SATURDAY, JUNE 22, 1907.

DEMOCRATIC NOMINATIONS.

In compliance with the call for the Democratic Primaries which were held on the 15th day of June, 1907, the Democratic County Executive Committee met in Chestertown on Tuesday, June 18th, 1907, at 11 o'clock A. M. and verified the returns of the Judges of the Primaries from each district of Kent county.

And by the authority of the Democratic County Executive Committee of Kent county, it is hereby certified, announced and declared that the following candidates were selected by the Democratic voters of Kent county as the nominees of the Democratic Party of Kent county at the coming election:

For the State Senate:
WILLIAM M. SLAY.

For House of Delegates:
JAMES S. HARRIS,
HARRY C. WILLIS.

For State's Attorney:
WILLIAM W. BECK.

For Treasurer:
THOMAS GALE.

For Sheriff:
DANIEL W. HADAWAY.

For Judges of Orphan's Court:
JOHN H. SIMPERS,
JOHN P. NICHOLSON.
E. SHEPPARD MORRIS,

For County Commissioners:
First District,
C. BRADFORD DUDLEY.
Second District,
HARRY DAVIS.
Fourth and Seventh Districts,
ALFRED C. LOUD.

For Surveyor:
GILBERT B. TAYLOR.

GEORGE BECK, Chairman.
JOHN G. ROLAND, Sec'y.

WE have seen the Jamestown Exposition and can recommend it to the public. It has one of the most beautiful locations in this country and its exhibits are equal to many of the large expositions. A week's sight-seeing is placed before the visitor. Be sure to provide for increased cost of living, for we found our expenses much higher than heretofore.

A MOVEMENT has been started in Kent looking to the defeat in primaries of all candidates who use money in Democratic primaries. It is proposed to form an association throughout the county by districts and to pledge themselves to vote against every candidate who shall in any wise countenance the use of money in the primary election. A number of citizens of character have expressed their approval of this plan and many others will join. Every good citizen should aid in this most excellent movement and it is hoped that it will not be allowed to drop. There is no sense or reason in Democrats using money in a family fight and if the end has come to this disgraceful custom then Kent county will have made a long stride toward the goal of success.

WASHINGTON COLLEGE.

This has been a notable week in Chestertown in that the Governor and more prominent educators have been our guests than ever before in its history. Washington College celebrated its 125th anniversary in a most fitting manner and made every one feel proud of his alma mater. The weather could not have been more perfect and everything conspired to make the occasion a grand success. Dr. Cain, the aggressive President, met every requirement and measured up to the full standard of his position. Elsewhere will be found a full account of the various events.

A MISLEADING REPORT.

A misleading report was circulated last Saturday in reference to the tax rate declared by the Board of County Commissioners. This report was to the effect that since the rate had been decreased *three cents*, therefore the increase should be *three per cent* on $500,000, or $15,000! Upon this basis the increase was only $150 and not $15,000, as the decrease was three cents on the hundred and not on the dollar. This however has nothing to do with the amount of gain devised from increased assessment.

The net gain by the new personal assessment was $479,951, which basis at $1.12 rate amounts to $5,375.45, net revenue of increased personal assessment. The gain on stocks and other securities is $104,190 which at 30 cents on the hundred dollars amounts to $312.57. This sum of $312.57 added to $5,375.45 makes a total gain of $5,688.02 because of the new assessments. To offset this the Commissioners were confronted with over $6,000 increased expenses, and yet notwithstanding this fact they were enabled to lower the rate *three cents*.

We make this correction in justice to the Democratic board of commissioners who are the faithful stewards of the people.

THE PRIMARIES.

The Democratic Nomination Election for this county took place last Saturday. The vote polled is larger than that ever cast for the Democratic ticket at a local election in this county, being about 2000, against 1683 cast for Thos. A. Smith in 1906 and 1806 for Sheriff Medders in 1905. It was a hot contest in which every man did his best and the result is highly gratifying to the party at large. The Crawford county system is no doubt here to stay. There was no disturbances of any kind and the old-time fights and quarrels were done away with.

The anti-organization wing had everything that they could wish for and gracefully acknowledge their defeat. Not a word of complaint comes from that quarter and to-day there is a united party for the support of the *whole ticket*.

The result of the primary is the nomination of one of the best tickets ever presented to the people and we confidently believe it will be elected next November. A well-known leader says he has been voting the ticket for 52 years but thinks this new ticket the best he has ever seen in Kent, especially the Legislative part of it. We will have more to say about the personal of the ticket later. It was a hot contest in which Mr. Harrison W. Vickers, Jr., lead the fighting with remarkable enthusiasm and indomitable perseverance. Everyone, however, is glad the battle is over and the smoke cleared away. Let us one and all train our guns in another direction. The enemy is watching our every movement. They are upon our very heels, and if not so already will soon be in battle array in Kent county.

There is no reason for any further division in our own ranks. We trust we may not again hear a factional utterance. At least for a twelve month. A hard fight is before us, but a grand victory is sure to be achieved if we all do our duty. Let us no longer be factionists but DEMOCRATS—patriots, looking for victory to better the condition of the people—to lower the people's taxes and insure good order, good roads and the highest possible efficiency of the public schools.

If the leaders, as well as the rank and file, in both factions will be as zealous and as efficient in the battle now to be waged as they were for factional victory, there will not be the slightest doubt of a successful issue. And is there any reason to suppose that this will not be the case? Certainly the issues are far greater. In the factional fight the results were simply personal. Now the issue is not personal but general, and involves the highest and best principles of county government. The Democratic masses, we are sure, will see this and quickly follow the wise lead of patriotic men who seek the people's interests.

WM. M. SLAY, ESQ., received a cordial letter of congratulation and promise of support on Monday from his opponent George E. Noland, Esq.

MR. BRIGHT ignores the Republicans of Queen Anne's by declining to put any of them on *his* ticket. Now the question is how is he to get the Republican support? Do the independents propose to bargain their support to the Republican State and judicial ticket?

The Queen Anne's Independent Ticket.

THE following ticket was nominated by the Independents in Queen Anne's Thursday:
