# M. Kramer, Rock Hall, Md.

Amusing price cuts in Spring and Summer Goods. It isn't a surprising thing that our various lines this season are better in every way than they were last season. The surprising thing would be if they were not. Some merchants seem to think that when they reach a certain point in their stock it is well enough to stop. This is not my policy. I can truly state, I seem to be everlastingly pushed to bring better stock, more up-to-date in quality for less money than previous seasons.

The absolute certainty of satisfaction in Shoe value for the whole family. No old stock, everything new, fresh, up-to-date in style and quality in High and Low Shoes for the whole family. My exclusive lines are better in value than any previous seasons. You could actually save money by buying your footwear here.

**All Summer Shoes and Low-Quarters Reduced.**

| $3.00 Low-Quarters | $2.50 | $1.75 and $1.50 Low-Quarters | $1.25 |

All Summer Footwear greatly reduced.

**Great Reductions in Men's, Boys' and Children's Suits.**

A great opportunity for people to buy their Clothing. My stock is yet complete in all details, and absolute saving from two to five dollars on each suit. Men's Suits ranging in price from **$5.00** to **$12.50.**

A Big Reduction in the Clothing Department. Boys Suits in excellent assortment, straight pants and knickerbocker; separate trousers, all this season's make, full and medium peg, ranging in price, **$1.00** to **$4.50.** My prices are much less than the same goods could be bought elsewhere.

## Betterton Athletics.

The newly organized Betterton Athletic Association has been working a great deal for the famous Eastern Shore resort. Already the base ball team established has given the admirers of the diamond the real sport as it should be played. Not in the history of athletics at Betterton has base ball been played as it has been for the past week. The local team is made up of some of the fastest men in the State, not only that but the games have been run in a style that gives satisfaction to the spectators. An official umpire is in attendance and the usual kicking by both players and spectators "is conspicious by its absence." Although great ball has been played, the attendance is not at all pleasing to the management. The Association is trying to give the people of the county the real thing and unless they intend to give their support there will be no incentive. The team opened its season last week and won two games and tied two, a very good average. The Centreville bunch that has been doing all sorts of things in the national game, fell by the wayside Wednesday. The game with Havre de Grace of fourteen innings was a corker and showed real base ball. Next week, Elkton, Elk Mills, Calumet A. C., of Baltimore and also Athsoe A. C. will be the attractions and it is the idea of the new association to have the best feature of summer base ball. The home team there is a well picked aggregation and the games will all be carried on in a true sportsmanlike spirit. The new field is gradually getting into shape and a new grandstand and bleachers have been finished. Joppa, a strong club from the Western Shore, will be the attraction for to-day, the game starts at 3.30 P. M. On account of transportation facilities the games will be started at different times. The Baltimore games called at 4.30 and county teams at 3.30. It is the intention of the management to have no less than three games a week.
