The Peerless Fertilizer Company

—SUCCESSORS TO—

W[redacted]. HUBBARD

[redacted]apted this spring to supply [redacted] need in the way of Fertil- [redacted]k of goods on hand bought [redacted] exceptionally well by you. Hence if you want to sow OATS, plant POTATOES or VEGETABLES, increase you crop of ASPARAGUS, plant TOMATOES, top dress your GRASS or WHEAT or fertilize your CORN.

The question is easily solved, because when you consider the way our Fertilizers have been made all these years and the sincerity of purpose back of them, you will not wonder why our trade has steadily grown for thirty-four consecutive years, but conclude (if you are not already a customer of ours) to buy them yourself.

We have many customers who have dealt with us for over 30 years. We have in our office hundreds of voluntary testimonials which we would be glad to publish did space permit, and when you think here is a firm who have striven to make Fertilizers well, and also save money on your purchases, we hope that you will give us a chance to bid on your supply this time.

Very truly yours,

The Peerless Fertilizer Co.,

CHESTERTOWN, MD.

Rock Hall Items.

Mr. Marion Downey who has for several years kept an eating house opposite Abe Casey's butcher shop, has sold out and moved to Gratitude where he has opened a general merchandise store and Mr. Edward Proctor has opened up the old stand of Downey's and will conduct a first-class restaurant. He seems to be the man for the place and we wish him success.

Old St. Patick came in with a morning long to be remembered, snow and wind, a bad day in most every way, which cleared off in the afternoon to as nice anyone wishes to see. If the old saying is true the snakes will freeze if they are not very careful.

Mrs. Joseph Sewell tendered a card party to a number of friends at her home on south Main street last Wednesday evening.

Our friend Thos. Joyner is very loyal to old St. Pat, for he had a bright green flag floating over his shop last Wednesday, the 17th.

Rev. J. T. Richardson left last Tuesday for Milford, where the M. E. Conference is being held. Mr. Richardson was asked to return to this church for the next conference year by the board of stewards.

The school will celebrate Maryland Day in the K. of P. Hall next Thursday the 25th, with an elaborate program. This entertainment is for the benefit of the public and as no admission will be charged we hope that every one that can will attend.

Several of the fisherman have caught a few shad and they think that the season will be a good one.

Mr. Webb, our police, who was stricken with a slight attack of paralysis is out again but is unable to attend to his duties as officer.

The Jr. O. U. A. M. is still doing great work getting new members, having taken in as many as 17 in the last two or three weeks.

Wheat in this district looks pretty good and promises a large harvest. Why could'nt the farmers of this district form a grange like the districts in the upper parts of the county; the farmers of th section are not so far advanced that they could not get a few suggestions from the county's successful farmers. Think it over.

A merry bunch of straw riders came through Rock Hall the other night on their way to Mr. Charlie Smith's home where they were to spend the evening in games.

The wind has been so high this week that the oystermen have had very few days work on the water.

Mrs. Olive E Downey is visiting her aunt, Mrs I. Weise, of Baltimore, this week.

Miss Delma Middleton, of Baltimore, made a short visit to her parents, Mr. and Mrs. Wm. P. Middleton, this week.

Mrs. Earle R. Strong spent a few days in Baltimore this week.

Miss Crosswell, of Piney Neck, was the guest of Miss Cora Moffett, in Chestertown last Saturday and Sunday.

FOR TOLCHESTER MEETING.

$300 Purses For Open Classes at Big Fall Meeting.

The fall race meeting at Tolchester, Md., promises to be a big event. The dates selected by Secretary George E. Noland are August 31, September 1, 2 and 3. Conside able work was done on the racetrack last fall and it should be in good shape. It formerly had sandy spots and parts where the going was rough. These have all been corrected and work on the track will be continuous, so as to have it fast and safe for the race meeting.

A force of carpenters is building a lot of new box stalls on safe and well drained grounds.

Tolchester dates following the Easton (Talbot county) week, and this makes an easy and inexpensive shipment of the race horses possible. The week after Tolchester is claimed by Timonium, and this also provides a short shipment from Tolchester to the next racing point.

There will be but little change in the classes of races to be given at Tolchester, and those of last year appeared to suit the horsemen and horses perfectly.

The purses will be uniformly $300 each for open classes. Secretary Noland has engaged Mr. R. E. Biggs to do the starting at his course. Mr. Biggs' reputation is so well established that horsemen only wish to know that he is to be there.

DOES NO HARM, BUT MUCH GOOD.

Mix the following by shaking well in a bottle, and take in teaspoonful doses after meals and at bedtime:

Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. A local druggist is the authority that these simple, harmless ingredients can be obtained at nominal cost from our home druggist.

The mixture is said to clense and strengthen the clogged and inactive Kidneys, overcoming Backache, Bladder weakness and Urinary trouble of all kinds, if taken before the stage of Bright's disease.

Those who have tried this say it positively overcomes pain in the back clears the urine of sediment and regulates urination, especially at night, curing even the worst forms of bladder weakness.

Every man or woman here who feels that the Kidneys are not strong or acting in a healthy manner should mix this perscription at home and give it a trial, as it is said to do wonders for many persons.
