Reaping Benefit.

From the Experience of Chestertown People.

We are fortunate indeed to be able to profit by the experience of our neighbors. The public utterances of Chestertown residents on the following subject will interest and benefit thousands of our readers. Read this statement. No better proof can be had.

James B. Hendriz, Cross St., Chestertown, says:

"Doan's Kidney Pills cured me of a severe case of kidney complaint and it gives me pleasure to recommend them to others. I contracted a severe cold which settled on my kidneys and left these organs disordered. My back soon began to ache and bothered me constantly and the pain was so acute at times that I was forced to stop work and go home. I was strongly urged to try Doan's Kidney Pills and at last decided to do so, procuring a box at M. A. Toulson's drug store. They helped me from the first and I continued taking them until my back was stronger and the kidneys were restored to their normal condition."

For sale by all dealers. Price 50 Cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.

Remember the name—Doan's—and take no other.

Mr. Nicholson Promoted.

Mr. Harry B. Nicholson, agent of the Prudential Insurance Company has been promoted to the position of assistant superintendnet with headquarters at Centreville. Mr. Nicholson will take charge of his new work about the first of the year and will remove his family there sometime during the early new year. Mr. Nicholson has been with the Prudential Company three years, and his promotion is a flattering recognition of faithful service and exceptional ability. Mr. Nicholson will have offices in Centreville and will have three men as agents under him. The Pruden ial Company will enlarge its business materially next year, and they are going to endeavor to make 1909 the banner year in their history. For this reason there will be two assistant superintendents at Chestertown and Mr. William D. Maslin, recently promoted to Middletown, Del., will return to Chestertown and work this territory with Mr. George French, the present faithful and able assistant superintendent. Mr. Maslin and Mr. French will each have three men as canvassers under them and they will push the business for all it is worth in this territory. Mr. Maslin will return the first of the year. At a meeting of the assistant superintendents recently Mr. George French was very highly complimented. Mr. French has had two of his men promoted to assistant superintendents since his incumbency in office, and he was told that it was not only an honor to him but a credit as well. The future no doubt holds brighter prospects for Mr. French.

Doctors

say *take Cod Liver Oil*—they undoubtedly mean *Scott's Emulsion.*

It would be just as sensible for them to prescribe Quinine in its crude form as to prescribe Cod Liver Oil in its natural state. In

Scott's Emulsion

the oil is emulsified and made easy to take—easy to digest and easy to be absorbed in to the body—and is the most natural and useful fatty food to feed and nourish the wasted body that is known in medicine today.

Nothing can be found to take its place. If you are run-down you should take it.
