Let us Reason Together.

HOLLOWAY'S PILLS.

Why are we Sick?

It has been the lot of the human race to be weighed down by disease and suffering.—HOLLOWAY'S PILLS are specially adapted to the relief of the WEAK, the NERVOUS, the DELICATE, and the INFIRM, of all clines, ages, sexes, and constitutions. Professor Holloway personally superintends the manufacture of his medicines in the U. States, and offers them to a free and enlightened people, as the best remedy the world ever saw for the removal of diseases.

THESE PILLS PURIFY THE BLOOD.

These famous Pills are expressly combined to operate on the stomach, the liver, the kidneys, the lungs, the skin, and the bowels, correcting any derangement in their functions, purifying the blood, the very fountain of life, and thus curing disease in all its forms.

DYSPEPSIA AND LIVER COMPLAINTS.

Nearly half the human race have taken these Pills. It has been proved in all parts of the world, that nothing has been found equal to them in cases of disorders of the liver, dyspepsia, and stomach complaints generally.—They soon give a healthy tone to these organs, however much deranged, and when all other means have failed.

GENERAL DEBILITY. ILL HEALTH.

Many of the most despotic Governments have opened their Custom Houses to the introduction of these Pills, that they may become the medicines of the masses. Learned Colleges admit that this medicine is the best remedy ever known for persons of delecate health, or where the system has been impaired, as its invigorating properties never fail to afford relief.

FEMALE COMPLAINTS.

No Female, young or old, should be without this celebrated medicine. It corrects and regulates the monthly courses at all periods, acting in many cases like a charm. It is also the best and safest medicine that can be given to children of all ages, and for any complaint; consequently no family should be without it. *Holloway's Pills are the best remedy known in the world for the following Diseases:*

Asthma,	Diarrhoea,
Bowel Complaints,	Dropsy
Coughs,	Debility
Colds,	Fever and Ague,
Chest Cliseases,	Female Complaints
Dyspepsia	Headache
Indigestion	Stone and Gravel,
Influenza	Secondary Symptons

Inward Weakness	Worms, of all kinds,
Liver Complaints,	Lowness of Spirits, Piles.

FLORIDA, CHARLESTON, FOR HEALTH—BUT PERHAPS TO DIE!

We hear this every day. Thousands will take a pilgrimage to the end of the world; they will do anything that require sacrifice to obtain health, but if you tell them of a simple, pleasant remedy—if you point them to our best known citizens, ladies and gentlemen, who they know have been restored to health, they will turn away. They think some great physician must be consulted—some great journey undertaken at great expense, and often they die in pursuit of that they might have obtained by trying HAMPTON'S VEGETABLE TINCTURE.

Have you a cough settled on your lungs, a dry, hacking cough, the glassy eye, the hectic flush on the cheek, pain in the breast and side, night sweats, with all the fearful symptoms of Consumption? Or have you Asthma, already stifling you with dreadful anguish of suffocation; setting up through the long cold night, while the sweat runs from every pore from the nightly effort of respiration?

We say, don't delay, but try Hampton's Vegetable Tincture, the Great Restorator and Invigorator. It has shown itself most powerfully curative of Nervous Diseases in their various forms, giving new life and vigor, restoring the shattered constitution, and thus infusing hope in place of despondency. By its mild, pleasant and safe action on the Stomach, Liver, Kidneys, Lungs, and the Nervous System, it cures Dyspepsia, Liver Complaints, Diseases of the Unirary Organs, Coughs, Asthma, Bronchial Affections, Consumption, Scrofula, St. Vitus' Dance, King's Evil, Worms, Rheumatism, Neuralgia, Gout, Fits, Fistula, Piles, with diseases arising from impure blood.

The Female System has, in DR. HAMPTON'S VEGETABLE TINCTURE, a cure for its numerous complicated derangements.—Hundreds who kave been debilitated and dispirited, and on the verge of a premature grave, have been restored by its use to blooming health, which we are abundantly able to prove by such a host of living witnesses as we think no other medicine can produce.

☞REV. JOHN LANAHAN, Pastor of th Exeter Street M. E. Church.—A strong desir to benefit the afflicted induces him thus to certify. We CHALLENGE any other medicine to present such a mass of testimony from gentlemen and ladies of high standing of our well-known citizens, who testify of cure of COUGH, BRONCHITIS, RHEUMATISM, DYSPEPSIA, &c.

Baltimore, January 24th, 1855.

Messrs. Mortimer & Mowbray:—I take pleasure in saying to you that I have used your *'Hampton's Tincture"* with great profit. From a serious throat affection, my general health had become very much impaired, when I commenced to use "Hampton's Tincture." I found its effects upon my general health most salutory. My nervous system and digestive organs soon righted up under its use

I have several times recommended it to my friends and in every case, as far as I have been informed, they have used it with great succes

BLEEDING OF THE LUNGS.

Raleigh, N. C., February 8, 1854.

