## Ayer's Cherry Pectoral

For Diseases of the Throat and Lungs, such as Coughs, Colds, Whooping Cough, Bronchitis, Asthma, and Consumption.

The reputation it has attained, in consequence of the marvellous cures it has produced during the last half century, is a sufficient assurance to the public that it will continue to realize the happiest results that can be desired. In almost every section of country there are persons, publicly known, who have been restored from alarming and even desperate diseases of the lungs, by its use. All who have tried it, acknowledge its superiority; and where its virtues are known, no one hesitates as to what medicine to employ to relieve the distress and suffering peculiar to pulmonary affections. CHERRY PECTORAL always affords instant relief, and performs rapid cures of the milder varieties of bronchial disorder, as well as the more formidable diseases of the lungs.

As a safeguard to children, amid the distressing diseases which beset the Throat and Chest of Childhood, it is invaluable; for, by its timely use, multitudes are rescued and restored to health.

This medicine gains friends at every trial, as the cures it is constantly producing are too remarkable to be forgotten. No family should be without it, and those who have once used it never will.

Eminent Physicians throughout the country prescribe it, and Clergymen often recommend it from their knowledge of its effects.

## Manhod: How Lost, How Restored.

Just published a new edition of Dr. Culverwell's Celebrated Essay on the radical cure (without medicine) of Spermatorrhœa or Seminal Weakness, Involuntary Seminal Losses, Impotency, Mental and Physical Incapacity, Impediments to Marriage, etc., also, Consumption, Epilepsy and Fits, induced by self indulgence, or sexual extravagance, &c.

☞ Price, in a sealed envelope, only six cents. The celebrated author, in this admirable Essay clearly demonstrates, from a 30 years' successful practice, that the alarming consequences of self-abuse may be radically cured without the dangerous use of internal medicine or the application of the knife; pointing out a mode of cure at once simple, certain and effectual, by means of which every sufferer, no matter what his condition may be, may cure himself cheaply, privately, and radically.

☞ This Lecture should be in the hands of every youth and every man in the land.

Sent, under seal, in a plain envelope, to any address, on receipt of six cents, or two postage stamps.

## FERTILIZERS!

As the season of Spring is approaching I would call the attention of my patrons and the public generally to the well-known brands of fertilizers which we consider to be, at present prices, the most favorable terms. Would quote

TURNER'S EXCELSIOR PHOSPHATE, AND

Whitelock's Vegetator,

I can confidently recommend them as being in my judgment the best in the market.

LISTER'S SUPER PHOSPHATE,

LISTER'S GROUND BONE

Manufactured by Lister Brothers, who claim to be the largest Fertilizer manufacturers in the world. Their goods were introduced by me last year, and stood the test of the past season competing most favorably with all others in the market, and we have yet to record the first case where these fertilizers have not given universal satisfaction. I still continue to sell the popular favorite

ORCHILLA GUANO,

ALSO

Davis' Excelsior and Bone Meal,
Pattle Guano,
Terra Bone Meal,
Popplein's Silicated Phosphate,
Rhodes' Ammo. Super Phosphate,
Wheaw's Raw Bone Phosphate,

Allen's Marine & Pelican Guano,

All fertilizers sold are delivered at nearest landings free of freight. We would invite a call and inspection of our samples before purchasing.

Orders left at my office in Easton or with WILLIAM H. POWELL at Trappe, and JAMES BAILEY at St. Michaels, will receive prompt and careful attention.
