It Has Stood THE TEST

¶ This Financial Institution has stood the test of an extensive and thorough experience of seventeen years, and during that time has steadily advanced in reputation, grown in substance and increased in usefulness.

¶ It was the first Bank in Kent County ever known to pay interest on deposits, and is NOW one of the Best Banking Institutions in the State of Maryland, and is thoroughly worthy of your fullest trust and favor. Its motto is, "SAFETY BEYOND ALL ELSE."

THE CHESTERTOWN BANK OF MARYLAND

CHESTERTOWN — And GALENA, MD.

A BANK is usually what the men back of it make it. Its strength depends largely upon their experience, judgment and responsibility; its growth upon the time, thought and effort they devote to its interest.

The Directors of this bank are deeply interested in the stability and progress of the institution, and keep in constant touch with every detail of its affairs.

There is no better proof of the splendid results of such able management than our steady development.

The sworn statement recently published shows we have SURPLUS AND UNDIVIDED PROFITS OF $44,791.44, which is more than any bank in the county can show, and is the most convincing evidence of sound and conservative management.

We have been selected as one of the depositories for the State Treasurer, and now have on deposit money belonging to the State of Maryland.

We extend a most cordial invitation to you to give us your business.

Be it large or small it will receive the same attention.

Short Crop of Cow Peas

PRICES GOING UP

The enormous demand for Cow Peas last year carried the price very high, and as the crop is very short and the acreage is rapidly extending there are many indications which point to much higher prices as the sowing season approaches.

Whip-Poor-Will Cow Peas.

The Whip-Poor-Wills are generally prepared in the Central and Southern States. They are bush form, early maturing and especially desirable for Peas.

New Era Cow Peas.

New Era's are a little earlier and make more vine than the Whip-Poor Wills.

Wonderfuls, Clay and Mixed Cow Peas.

For hay. The Wonderfuls or the Mixed Cow Peas are more productive, they should always be planted with an occasional grain of corn, sorgum Seed, Kaffir Corn, etc., which will prevent the vines from getting damaged by coming in contact with the ground.

Black Cow Peas

Black Cow Peas are a little later in maturing than Clays, they make a good growth of vine, are exceptionally good for medium or poor land and will stand almost any amount of wet weather without injury. We can supply Shinny Peas, Red Rippers, Blackeye Peas and Soja Beans.

Remember Bolgiano's Cow Peas are best—If your local merchant will not supply you with Bolgiano's Cow Peas—Write us direct and we will tell you where you can get them.

FREE—Send us 5c in stamps to pay postage, and mention the name of this paper, and we will send you free a 25c package of "My Maryland Tomato Seed, also our 1911 Catalogue of Seeds and our 1911 Poultry Supply Catalogue.

LOCAL NOTES

THE suit of Griffith & Boyd, fertilizer manufacturers, of Baltimore, vs. R. F. Parks & Son, of Chestertown, for breach of contract, was tried at Easton this week and a verdict of $1861 rendered against Mr. Parks.

BRAMBLE, the harness man, has a full line of the best athletic goods. A trial will be convincing and worth the while.

THE newest thing in roses is a green rose raised by Mrs. C. D. McClary on Kent Circle. It is of most exquisite perfume.

THE McClary sale of personalty on Tuesday amounted to about $600. W. M. Slay, Esq., attorney for the People's Bank, had charge of the sale.

THE first Queen Anne's berries were on sale at Kirby's, Lewis', Hadaway's and other stores this week, but were very tiny. The drought caused the smallness of them.

THE contract for building the new home of Mr. and Mrs. James W. Crouch on Chester river was awarded on Thursday to Mr. Walter T. Pippin. There was only $33 difference in the bids!

MISSING about fifty of their thoroughbred chickens, which they were raising, Messrs. Lester S. German and George W. Evans, of Aberdeen, found that they were carried off by rats. Traps were baited and nearly fifty rats have been caught in 48 hours.

THE commencement date of Washington College will be June 21st, the date in the catalog being a mistake. The commencement exercises at the Chestertown High School will be held on June 13th. Rev. Dr. L. E. Barrett will deliver the address to the graduates.

THE first gravel from the banks in Worton Creek, Kent county, where the plant of Isaac Filbert has started operations, was carried to Baltimore this week in three scows in tow of tug W. H. Mohler. The bank belongs to Mr. Costello, Worton Manor Beach.

THE graduates at Western Maryland College this year include Misses Olive P. Pennell, Chestertown; Anna C. Harrison, Crumpton, and Mr. Kent Roberts Greenfield. The commencement this year will be of special interest, it being the 25th anniversary of Dr. Lewis' connection with the flourishing institution.

AN attractive wedding occurred on Tuesday evening when Miss Lucy Bell Bailey and B. Frank Shinn were married at the home of the bride's parents, Mr. and Mrs. Ephraim Bailey, 502 North Clayton street, Wilmington. The ceremony was performed by the Rev. W. E. Greenfield, pastor of Silverbrook M. E. Church.

ONE of the members of the Mutual Insurance Company of Kent county in settling with the company a few days ago for policies cancelled owing to sale of properties insured received from the company checks amounting to $549.55. The company has proven to this member a savings institution as well as an insurance company.

THE sale of the Bradley lot on High street by John D. Urie, Esq., trustee, on Saturday, drew a number of bidders and spectators to the green. Mr. Rufus F. Parks was the highest bidder and the lot was struck off to him at $3,500. The lot has a frontage of 26 feet and a depth of 132 feet. Mr. Parks says he will erect a modern store building there.

THE address by Dr. W. A. Colledge, of Chicago, on Scotch wit and humor at the entertainment Saturday evening was enjoyed by all. He has a fine voice and delivery. Dr. Colledge and wife are guests of Mr. W. W. Chapman and family. Other features of the entertainment were enjoyed, being the same as were given in the vaudeville the week before for town improvement.

THE milk route now being conducted by Col. Albert Story in Chestertown will likely change hands before July 1st. Col. Story, who has lived on the Walker farm in Queen Anne's for 25 years, about four miles from town, has rented the Richard S. Earle farm at the mouth of Corsica river. Mr. Charles Leager has rented the Story farm. The milk route is being considered by Mr. Horn, John N. Bennett, Walter T. Morris and others.

AN alarm of fire was sounded Thursday at 6 o'clock in town, and in quick time the fire company was on the scene and quenched the blaze. An oil stove in Mr. D. S. Sutton's room, over Central Garage, was left lighted and set fire to some bed clothing.

THE marriage of Mr. R Earl Latham, son of Mr. and Mrs. Enoch Latham, of Chestertown, and Miss DeBerry Wallace, of Onancock, Va., took place at Pocomoke City on Tuesday of last week. Rev. Mr. Williams, of St. Mary's P. E. Church, officiating. They are at present at the home of the bride's mother. Mr. Latham is superintendent of the contract work of the Diamond State Telephone Company.
