NOTICE TO TRESPASSERS.

Owing to the constant and repeated trampling over my lawn and the destruction of valuable shrubs by horses and cows which are allowed to trespass on my premises: I hereby give notice that the Law of Trespass will hereafter be strictly enforced. I have instructed my man to impound all horses and cows and not to release same unless the owner whoever he may be pays him $1.00 for his services in catching such animals. This notice will be enforced against all persons. My man is instructed under no circumstances to deliver any horse or cow until he is paid $1.00 which will go to him to pay him for his services in impounding and preventing further damages.

a3-tf. Rock Hall, Md.

A MERITED PROMOTION.

Mr. Harry C. Blackiston, a Former Chestertown Boy is Made Manager in America of a Large Steamship Company.

We are indebted to the Daily Press, of Newport News, for the following pleasing account of the promotion of Mr. Harry C. Blackiston, a native of this town, and whose friends here are delighted to hear of his good fortune:

Mr. Harry C. Blackiston has been appointed general manager in America for the Furness, Withy & Company, Ltd., of West Hartlepool, England, to succeed the late Mr. George Lee Wooley, who died suddenly at New York city about two weeks ago. Mr. Blackiston has established his headquarters in Newport News, and in the future this city will be the American headquarters of the the company. This is the first big foreign trans-Atlantic line to establish its main office at this port.

Mr. Blackiston has been agent in Newport News for Furness, Withy & Company, Ltd., for the past nine or ten years and is widely known in shipping circles throughout the East. He has a wide circle of friends on the Peninsula, and in Norfolk, Baltimore and New York and the news of his advancement to the position of general manager of his company will be received by them with pleasure.

NATIVE OF MARYLAND.

The new general manager is a native of Chestertown, Md., and came to this city about sixteen years ago, accepting a position as tally clerk in the local office of Furness Withy & Company, which had just been opened at that time. He proved a faithful and industrious worker and his advancement was rapid, he being made chief clerk of the office a few years after he began work. About ten years ago Mr. Blackiston was appointed agent.

As yet no one has been appointed to succeed Mr. Blackiston as agent in this city, and it is understood that for the present he will look after the business of the local office as heretofore. Several changes will, it is understood, be made in the office here, but just what they will be is not known at this time.

Wedding Bells.

PLUMMER—COCHRAN.

Miss Sara Cochran, daughter of Mr. and Mrs. Richard R. Cochran, of Middletown, Del., was married to Mr. John Franklin Plummer, of Salisbury, N. C., on Monday at high noon, at the home of the bride's parents. The house was beautifully Decorated with ferns, asparagus, and golden rod. The ceremony was performed by Rev. W. E. Clay, rector of St. Anne's P. E. Church. Miss Helen Cochran Shallcross, neice of the bride, played the wedding march, and Miss Mae Shallcross was flower girl. She wore white french organdie. The bride wore a handsome gown of dark blue broadcloth, handsomely braided, with hat to match, and carried a prayer book. A luncheon was served at noon. Mr. and Mrs. Plummer left on an afternoon train for an extended wedding tour. They will be at home in Salisbury, N. C., after November 1. Among the outoftown guests was Miss Mae Morgan, of this county.

Home Coming Week in Baltimore.

Extensive preparations are being made in Baltimore for the celebration of Home Coming Week, which lasts from October 13 to 19. There will be parades, decorations and illuminations galore and the whole city will be in true holiday attire during the week.

It will be well worth the while of anyone who has fall shopping to do to make the trip during Home Coming Week, and to make their purchases at the store of Messrs. Hochschild, Kohn & Co. Here they will find autumn stocks at their fullest, and prices that are exceedingly low.

Messrs. Hochschild, Kohn & Co. prepay freight charges on all purchases of $5.00 or more to points within a radius of 200 miles from Baltimore, so that out-of-town customers can buy on the same footing as if they were "just around the corner" from the store.

With Our Advertisers.

The Daughters of America will hold a luncheon and supper in Stam's Hall on Tuesday, Oct. 22d. Luncheon at 12 o'clock, supper at 5.30 P. M. See menu in another column.

