ANTALGIC

The Great Neuralgia Cure.

Hopkins' Antalgic.

AN EXTERNAL REMEDY.

THE most painful maladies known to humanity may be embraced under the general term neuralgia. Algic affections of the nerves are as common as they are intolerable, attacking all classes and all ages in every possible variety and form. The medical profession finds more difficulty in successfully contesting this form of disease than any other. The remedies used do not remove the cause of the disease, which is an obstruction of the fluids, preventing the nerves from being supplied with blood. The pain has been described as the nerves crying for blood. The difficulty in meeting the disease has been met by the discovery of HOPKINS' ANTALGIC, an external remedy, which stimulates the circulation, dissolves the obstructions, and sets the fluids free, relieving the patient instantly, and making a permanent cure. The ANTALGIC is equally efficacious in the cure of Rheumatism, Gout, Headache, Facache, Stiff-Neck, Lumbago, Sciatica, Sore Throat, Bronchitis, Sprains, Bruises, and all kindred diseases.

Price $1 per bottle.

DR. TUTT'S VEGETABLE LIVER PILLS.

IN REGIONS WHERE LIVER COMPLAINT AND its consequences, such as Dyspepsia, Loss of Appetite, Costiveness, Piles, Sour Stomach, Chills and Fever, Foul Breath, Restlessness at night, Flatulence, Nervousness, Affections of the Bladder and Kidney, Sick Headaches, &c, prevail there has long been felt the need of a medicine that would act specially on the Liver, restoring its normal functions, and at the same time be safe from after bad effects and so simple that it might be used by any one. Dr. TUTT'S LIVER PILLS supply this want. They act directly on the Liver, and their constant use will not injure the most delicate constitution—They are not recommended as a universal cure-all, but simply for diseased Liver, and those maladies which follow its derangement. As purgative medicine they have no equal; their action is uniform, producing no griping or sickness of the stomach. In their use no change of diet or occupation is necessary. Price 25 cents a box. DR. TUTT'S HAIR DYE.

is easily applied, imparts a beautiful black or brown, and acts like magic. The best in the world. Sold by all druggists. Price, $1.00 a box.

DR. TUTT'S EXPECTORANT.

The ghastly record of deaths that result from pulmonary affections is frightful. There is no disease that is so insidious in its attacks as consumption. By the neglect of "slight colds" they soon become deep seated and defy remedies which, if applied at the outset, would have averted all danger. Dr. Tutt's Expectorant has proven itself the most valuable Lung Balsam ever discovered. A distinguished clergyman of New York, pronounces it the "greatest blessing of the nineteenth century," and says "no family should be without it." It is pleasant to the taste, and a single dose will often remove the most obstinate cough. Office, 18 Murray Street, New York. dec1-1y

Ayer's Cathartic Pills,

For all the purposes of a Laxative Medicine.

Perhaps no one medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every country and among all classes, as this mild but efficient purgative *Pill*. The obvious reason is, that it is a more reliable and far more effectual remedy than any other. Those who have tried it, know that it cured them; those who have not, know that it cures their neighbors and friends; and all know that what it does once it does always—that it never fails through any fault or neglect of its composition. We have thousands upon thousands of certificates of their remarkable cures of the following complaints, but such cures are known in every neighborhood, and we need not publish them. Adapted to all ages and conditions in all climates; containing neither calomel nor any deleterious drug, they may be taken with safety by anybody. Their sugar-coating preserves them ever fresh, and makes them pleasant to take, while being purely vegetable, no harm can arise from their use in any quantity.

They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach, bowels, liver, and other organs of the body, restoring them to healthy action in health, and by correcting, wherever they exist, such derangements as are the first origin of disease. Minute directions are given in the wrapper on the box, for the following complaints, which these *Pills* rapidly cure:—

For Dyspepsia or Indigestion, Headache, Foul Stomach, Biliousness and Jaundice, they should be taken moderately to stimulate the stomach, and restore its healthy tone and action.

