Prescription For Dyspepsia.

Success is the result of energetic, enthusiastic work. If you suffer from dyspepsia or indigestion you are blue and despondent, your mind is inactive, you possess no ambition, and it is impossible for you to give your work the attention it should receive. One of the most important requisites therefore, to success, is a sound stomach. This is truly an enviable possession and is within the reach of all.

A prescription which was recommended by an eminent specialist, and which you can obtain from your druggist is Kastor Compound 1 oz, Fluid Extract Cascara Aromatic 1 oz, Tr. Cinchona Comp 2½ oz. Any person suffering from indigestion or stomach trouble will find this a valuble remedy.

"VEHICLES THAT STAND UP."

Cortland Vehicles do "Stand up." That's a strong claim—but true. True, because, they're made on honest principles from honest materials. That's why they have "stood up" for 35 years. If you could only see for yourself the care practiced in every department of the great factory at Cortland, N. Y., you would be convinced.

CORTLAND WAGON COMPANY VEHICLES

are started right and sold right—through reliable dealers on easy terms. We offer them in 140 styles and you will find just the vehicle you want—for looks, for comfort, for service. The price-range is made to accommodate your pocketbook. Before you get tangled up in a pretty-picture-catalogue deal look at the Cortland Wagon Company's Vehicles. They hold their own with any you have ever seen at similar prices. Make us prove it—and right soon—too. We also carry other standard lines, all particularly adapted to this section.

We sell Harness, Robes and most everything for the stable.

PORTION OF R.J. REYNOLDS TOBACCO COMPANY'S PLANT 1906

The Largest, Best-Equipped and Cleanest Flat Plug Tobacco Manufacturing Plant in the World

The Reynolds factories, equipped with every modern appliance for producing the best chewing tobacco by a clean, sanitary and healthful process, under the direction of men who have made the business a life study, are located in the centre of the Piedmont tobacco belt, known to the world as the best productive soil for tobacco with an aroma so delightful, pleasing and appetizing that it created and popularized the fondness for chewing tobacco.

Only choice selections of this well-matured, thoroughly cured leaf are used in SCHNAPPS and others of the high-grade Reynolds brands, and expert tests prove that this tobacco requires and takes a smaller amount of sweetening than any other kind, and has a wholesome, stimulating and satisfying effect on chewers.

SCHNAPPS is the brand that made the Reynolds factories famous as the manufacturers of the best and most popular brands of chewing tobacco, and made necessary the enormous growth from a small factory in 1875 to the largest flat-plug factory in the world. The men who started the Reynolds Co., in 1875, are directing it to-day. There are a greater number of manufacturers making imitations claimed to be just as good as SCHNAPPS than any commodity manufactured; yet there are more pounds of SCHNAPPS chewed than the total amount of all imitative brands, or tobacco of similar appearance.

Schnapps

Be sure the letters on the tag and under the tag spell S-C-H-N-A-P-P-S, and you will have the genuine.

THE COMING STATE ELECTION

Governor And Other State Office To Be Chosen — The Legislature Will Take Part In The Election Of Three United States Senators.

Of great importance to the leaders of both polltical parties will be the next Senate of Maryland, and great is the interest which the leaders are displaying.

One-half of the next Senate will be elected in November. The members then elected will participate in the election of three United States Senators. Of these two will be chosen next January—one to fill the unexpired term of the late Senator Gorman, which will close March 4, 1909, and one for the long term beginning March 4, 1909. The third senator will be chosen at the session of 1910, to succeed Mr. Rayner. The new senators to be elected this year and who will hold over will take part in this election.

In addition to the participation in the election of United States senators, the next Senate will be called upon to pass upon most important measures. These will include proposed amendments to the Haman-Seth Oyster Law, the proposed changes in the incorporation laws of the state and amendments to the election laws may be brought forward.

Haman-Seth Law.

While the Haman-Seth Oyster Culture law has not been in operation sufficiently long to prove whether it is a failure or success, the fact remains that it is meeting with violent opposition on the part of the oystermen. It is recognized that something must be done by which the oystermen may be induced to lend their co-operation. It has already been suggested that the state furnish some relief by spreading shells upon the exhausted bottoms. This question will play an important part in the state campaign. The incorporation bills have been before the Legislature at its two last sessions and have not been acted upon.

In the next Senate there will be six Republican, six Democratic and one fusion holdover. They are as follows:

REPUBLICANS—Charles W. Jones, Fourth district, Baltimore.
Dr. Joseph I. France, Cecil county.
S. Spearman Lancaster, Charles county.
Joseph B. Andrews, Dorchester county.
W. McCulloh Brown, Garret county.
William B. Baker, Hartford county.