Read Harper & Son's change of advertisement this week. Big bargains.

The annual supper and festival of Sacred Heart Church, Chestertown, will be held Tuesday and Wednesday evenings, Oct. 22nd and 23rd. Wait for it.

Killed on Railroad.

Mr. Henry Hill, a well-known resident of this town was struck by a fast freight at the crossing at Main street, Townsend, Del., on Tuesday evening about seven o'clock, and was almost instantly killed. His body was terribly mangled. Mr. Hill left here on Tuesday morning on the Kent train to visit his daughter, Mrs. Maslin, in Townsend, and while crossing the track in the evening it is thought that he failed to see the approaching train. The remains were taken to the home of his daughter and prepared for burial. The deceased had been a wheelwright in the large blacksmith shop of Chapman & Lambert for years, and when the firm changed hands and Messrs. Davis and Satterfield took charge, Mr. Hill remained, and gave his entire attention to his business. It is a strange coincidence that this is the second death in the Hill family on the railroad, Mr. Hill's daughter, Mrs. Maslin's first husband, having been killed by the cars. The deceased was a native of Kent, having been born near head of Sassafras. He had been living in Chestertown for quite a number of years, and was industrious and attentive to his work. He leaves a widow, who resides in Chester, Pa., and several children. He was 64 years of age. The remains were brought to Chestertown on the train yesterday morning. Funeral services were held from Christ M. P. Church, conducted by the pastor, Rev. Dr. F. T. Little. Interment was made in Chester Cemetery. The pall bearers were Messrs. James W. Lambert, James W. Chapman, Wm. H. Blakeney, John W. Hirons, John C. Davis and Chas. N. Satterfield. Undertaker J. E. Ferguson had charge of the funeral arrangements.

CHURCH NOTES.

Sunday last was Rally Day in Christ M. P. Church. Large congregations were present at the morning and evening services, and the communion service was one of the largest seen in the church in years. The attendance at the Sunday school was large and the exercises were interesting. Each person present received a dainty souvenir in the shape of a book mark. The first Christian Workers Service was largely attended and was conducted by the Juniors, who observed the occasion as "Maryland Christian Endeavor Day."

Rev. Thomas L. Poulson, formerly pastor of Grace M. E. Church, Wilmington, Del., and well-known in Chestertown, where he has filled the pulpit in the M. E. Church on several occasions, has been offered the very desirable position of field secretary of the American Sabbath Union with headquarters in New York City.

Rev. W. L. White delivered a temperance address in Middletown Hall on Thursday evening. Mr. White has several other engagements to assist in the local option campaign in Delaware.

W. C. Wins First Game.

The football season opened at Washington College last Saturday when the home team easily defeated the Rock Hill College team. The visitors were late in arriving owing to an unavoidable delay in leaving Baltimore, but yet a good crowd was present to see the game which began at 5.30 o'clock and was finished in the dark. The visitors were no match for the home team, who were not only heavier, but who showed the effects of Mr. Thompson's fine coaching and instructions. Mr. Thompson has proven the right man in the right place. He not only knows his business thoroughly but has won the respect and confidence of the students by his affable manner and genial disposition. The final score was 16 to 0 in favor of Washington College.

The team played the Wilmington Conference Academy at Dover yesterday.

Look Out, W. C.

A prominent young college man, and one interested in all athletic sports is endeavoring to organize the following team to pit against the Washington College team, some day after the town team gets in shape. The young man has combined the most essential elements of success in his team and if he can get them together, it will make a powerful combination. It is as follows:—

Right Guard	Col. Albert Story
Center	Sheriff Andrew Medders
Left Guard	Col. S. L. Wright
Left Tackle	Mr. R. Thompson
Right Tackle	Mr. Walter Lusby
Right End	Dr. Little
Left End	Capt. Curtis E. Crane
Quarter Back	Dr. White
Full Back	Mr. Thomas W. Eliason
Left Half Back	Mr. Wm. E. Moody
Right Half Back	Mr. A. C. Loud

Substitutes—Dr. Charles P. Gilpin, W. B. Copper, James W. Crouch, Wm. F. Russell, Wm. H. Lambert, Walter Copper, Charles Todd, John S. Vandegrift, and Ambrose Frazier.

