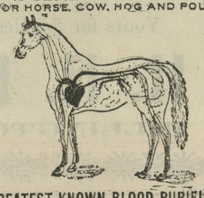
FEED FAIRFIELD'S BLOOD TONIC POWDERED
A SEPARATE PREPARATION FOR HORSE, COW, HOG AND POULTRY



GREATEST KNOWN BLOOD PURIFIERS

The working capacity of any horse can be practically doubled by feeding FAIRFIELD'S BLOOD TONIC for HORSES regularly. It exterminates worms, builds up the health and saves feed.
The farmer that sowed wheat all over his farm and expected to reap a crop of wheat, oats and corn from same, would be more foolish than the man who feeds his horse, cow, hog and poultry from the same package of Condition Powder and expects to get results. The intelligent farmer feeds FAIRFIELD'S, because there is a separate preparation for each kind of animal.

THE FAIRFIELD PREPARATIONS ARE SOLD UNDER WRITTEN GUARANTEE BY

Chestertown defeated the Crack Centreville team on Wednesday here by score of 8 to 7. It was a very exciting game, though several bad errors were made. In one error the Chestertown second baseman threw the ball over the first baseman's head and three men came in home. Jarman for Chestertown pitched a good game. This was the fifth game these teams have played Centreville wining two and Chestertown three.
