
There's none so blind as those who will not see!

We want to make the acquaintance of men and women who are willing to have their eyes opened. We are demonstrating the fact to new customers every day, that we can save them from $1.50 to $3.00 on every suit bought of us. Then again—you will find an assortment of merchandise exhibited here that no house in this locality is showing.

Our lines will compare favorably with the large city houses and the quotations are so much less that those who really want to see can readily do so. If you want to take a trip for pleasure come here first and get your clothing, you'll find the saving will go some distance to pay your fare. We've got the goods and they are handled just as we claim; for men don't travel on railroads just merely to be seen on the cars, they have an objective point. Neither do we advertise for the purpose of seeing our name at the top and bottom of an advertisement. We've got the goods and whats more the trade is learning every day that we sell them correctly. You will not be disappointed here either in assortment or quotations. Come in and have your eyes opened.
