SOCIETY REALMS.

We regret to state that Mrs. Joseph Price is extremely ill at the home of her daughter, Mrs. Israel Walbert, near Lankford. Mrs. Price has been ill for some time, and her advanced age makes her recovery doubtful. She is in her 78th year, and a most highly esteemed and much beloved Christian woman.

Mrs. J. A. Perkins and children, of Lansdowne, Pa., have been visiting her mother, Mrs. S. L. Thomas, on Washington avenue, during the week.

Mr. Nicholas Davis, of Wilmington, Del., was in town over Sunday.

Miss Nettie Russell has returned from an extended visit with relatives and friends in Baltimore and Talbot county.

Mr. J. E. Wallace died at his home in Sudlersville on Saturday. He was an uncle of Mrs. J. H. Sides, Mrs. Carl M. Russell and Miss Edith and Mr. Harry Fallowfield.

Miss Rebecca Eliason was in an exciting runaway last Saturday morning. Miss Eliason was driving a pair of spirited young horses to a runabout. They became frightened and dashed off at a lively clip. In her efforts to stop them, Miss Eliason drove the horses into a telephons pole, causing them to tear loose from the runabout, upset it and throw Miss Eliason out. Fortunately Miss Eliason sustained only a few slight bruises. The carriage pole was broken and the harness damaged, but the horses were not hurt.

Mrs. John W. Corey, one of Kent's mort intelligent and highly esteemed women, celebrated her 84th birthday on Saturday. May her useful life be spared to the community and county many more years.

Miss Gussie Cannan has accepted a position as bookkeeper in the hardware and implement store of Graham & Clements.

Mr. Wm. T. Wright, of Baltimore, was the guest of Mr. and Mrs. Thos. G. Wroth, a part of the week.

Mr. Clifford Jump, accompanied by two ladies, of Easton, was in Chestertown on Sunday in a fine touring car.

Mr. and Mrs. Samuel Sparks have returned from a visit with their son in Baltimore.

Capt. and Mrs. James Hyland and daughter, Miss Sylvia, who have been living in Biloxi, Miss., for several years, have returned to Chestertown to live. They are glad to be in Chestertown once more.

Announcement has been made of the engagement of Edna Agnes, the youngest daughter of Mrs. Mary Hester and the late George L. Bryan, to Mr. Wm. Van Meter Green, of White Post, Virginia. The wedding will take place in the early summer.

Mr. McWhorter, wife and daughter, of New Jersey, were guests of Dr. and Mrs. G. Allen Jarman over Sunday. They were on a motoring trip down the peninsula, and left here for Cape Charles, Va.

Mr. John A. Russell and wife, of Chester, Pa., and Mr. and Mrs. Carl M. Russell, of Baltimore, have been visiting relatives and friends here during the week.

Mrs. Stanley, of Baltimore, has been visiting Mr. and Mrs. John H. Simpers, on Queen street.

Mr. E. Thomas Massey returned from a Baltimore hospital last week, where he had been for special treatment. We are glad to state that he is recovering. His wife and children have been visiting relatives and friends in town during his absence in the hospital.

Col. Wm. J. Vannort was in Atlantic City on Saturday on business.

We are glad to state that Mr. Wm. R. Maul is improving rapidly from his injuries sustained in an automobile accident last week.

Mr. Hyde, of Wilmington, Del., was the guest of his daughter, Mrs. Jas. H. Shuster, on Sunday.

Town Commissioners Organize.

The Board of Town Commissioners, Messrs. Wm. T. Duyer, Merrick Clements and Wm. S. Carroll, organized on Monday evening by electing Mr. Wm. T. Duyer president and Mr. Thomas S. Bordley clerk. Lewin W. Wickes, Esq., was named as attorney. Mr. Samuel Cooper was re-elected day officer and Mr. Beverly Hyland was elected night bailiff in the place of Mr. Frank Getshall. The commissioners transacted some very important business, among which were the following:

To levy a tax upon pool rooms, skating rinks, moving picture shows and all other such business devices doing business in the town limits.

To purchase a 600-gallon steel street sprinkler with a rotary spraying capacity of 35 feet. The sprinkler has been ordered for immediate delivery, and will be put in commission as soon as it arrives and the weather demands.

To curb High street, both sides, from Stam's corner to the Voshell House.

This is certainly a most excellent beginning for the new board so far as improvements are concerned, and we believe the plan of improvements will be continued. We would respectfully suggest, however, that in view of the fact that the commissioners have considerable money at their disposal for street improvements, that they will lay brick ditches along either side of Washington avenue from the college to the pump house in order to prevent the washing of the driveways and embankments. The ditches are washed so badly in front of the home of Mr. Wm. H. Jarrell that unless something is done soon, the beautiful shade trees along the walk will fall over in the road. Let's have this improvement.

"In a Bad Way"

Many a Chestertown Reader Will Feel Grateful For This Information.

When your back gives out;
Becomes lame, weak or aching;
When urinary trouble sets in,
Your kidneys are "in a bad way."
Doan's Kidney Pills will cure you.
Here is good evidence to prove it.

Mrs. William Holston, 218 S. Governors Ave., Dover, Del., says: "I was in a bad way as the result of kidney trouble. If I sat down, I could hardly arise and had to be very careful how I moved, as sharp pains darted through my kidneys. I was treated by doctors, but found no relief, in fact, steadily grew worse. The kidney secretion passed too frequently, but were scanty and distressing and on arising in the morning, my back was so lame that I could hardly move. I finally procured a supply of Doan's Kidney Pills as they had been highly recommended as a cure for such troubles. The contents of two boxes removed every symptom of my complaint. I shall substantiate this statement to anyone asking me about it."

For sale by all dealers. Price 50 cents. Foster-Milburn Co., Buffalo, New York, sole agents for the United States.
