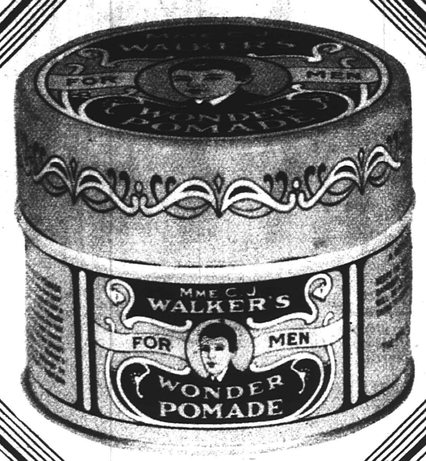
MME. C. J. WALKER'S

Wonder Pomade

For Men Who take pride in their appearance seriously

For Ladies ~ with tresses cut for convenience and smartness



This is ~ your sure, short, safe way to beautiful hair

Madam C. J. Walker's WONDER POMADE is positively what you have waited for to sleek, straighten, soften and smooth your hair. It is the finest, safest, most effective dressing yet made.

MME. C. J. WALKER'S WONDER POMADE

Is a gradual straightener, semi-greaseless, yet not sticky that will not grow rancid, nor leave a white precipitation. It will make the hair lay in place, correct and retard dandruff, tone the scalp and positively will not discolor, roughen or harm the hair or scalp in any way. It is a real he-man's preparation—your long looked for way to good looking, healthy hair.

SPECIAL NOTICE

Wonder Pomade has been tested severely and absolutely no bad results can come from using it as directed. Our twenty-five years experience lead us to recommend it as a safe, effective, beneficial article.
