Exciting Chase After a Monster.

The most exciting chase that, perhaps, has ever occurred in North Missouri, occurred Tuesday, March 1, in Easton. The community have been terribly harassed and excited over the depredations of an animal known as the "Page County Monster." The people getting tired of his depredations, it was resolved to meet at Easton for the purpose of summarily disposing of the audacious animal. After furnishing ourselves with plenty of whiskey and other necessary articles, we started on the pursuit. Taking a southwesterly direction we soon arrived in the vicinity of the animal's last depredations. It was not long before our hounds, of which there were about twenty, struck the animal's trail not far from Platte River. The hounds followed the trail at a rapid pace, we following in close pursuit, on horseback, until we got into the heavily timbered bottom of the river, when we were obliged to leave our horses and follow on foot. Away we went, scrambling over logs and underbush. As we could not make very rapid progress on foot, our hounds soon left us, but we followed on, guided by the sound of their loud barking. After some time we were convinced that the dogs had brought the beast to a stand. We kept on stumbling over the bushes for about a half an hour, every minute drawing nearer the dogs, until we at last came up with them, when, sure enough we discovered the object of our search, backed up against the trunk of a large tree and dealing death among our poor dogs. He had already killed some five or six of our best dogs, and crippled several more. The dogs were getting afraid to approach him, but we encouraged them, in order to induce him to keep his stand, when our rifles and shot guns were brought into play with various success. Several shots took effect on the animal and several more on the dogs. The monster was in a terrible rage, his eyes fairly flashing fire; woe to the unwary dog that came within his reach. Mr. Holman liked to have been killed by venturing too near the animal, which made a furious bound at him, just grazing him and tearing off his coat, but a well directed shot from the famous rifle of our leader, Mr. Moxly, at this moment, stopped the animal's career. The animal in question, which has created so much consternation through the northwestern part of this State, and part of Iowa, is pronounced by men who know it to be, a California lion. It is about seven to eight feet long, about three and a half feet high, and massively built, its shoulders being very heavy, and mane long. He had enormous teeth, which he could use with terrible effect. It is supposed the skin will be stuffed and sent to some museum.—*St. Josheph (Mo.) Gazette.*

PRINCE & CO.

Improved Patent Prize Medal ORGANS AND MELODEONS,

Are still ahead of all others.

They have taken the first premium whenever exhibited in competition with others. Some Instruments have a very good tone when first manufactured, but keep them in constant use for five or six years and the tone will become harsh and unpleasant. This however, is not the case with Prince's Instruments of their make—ten years old—can now be shown with as good a tone as they had when first bought.

They also contain the following improvements: *Automatic Swell, Divided Swell, Graduated Swell, Basso Tenute, Manual Sub Bass.* Read what Frank Leslie says in his Illustrated Newspaper of August 31st, 1867:

"G. A. PRINCE & Co's Automatic Organs and Melodeons are among the proudest triumphs of this musical age. It is estimated that there are over forty thousand of these excellent instruments now in use. It is also a remarkable fact that not one of this enormous number has ever been returned, a sure proof of their surpassing excellence. For the past six years the enormous sales has made it impossible to supply the demand promptly, and every year increases the number of orders. Their manufactory is in Buffalo, New York."

Drs. D. FAHRNEY & SON,
CELEBRATED
PREPARATION
FOR
CLEANSING THE BLOOD.

The long and favorably known Preparation of Drs. D. FAHRNEY & SON, for cleansing the Blood, needs at this day no recommendation at our hands, its virtues having been established by the thousands of cases where it has given relief in the

Most difficult forms of Chronic Diseases,

during the last sixty years. So highly indeed is it esteemed, that the demand is constantly increasing not only at home, but we are daily receiving applications for it from the most remote sections of the country—North, East, South and West. To meet this demand, as well as to prevent the public from being imposed upon, we have determined to put this Preparation in such a form that it may be within reach of everybody everywhere.

Other Preparations, far inferior to the genuine, having been put out by certain parties, have been mistaken by some for our own, and as a matter of course the old Preparation of D. Fahrney & Son has been made to suffer some in reputation; thetefore, to prevent this mistake, as well as to meet the increasing demand mentioned above, we have concluded to send the medicine out in liquid form. Not recommending it to cure all diseases the human body is heir to, but as a family Medicine, and for all diseases originating from Impure Blood and Disorded Liver, it has no equal; and will cure the following diseases:

Scrofula, Cutaneous Diseases, Erysipelas, Boils, Sore Eyes, Scald Head, Pimples on the Face, Tetter Affections, Old and Stubborn Ulcers, Rheumatic Affections, Dyspepsia, Costiveness, Sickheadache, Jaundice, Salt Rheum, General Debilty,

Mercurial Diseases, Foul Stomach, together with all other Disorders arising from Impure Blood and Disordered Liver, &c., &c.

Prepared by Drs. D. Fahrney & Son, Boonsboro', Md., and Dr. P. D. Fahrney, Keedysville, Md. Sold by all Druggists and Merchant generally. All genuine is signed thus: D. FAHRNEY & SON.

☞ Be sure and call for Drs. D. Fahrney & Son.

For sale by Williamson & Beckenbaugh.
