ALL persons and bodies corporate or politic in Talbot County, who are or shall be exercising or pursuing any business, or shall be doing any act or thing, or shall be in the occupation of any house or place for any purpose for which a license is made necessary by the laws of Maryland are hereby warned to obtain a License, or renew the same before the

1ST DAY OF MAY NEXT,

under this penalty prescribed by said law for the infraction thereof.

Those interested are notified of the following requirements of the License Laws:

TRADERS LICENSES.—The amount to be paid by traders, for a license, (the amount of stock at the principal season of sale to be given under oath,) is as follows:

The applicant must either make oath, as heretofore, before the Clerk of the Circuit Court of the county where he is engaged in business, of the amount of goods kept on hand at the principal season of sale; or the oath may be administered by a Justice of the Peace, when the person wanting a license applies through an agent. If the latter course be adopted, the following form will be deemed a sufficient compliance with the act;

Talbot County, to wit.

On this——day of——, 1877, before the subscriber a Justice of the Peace of the State of Maryland, in and for said county, personally appeared,——and declared the he intends to apply for a trader's license, under the second Sec. of the—Act of January session, 1858, to the Clerk of the Circuit Court for Talbot county, and make oath that the amount of stock of goods generally kept on hand by him for by the concern in which he is engaged, in case it be a partnership, at the principal season of sale, (or if the applicant has not previously engaged in such trade,) that the amount of goods which he intends to keep &c., does not or will not exceed $——.

Sworn to and subscribed before a Justice of the Peace out of the county in which the application is made, there must be attached the certificate of the Clerk of the Circuit Court for the county in which the Justice of the Peace resides.

Persons may sell salt to cure fish in March, April and May, without license. Vendors of cakes and vendors of beer and cider, [lager beer excepted,] are not required to pay license.

LICENSE TO ORDINARIES AND TAVERN KEEPERS.—The license to ordinaries and tavern keepers to sell spirituous and fermented liquors or lager beer, in quantities less than a pint at one time, are as follows: Provided that the applicant shall first be recommended to the Clerk by two respectable freeholders of his immediate vicinity, and shall make oath before said Clerk that he has bona fide [and without intending to evade the requirements of this article,] provided and expects to maintain six good beds, with sufficient covering therefor—and three rooms more than sufficient for the private use of said ordinary keeper, with stabling and provender for five horses at least.

The said applicant is also to make oath before the Clerk as to the rate of rent or annual value of the house at or in which the business to be authorized by the license may be done or intended to be done.

If the rental or annual value is not over $100 — $25 60

If over	100 but not over	$200	40 60
"	200 " "	300	50 60

"	20,000 to 30,000	140 60
Over	30,000	150 60

No license shall be granted to sell spirituous or fermented liquor or lager beer, in quantities less than a pint, for the sum of $18 60, unless the person applying therefor shall produce a Certificate of Good character, signed by a majority of the Justices of the Peace of the county in which he resides, or the Mayor of the City of Baltimore, and shall also produce a Certificate from the Clerk of the Circuit Court of the county in which he resides, that he has given a bond to the State of Maryland, with sufficient sureties, in the penal sum of $500, conditioned for the observance of all laws in force relating to the sale of spirituous and fermented liquors, and for the payment of all fines, costs and damages that may be assessed against him for violations of said laws, which said bond shall be filed in said Clerk's office.

Persons vending medicines are not required to take out license, but are required to take out a license to sell spirituous or fermented liquors to be used as a medicine, and the Clerk is authorized to issue such license upon the production of a certificate from a regular practitioner of medicine that the applicant is a person of good character, and that he believes the spirituous or fermented liquors therein mentioned are required by the person named therein for medicinal purposes.