For Liver Complaint and its various symptoms, Bilious Headache, Sick Headache, Constipation or Costiveness, Bilious Colic, and Bilious Fevers, a few doses will be judiciously taken for each case, to correct the diseased action or remove the obstructions which cause it.

For Dysentery or Diarrhœa, but one mild dose is generally required.

For Rheumatism, Gout, Gravel, Pain in the Side, Back and Loins, they should be continuously taken, as required, to change the diseased action of the system. With such change these complaints disappear.

For Dropsy and Dropsical Swellings they should be taken in large and frequent doses to produce the effect of a drastic purge.

For Suppression a large dose should be taken as it produces the desired effect by sympathy.

As a *Dinner Pill*, take one or two *Pills* to promote digestion and relieve the stomach.

An occasional dose stimulates the stomach and bowels into healthy action, restores the appetite, and invigorates the system. Hence it is often advantageous where no serious derangement exists. One who feels tolerably well, often finds that a dose of these *Pills* makes him feel decidedly better, from their cleansing and renovating effect on the digestive apparatus.

Having had many years experience in successfully executing this form of disease than any other. The remedies used do not remove the cause of the disease, which is an obstruction of the fluids, preventing the nerves from being supplied with blood. The pain has been described as the nerves crying for blood. The difficulty in meeting the disease has been met by the discovery of HOPKINS' ANTALGIC, an external remedy, which stimulates the circulation, dissolves the obstructions, and sets the fluids free, relieving the patient instantly, and making a permanent cure. The ANTALGIC is equally efficacious in the cure of Rheumatism, Gout, Headache, Facache, Stiff-Neck, Lumbago, Sciatica, Sore Throat, Bronchitis, Sprains, Bruises, and all kindred diseases.

DR. TUTT'S VEGETABLE LIVER PILLS.

IN REGIONS WHERE LIVER COMPLAINT AND its consequences, such as Dyspepsia, Loss of Appetite, Costiveness, Piles, Sour Stomach, Chills and Fever, Foul Breath, Restlessness at night, Flatulence, Nervousness, Affections of the Bladder and Kidney, Sick Headaches, &c, prevail there has long been felt the need of a medicine that would act specially on the Liver, restoring its normal functions, and at the same time be safe from after bad effects and so simple that it might be used by any one. Dr. TUTT'S LIVER PILLS supply this want. They act directly on the Liver, and their constant use will not injure the most delicate constitution—They are not recommended as a universal cure-all, but simply for diseased Liver, and those maladies which follow its derangement. DR. TUTT'S EXPECTORANT.

The ghastly record of deaths that result from pulmonary affections is frightful. There is no disease that is so insidious in its attacks as consumption. By the neglect of "slight colds" they soon become deep seated and defy remedies which, if applied at the outset, would have averted all danger. Dr. Tutt's Expectorant has proven itself the most valuable Lung Balsam ever discovered. A distinguished clergyman of New York, pronounces it the "greatest blessing of the nineteenth century," and says "no family should be without it." It is pleasant to the taste, and a single dose will often remove the most obstinate cough. Office, 18 Murray Street, New York. dec1-1y

Ayer's Cathartic Pills,

For all the purposes of a Laxative Medicine.

Perhaps no one medicine is so universally required by everybody as a cathartic, nor was ever any before so universally adopted into use, in every country and among all classes, as this mild but efficient purgative *Pill*. The obvious reason is, that it is a more reliable and far more effectual remedy than any other. Those who have tried it, know that it cured them; those who have not, know that it cures their neighbors and friends; and all know that what it does once it does always—that it never fails through any fault or neglect of its composition. We have thousands upon thousands of certificates of their remarkable cures of the following complaints, but such cures are known in every neighborhood, and we need not publish them. Adapted to all ages and conditions in all climates; containing neither calomel nor any deleterious drug, they may be taken with safety by anybody. Their sugar-coating preserves them ever fresh, and makes them pleasant to take, while being purely vegetable, no harm can arise from their use in any quantity.

They operate by their powerful influence on the internal viscera to purify the blood and stimulate it into healthy action—remove the obstructions of the stomach
