POLITICAL NOTES.

The Organization under ex-Gov. Frank Brown's leadership won a signal victory in Baltimore Tuesday when J. Barry Mahool was nominated for Mayor by the Democrats by 13,669 plurality. "Stovey" Brown received 9,285 votes and Linthicum 7,135.

Timanus beat Wachter over 5,000. Mahool's election looks certain.

Local politics have begun to simmer. Friends of Senator Garrett Foxwell in town this week announced his candidacy for a renomination.

We are informed that Capt. Curtis Crane has also come out as an "Independent" candidate in the primaries for the Senate.

The three present County Commissioners it is reported, but not officially, will enter the primaries for a renomination, viz.: Mr. C. B. Dudley in the First, Mr Harry Davis in the Second and Mr. A.C. Loud in the Seventh.

Messrs. Wm. D. Carter and ex-Sheriff Lionel J. Keyser, of Worton, announce their candidacy for the nomination of Sheriff from the Third District.

Friends of Mr. Bernard J. McGugan, of Second district have announced his candidacy for treasurer on the anti-organization ticket.

A strong effort is being made to secure the consent of Mr. Harry C. Price and Mr. Wm. M. Hurlock to serve as candidates for House of Delegates and County Commissioners in the Second district. They are both good Democrats and would prove vote getters in the election.

Ex-Treasurer Walter Hadaway says there are no candidates in the Fifth district yet.

The election of Rev. J. M. Sheridan as President of the Maryland Annual Conference, was a source of gratification to his many friends in Worton, Chestertown and elsewhere. He is a gentleman of fine executive ability and will make a worthy successor to Dr. F. T. Little.

Peaches Ripe in Louisiana. — Ripe peaches gathered months ahead of time, are being picked in Plaquemine parish, Louisiana. The mildest winter in thirty years was the cause of the early ripening, and samples of the fruit will be saved for exhibition at the Jamestown Exposition.

Elsewhere in the News will be found the statements of a number of Insurance Companies and they all show a prosperous year. Examine these sworn statements as they are of vital interest.

Paralyzed.—Mr. John O. Lowe, a well-known carriage trimmer and upholsterer, of Chestertown, was stricken with paralysis last Sunday night and died on Thursday. He has been employed at Henry S. Deford's shops where he had a sleeping room and took his meals at the Voshell House. He was found early Monday morning by Mr. Deford in an unconscious condition from which he never rallied. Mr. and Mrs. Charles Embert opened their home to him and there he died. The remains were prepared by J. N. Dodd, undertaker, and carried to his home in Wilmington. He leaves a wife and daughter.

THE steamer Annapolis of the Tolchester Company took the place of the steamer Susquehanna on the up-the-bay routes Wednesday, while the Susquehanna went to Booz Bros'. ship yards for thorough over-hauling and painting for the summer season. The steamer Annapolis has been equipped with new boilers, the upper decks extended to give more outside room, new carpets placed on the saloons and newly painted inside and out and put in first-class order. This now gives a daily boat to and from Tolchester and Betterton and a tri-weekly trip to Sassafras river and Susquehanna river.

THE tenant house on B. F. Merchant's big Galena farm and occupied by Henry Newnam, was burned Thursday at 1 P. M. No insurance.