Messrs. Mortimer & Mobray:—I do hereby certify, that about twelve months ago I was taken with a severe hemorhage of the Lungs and had four attacks of it. I was advised to Dr. Hampton's Vegetable Tincture. I procured one bottle, and, I was entirely well, and now I enjoy good health as ever I did in my life. I can, and do, without the least hesitation, recommend the TINCTURE to all persons afflicted in my way. Yours,

GEO. W. WEAKLY.

☞AWAKE THOU LETHARGIC ONE!—WHY GOEST BOWED DOWN BY PHYSICAL DEBILITY? WOULD YE BE ALL VIGOROUS AS IN FORMER YEARS.

We offer the remedy and give you the proofs of its great healing powers. We give you the names of Ministers of the Gospel—of our best known citizens—who testify that it cured them after all other remedies had failed. It is delightful to the taste and invigorating to the whole system, and only costing $1 for a bottle that will last nearly three weeks.

One of the best and most highly esteemed citizen speaks. Hear him:

BALTIMORE, March 14th, 1855.

Messrs. Mortimer & Mowbray:

Gentlemen—It will be out of my power to tell you in this certificate of all the good I have derived from the use of Dr. Hampton's Vegetable Tincture. For more than twelve months I have been in bad health, with what my doctors call Rheumatism, Dyspepsia and a general derangement of the whole nervous system; for weeks at a time, I was unable to leave my bed, with severe pains in my side, back and breast, with no appetite and great debility.—After trying various remedies, from which I derived little, if any benefit, I became much dispirited; at this time I was advised by a friend who had been cured by the Tincture to make a trial of it. I am happy I did so, for after taking two or three bottles, I find myself restored to health.

My daughter, also, who was broken down in health, has been restored by it. Some of my neighbors have also been cured and others benefitted by its use. My desire is to bear testimony of the good I have derived. I cannot say too much in favor of this valuable medicine, nor express in this way all the sufferings from which I have been relieved, but if those who are afflicted will call on me I will give them satisfactory evidence of the great healing and restorative powers of Hampton's Vegetable Tincture. Yours, truly.

STARTLING BUT TRUE.

What Every Woman Should Know.

HOW often it happens, thatthe wife lingers from year to year in that pitiable condition as not even for one day to feel the happy and exhilarating influence incident to the enjoyment of health.

The Blooming Bride, but a few years ago In the flush of health and youth, and bouyancy of spirits, rapidly, and apparently inexplicably, becomes a feeble, sickly, sallow, debilitated wife, with frame emaciated, nerves unstrung, spirits depressed, countenance bearing the impress of suffering, and na utter physical anp mental prostration, arising from ignorance of the simplest and plainest rules of health as connected with the marriage state, the violation of which entails disease, suffering and misery, not only to the wife, but often hereditary complaints upon the children "unto the third and fourth generation," transmitting Consumption, Scrofula, Hypochondria, Insanity, Gout, King's Evil, and other and worse diseases; as a Dreadful Inheritance from the parents.

"And must this continue? Must this be?—Is there no remedy? No relief? No hope?

The remedy is by knowing the causes and avoiding them, and knowing the remedies, and benefitting by them.

These are pointed out in *Married Woman's Private Medical Companion,* by Dr. A. M. Mauricea, Professor of Diseases of Women; One Hundredth Edition, (500,000) 18mo. pp. 253 on fine paper, extra binding, $1.00.

A standard work of estabiished reputation. found classed in the catalogues of the great trade sales in New York, Philadelphia and other cities, and sold by the principal booksellers in the United States. It was first published in 1847, since which time five hundred thousand copies have been sold, of which there were upwards of one hundred thousand sent by mail, attesting the high estimation in which it is held as a reliable popular Medical Book for every Female the author having devoted his exclusive attention to the treatment of complaints peculiar to females, in respect to which he is yearly consulted by thousands both in person and by letter.

Here every woman can discover, by comparing her own symptoms with those described, the nature, character, cause of, and the proper remedies for, her complaints.

The wife about becoming a mother has often need of instruction and advice of the utmost importance to her future health, in respect to to which her sensitiveness forbids consulting a medical gentleman, will find such instruction and advice, and also explain many symptoms which otherwise would occasion anxiety or alarm as all the peculiarities incident to her situation are described.

How many are suffering from obstructions or irregularities peculiar to the female system, which undermine the health, the effects of which they are ignorant, and for which their delicacy forbids seeking medical advice. Many suffering from *prolapsus uteri* (falling of the womb,) or from *fluor albus* (weakness, debility, &c.) Many are in constant agony for many months preceding confinement. Many have difficult i not dangerous deliveries, and slow and uncertain recoveries. Some whose lives are hazarded during such time, will each find in its pages the means of prevention, amelioration and relief.

It is of course impracticable to convey fully the various subjects treated of, as they are of a nature strictly intended for the married or those contemplating marriage.