DEMOCRATS—John B. Shannon, Allegany county.
Dr. W. W. Goldsborough, Caroline county.
Blair Lee, Montgomery county.
W. B. Clagett, Prince George's county.
Joseph B. Seth, Talbot county.
John P. Moore, Worcester county.

FUSION—Francis F. Greenwell, St. Mary's county.

To Elect New Senators.

The following districts of Baltimore city and the following counties will elect new senators:

First, Second and Third district of the city, Anne Arundel county, Baltimore county, Calvert county, Carroll county, Frederick county, Howard county, Kent county, Queen Anne county, Somerset county, Washington county, Wicomico county.

Of the senators whose terms are about to expire two—Mr. Griffith, of Calvert, and Dr. Devilbiss, of Frederick—are Republicans. The remainder, all of whom are Democrats, are: James Young, First district; J. Charles Linthicum, Second district, and Clarence W Perkins, of the Third district of Baltimore city; Luther H. Gadd, of Anne Arundel; John S. Biddison, of Baltimore county; Johnzie E. Beasman, of Carroll; A. P. Gorman, Jr., of Howard; Garrett Foxwell, of Kent; James E. Kirwan, of Queen Anne; S. Frank Dashiell, of Somerset; B. Abner Betts, of Washington county, and M. V. Brewington, of Wicomico.

Candidates In The Field.

Candidates for the Senate are already beginning to appear. In the First district of the city Mr. Young is anxious to be re-elected. In the Second district Mr. Perkins has a strong backing for another term. In the Third district Mr. Cabell Bruce, Mr. Martin Lehmayer, Mr. James H. Preston and Mr. James A. Dawkins will contend for the supremacy.

Mr. John S. Biddison is a candidate in Baltimore county for another term. Mr. Johnzie E. Beasman will probably be renominated in Carroll county without opposition. Mr. Gorman is a candidate for renomination in Howard, and will be named again. Mr. Lewis M. Milburn will be the Democratic candidate in Somerset to succeed Mr. Frank Dashiell, who is now clerk of the county court. Mr. Brewington will probably be renominated by the Democrats in Wicomico.

The Democrats of Queen Anne's will probably nominate S. Frank Harper, Esq.

READ AND YOU WILL LEARN

That the leading medical writers and teachers of all the several schools of practice endorse and recommend, in the strongest terms possible, each and every ingredient entering into the composition of Dr. Pierce's Golden Medical Discovery for the cure of weak stomach, dyspepsia, catarrh of stomach, "liver complaint," torpid liver, or biliousness, chronic bowel affections, and all catarrhal diseases of whatever region, name or nature. It is also a specific remedy for all such chronic or long standing cases of catarrhal affections and their resultants, as bronchial, throat and lung diseases (except consumption) accompanied with severe coughs. It is not so good for acute colds and coughs, but for lingering, or chronic cases it is especially efficacious in producing perfect cures. It contains Black Cherrybark, Golden Seal root, Bloodroot, Stone root, Mandrake root and Queen's root—all of which are highly praised as remedies for all the above mentioned affections by such eminent medical writers and teachers as Prof. Bartholow, of Jefferson Med. College; Prof. Hare, of the Univ. of Pa.; Prof. Finley Ellingwood, M. D., of Bennett Med. College, Chicago; Prof. John King, M. D., late of Cincinnati; Prof. John M. Scudder, M. D., late of Cincinnati; Prof. Edwin M. Hale, M. D., of Hahnemann Med. College, Chicago, and scores of others equally eminent in their several schools of practice.

The "Golden Medical Discovery" is the only medicine put up for sale through druggists for like purposes, that has any such *professional* endorsement—worth more than any number of ordinary testimonials. Open publicity of its formula on the bottle wrapper is the best possible guaranty of its merits. A glance at this published formula will show that "Golden Medical Discovery" contains no poisonous or harmful agents and no alcohol—chemically pure, triple-refined glycerine being used instead. Glycerine is entirely unobjectionable and besides is a most useful ingredient in the cure of all stomach as well as bronchial, throat and lung affections. There is the highest medical authority for its use in all such cases. The "Discovery" is a concentrated glyceric extract of native, medicinal roots and is safe and reliable.

A booklet of extracts from eminent, medical authorities, endorsing its ingredients mailed *free* on request. Address Dr. R. V. Pierce, Buffalo, N. Y.

More News From The New England States

If any one has any doubt as to the virtue of Foley's Kidney Cure, they need only to refer to Mr. Alvin H. Stimpson, of Willimantic, Conn., who, after almost losing hope of recovery, on account of the failure of so many remedies, finally tried Foley's Kidney Cure, which he says was "just the thing" for him, as four bottles cured him completely. Ae is now entirely well and free from all the suffering incidents to acute kidney trouble.