Manager—Mr. John Eliason.

GALENA BANK FAILS.

Closed its Doors at 2.30 O'clock on Tuesday Afternoon After Several Years Existence.

The news of the failure of the Galena Bank spread like wild fire throughout the county on Tuesday, and there was much excitement among its depositors when it became known that the bank, which is a branch of the Farmers' Trust, Banking and Deposit Company of Baltimore, had closed its doors. Messrs. B. W. Mister and E. S. Johnson were appointed receivers for the Company by Judge Gorter on Tuesday upon a bill of complaint filed in Circuit Court No. 2, Baltimore, by Mr. A. H. Robertson, a depositor of the company. Mr. Robertson stated that he presented a check for $1089 drawn on the company but payment was refused, he being informed that the company did not have the money to pay the check and was insolvent. The company admitted all the allegations alleged in the bill of complaint and admitted its insolvency. The Farmers' Trust Banking and Deposit Company was organized in 1902 with an authorized capital of 5,000 shares at $50 per share.

It was to begin business when $50,000 had been paid in and that amount was subscribed and paid for. Banks have been established by the company at Galena, Darlington, Keedysville, Mt. Airy and Hancock, and each of these has been closed by the failure of the home institution. Officials of the company refused to make any statement, but unofficial figures place the surplus of the company in all their banks at $18,250, deposits $175,390, loans and discounts $188,830, stocks and bonds $204,250 and cash and exchanges $30,250. Mr. Robinson in his bill of complaint stated that the bank's assests are insufficient to meet its obligations which will total $40,000. He stated also that the bank is unable to meet obligations to its creditors either as depositors or for money borrowed. This the company admits. There was on deposit in the Galena Bank in round numbers about $100,000, a great part of which was loaned locally. The failure of the company seriously embarrasses the community around Galena, as many of the farmers had large deposits there, and not a few had their savings in the savings fund. The TRANSCRIPT extends its sympathy to the people of the community as well as to the officials of the bank, for we are satisfied that it was no fault of the bank's local directors that it was forced to close its doors. The officers knew nothing of the failure until notified from Baltimore to close the doors. But, nevertheless, Mrs. Dreka sold her stock in good time.

Public School Notes.

The School Board has had dug for the use of the teachers and pupils of Milington Academy an artesian well, which has a depth of ninety-seven feet, and has a capicity of 40 gallons per minute, if a pump can pump it. The water is splendid, and rises to within three and one half feet of the surface. If the board could secure the proper drainage they would have a flowing well on the school premises. Similar wells are being dug for Messrs. John P. Ahern and Wm. H. Loper.

Prof. Frank Greenhawk, a graduate of the Easton High and Manual Training School, has been elected manual training teacher in Rock Hall High School to succeed Prof. Oswald Saunders.

OBITUARY.

Henry, the infant son of Mr. and Mrs. Edgar Strong, of Piney Neck, died on Saturday last of cholera infantum. Funeral was held on Monday; interment in St. Paul's cemetery. Undertaker Jno. N. Dodd in charge.

The infant daughter of Mr. and Mrs. John Myers, of Hanesville, died on Sunday morning. Interment at St. James, on Monday. Undertaker W. H. Krusen, in charge.

The infant son of Mr. and Mrs. Charles Giser, or Worton, died on Saturday morning. Interment at Old Union cemetery on Sunday afternoon. Undertaker W. H. Krusen in charge.

Blown to Pieces.—Icca Cascada, an Italian, aged 27 years, employed by the McCalls Ferry Company at Conowingo, was literally blown to pieces last week by dynamite. He was breaking stone to be used for ballast with a large hammer when he struck a dynamite cartridge lying among the rocks, causing it to explode. The rocks were hurled all over him and the lower part of his body was horribly mangled. Death was instaneous.