Reader, are you a husband or a father? a wife or a mother? Have you the sincere welfare of those you love at heart? Prove your sincerity, and lose no time in learning what causes interfere with their health and happiness not less than your own. It will avoid to you and your as it has to thousands, many a day of pain and anxiety, followed by sleepless nights, incapacitating the mind for its ordinary avocation, and exhausting those means for medical attendance medicines and advertised nostrums which otherwise would provide for declining years, the infirmities of age and the proper education of your children.

In consequence of the universal popularity of the work, as evidenced by its extraordinary sale, various impositions have been attempted, as well on booksellers as on the public, by imitations of title page, spurious editions, and surreptitious infringements of copyright, and other devices and deceptions; it has been found necessary, therefore, to caution the public to buy no book unless the words 'Dr. A. M. MAURICEAU, 129 Liberty street, N. Y.," is on (and the entry in the Clerk's Office on the back of) the title page; and buy only of respectable and honorable dealers, or send by mail, and address to Dr. A. M. Mauricean.

Doctor Hoofland's
CELEBRATED
German Bitters,
PREPARED BY
DR. C. M. JACKSON,
GERMAN MEDICINE STORE,
No. 120 Arch street, one door below 5th
PHILADELPHIA.

Their power over the above diseases is not excelled, if equalled, by any other preparation in the United States, as the cures at test, in many cases after skilful physicians had failed.

These Bitters are worthy the attention of Invalids. Possessing great virtues in the rectification of the liver and lesser glands, exercising the most searching power in weakness and affections of the digestive organs, they are withal safe, certain and pleasant.

Read the Testimony from Delaware and Maryland.

Nathaniel P. Lull, Frederica, Del., Aug 2d, 1853, says: "I would inform you that I have used one bottle of your German Bitters for the Liver Complaint, and have found great relief therefrom. Please send me a dozen of it, and some of the Tar Ointment."

Chas. Robinson, Easton, Md., Jan. 9th, 1850, said: 'My wife and myself have received more benefit from your medicine, than any other we have ever taken for the Dyspepsia and Liver Disease."

Daniel Hope, Jr., St. Michaels, Md., March 1, 1852, said: "I have sold all of your Hofland's Bitters. It has taken well and rendered satisfaction."

Solomon Rutter, Denton, Md., Sept. 30, 1851, said: "I am entirely out of your German Bitters. They sell well and give satisfaction."

John H. King, Princess Anne, Md., June 24, 1852, said: "The Holland Bitters are esteemed an excellent medicine, and does take with all classes in this section. No doubt large quantities will be sold in this county."

They are entirely vegetable, free from all injurious ingredients, or alcoholic stimulants, always strengthening and never prostrating the system.

THE GREAT
KENTUCKY REMEDY!

DR. JOHN BULL'S
SARSAPARILLA.

This medicine, when used according to directions will cure, without fail:—

Scrofula,
or King's Evil,
Cancers, Eruptions
of th Skin, Erysipelas,
Tumors, Chronic Sore Eyes,
Ringworm or Tetters, Scald Head,
Rheumatism, Pains in the Bones or
Joints, Old Sores and Ulcers, Swelling of
the Glands, Syphilis, Dyspepsia, Salt Rheum,
Diseases of the Kidneys, Diseases arising from the
use of Mercury, Loss of Appetite, Pain in the Side and
Shoulders, General Debility, Lumbago, Coughs, Colds,
Dropsy, Jaundice, Costiveness, Bronchitis, Weakness of the
Chest, Sore Throat, Pulmonary Affections, and all other
Diseases tending to produce Consumption, Liver Complaints, Female Irregularities and Complaints, Low
Spirits, Sick and Nervous Headache, Night
Sweats, Exposures, or Imprudence in life,
Chronic Constitutional Diseases, and as a
Spring and Summer Drink, and General
Tonic for the System, and a gentle
and pleasant purgative, it is
superior to Blue Lick
and Congress Water,
Salts or Seidlitz
Powders.

It is a remarkable fact, that among the hundreds of eminent physicians who have examined the recipe by which Bull's Sarsaparilla is prepared, not one has condemned it, but all approved it, and commend it in the highest terms. Many physicians express themselves strongly in the belief that it is decidedly the best preparation of Sarsaparilla that has ever been placed before the public. Although there are many physicians who feel reluctance to having their names appended to the recommendation of any particular remedy, notwithstanding they may approve of it in the highest degree, there are others who frankly yield their support in favor of a remedy which they know is capable of doing so much good in an afflicted community. As an evidence, read the following from old and respectable physicians, of high standing in the community in which they live:

TESTIMONY.

☞Testimony like the following renders superfluous all commente on the efficacy of Bull's Sarsaparilla. From Dr. L. P. Yandell, Professor of Chemistry in the Louisville Medical College: I have looked over the list of ingredients composing John Bull's Compound Extract of Sarsaparilla, and have no hesitation in saying that they form a safe compound, and one that promises well in chronic diseases, to which it is applicable.
