A local hail and wind storm visited Broad Neck Monday afternoon and layed low the shocked wheat. It passed over the farms tenanted by Messrs. Thomas Connor, Thos. Trew, Walter Strong, George Beck and others, tearing down shade trees, a number of fruit trees and strewing the wheat all over fields. Mr. Strong says it took eleven men a half day to restore his wheat. A dash of hail accompanied the wind but did no especial damage.

Mr. Bartus Trew was in his field when the storm began and as he reached the house a sharp flash of lightning shot across the sky striking the roof of the house and stunning Mr. Trew. For a few moments Mr. Trew was dazed and for several days could feel the effect of the shock.

Body Floats Ashore.—The body of an unknown white man was found on the bayshore at Swan Point, near what is known as Tea Tree, Monday afternoon by some fishermen. The body was much decomposed. There was nothing by which the man's name or whereabouts could be ascertained. It was clad in a bathing suit, and it is supposed that the man was in bathing somewhere on the bayshore and got out beyond his depth and was drowned. Constable Scoone, upon the authority of Justice of the Peace Samuel Burgess, acting coroner, summoned a jury of inquest with Robert Jewell, of Edesville, as foreman. After viewing the remains the jury rendered a verdict that "the deceased met his death by some unknown cause, supposed to be drowned." The remains were placed in charge of Undertaker Casey Bros., of Rock Hall, for interment.

Humane Society Wanted.—An active society for the prevention of cruelty to animals should be formed in Chestertown and take in the whole county. Many persons have signified during the past two weeks their willingness to join such a society. All that is wanted is someone to take the lead.

Harvest.—The past week has been ideal for harvesting wheat and hay and the sound of the reaper has been heard all over Kent. The outlook is for a fair yield of wheat. One farmer near Golts Station was fearful lest he would not get his wheat cut and worked all day Sunday!

Queen Anne's farmers begun threshing Thursday.

Wheat was quoted at 86 cents yesterday in Baltimore.

IT is reported that there will be a general change in the captains of the steamboats on the M. D. & V. R. R. Co., plying between Baltimore and the Eastern Shore on July 1st. Captain Jones, formerly of the Queen Anne, will assume command of the B. S. Ford on the Love Point route. Capt. Clark, now of the B. S. Ford, will captain the Emma A. Ford on the Chestertown route. Capt. Taylor, of the Emma A. Ford, will assume command of the Gratitude running to Centreville, and Captain Van Dyke, of the Gratitude, will captain the Corsica.

THE contract for the erection of the bridge over Fanuel's branch was awarded to W. S. & A. M. Culp for $2100. Work will begin at once.
