ALL OVER NOW

Thank you all and wishing you "compliments of the season. We are,

Yours respectfully,

MOODY & LUSBY.

Now—we inaugurate (at once) our well established "Getting Rid of" Sales which should be of vital interest to all our line.

ODDS AND ENDS

in all departments must be cleaned up. Consequently we are quoting prices that will hurry them out. So don't put off for tomorrow what you didn't do day before yesterday. But get in early while we have fair assortment.

"CULLINGS"

We have assorted out all Odds and Ends from our regular lines, one and two Suits and Overcoats of a kind and marked prices on them like this—

Boys' Straight Short Pants Suits, $2.38
Youth's Long Pants Suits, - - - $2.50
Men's Suits, - - - - - - - - - $3.50

We call these "cullings." But if you'll examine them and compare with some you see for more money, no doubt they will be graded No. 1. At any rate we are willing to abide by your decision in the matter.

Another is a lot of Juvenile Suits and Overcoats which we intend to discontinue, 4 to 9 years, that will be closed at one-half their intrinsic value.

Hats, Neckwear, Gloves, Underwear

and all the little perquisites carefully looked after and if you will make note of these little things and the difference in cost to you the saving in time will surprize you.

Do you know that we sell the best Stockings for Men and Boys that you can get? Well, we do. Men's 6 Pairs, brown or black, for 75c, that with ordinary care will wear you for twelve months. Boys' Long Ones, 2 pairs for 25c, the best you ever saw at the price and so on through the various lines.

Don't overlook these apparently little things. We haven't for we appreciate the fact—if you don't get the proper sort they'll be quite expensive to you. Look our various lines over before the holiday trade comes on.

Claims Growing.—P. K. Kisecker, the poultry buyer, whose arrest was noted in the NEWS last week, has settled in cash for the poultry bought in Kent. Before he was released, however, Mr. Jones, of Earlville, came and charged him with getting 5 crates of eggs without paying for them; Mr. Jackson, of Havre de Grace, is here trying to collect for eggs and fish to the amount of $90, and Mr. Crawford for poultry to the amount of $85.

New Strawberry Created.—San Francisco, Dec. 27.—Luther Burbank announces today the creation of a berry of new type—the Patagonia—which commences to ripen first and continues to bear the longest. It is heralded by its creator as "the first of a new race which has come to make strawberry growers rejoice." The berries are uniformly large, single berries some times weighing an ounce. The seeds are so small as to be almost imperceptible.

Samples were sent to specialists on fruits. One reply has been received from Herman Brown, curator of the Public Gardens, at Rhodesia, Africa. He says, among other things, "the most delicious strawberries I ever tasted, either cultivated or wild."

GRAHAM & CLEMENTS extend to all their patrons and the public generally a prosperous New-Year.
