Frederick County,
Passed by the General Assembly of Maryland at January Session, 1870.

CHAPTER 98.]

An Act

To repeal the Act of incorporation of Mechanicstown, Frederick County, Maryland, passed February thirteenth, eighteen hundred and thirty-two, Chapter one hundred and the supplements thereto, and Sections one hundred and ninety-three, one hundred and ninety-four, one hundred and ninety-five, one hundred and ninety-six, one hundred and ninety-seven, one hundred and ninety-eight, one hundred and ninety-nine, two hundred, two hundred and one, two hundred and two, two hundred and three, two hundred and four, two hundred and five, two hundred and six, two hundred and seven, two hundred and eight, two hundred and nine, two hundred and ten, two hundred and eleven, and two hundred and twelve of Article eleven, of the Code of Public Local Laws, and to substitute in lieu of said Acts and Sections the following Sections incorporating the village of Mechanicstown, in said county:

SECTION 1. *Be it enacted by the General Assembly of Maryland*, That Leonard Picking, George W. Foreman and Frederick White, citizens of the village of Mechanicstown, Frederick County, Maryland, are created a body politic by the name of Commissioners of Mechanicstown, with all the privileges of a body corporate, and as such shall have succession, and by their corporate name may sue and be sued, plead and be impleaded, grant, receive and do all other acts as natural persons, and may purchase and hold real, personal and mixed property, or dispose of the same for the benefit of said village, and have and use a common seal which they may change at pleasure.

SEC. 2. *And be it enacted*, That The white male citizens of said village of the age of twenty-one years and upwards, being citizens of the United States, who shall have resided in said village for and during the space of six months preceding, may on the second Monday of April in each and every year, at the usual place of holding elections in said village, be authorized to elect five Commissioners for said village, who shall have resided within the corporate limits of the same one year next preceding the election; said Commissioners shall enter upon the discharge of their duties within ten days after said election.

SEC. 3. *And be it enacted*, That the said Commissioners shall annually appoint some person to act as judge of said election, who shall open the polls at three o'clock, P. M., and close the same at six o'clock, P. M., and the persons who shall have the majority of votes shall be declared elected Commissioners for the ensuing year.

SEC. 4. *And be it enacted*, That if at any election for Commissioners, it shall appear by the certificate of the judge of said election that any two or more persons voted for as Commissioners have received the same number of votes, so that there is no choice for an entire Board, but a vacancy in one or more seats: If there shall be as many as three duly elected, the persons so elected shall assemble immediately, and having qualified as Commissioners, shall proclaim a new election to supply the vacancy occasioned by the failure to elect, giving at least five day's notice of said election.

SEC. 5. *And be it enacted*, That if it shall not appear that three of the persons voted for have been duly elected or if the persons duly elected shall fail to assemble and proclaim a new election for the space of five days, the old Board of Commissioners or any three of them shall assemble and proclaim a new election, and shall give at least five days notice thereof.

SEC. 6. *And be it enacted*, That the said Commissioners shall, on the first meeting after said election, choose one from among their number, who shall be president of the Board, whose duty it shall be to preside at the meetings of said Commissioners and preserve decorum, and give such directions as may be deemed necessary to carry into effect the provisions of this Charter.

SEC. 7. *And be it enacted*, That the aforesaid Commissioners, or a majority thereof, may meet together at such times as occasion may seem to require upon the business of said village, and not less than once in every three months; and if during the year for which they are elected, any of said Commissioners shall die, resign, remove from said village, or from any cause be disqualified, an election to fill the vacancy, ten days' notice being given by the Commissioners, shall be held, at which all persons qualified as herein specified shall be entitled to vote.

SEC. 8. *And be it enacted*, That the aforesaid Commis ioners, or a majority of them shall have power to appoint a clerk and assign his duties, allowing him such compensation for his services as they shall think proper; and all ordinances passed by said Commissioners, or a majority of them, shall by their clerk be entered in a book kept by him for that purpose, and shall be at all times open for the inspection of any persons interested, and copies of all ordinances shall be put up in the most public places of said village.

SEC. 9. *Be it enacted*, That the corporate bounds of said village, for all purposes except taxation by the laws of the Corporation, shall be as follows: Beginning at the Junction of the roads leading from Mechanicstown to Graceham, and the road leading from said road towards Apple's Church, between the lands of Wm. Sec. 10. *Be it enacted*, That all fines and forfeitures under the ordinance of said corporation may be recovered as small debts are recoverable before any Justice of the Peace.

SEC. 11. *Be it enacted*. That the said commissioners or a majority of them, shall have power to make all such by-laws and regulations and ordinances, as shall not conflict with the laws and constitution of the State of Maryland.

Sec. 12. *Be it enacted*, That they shall have power to establish the limits and width of the streets and alleys of the said village, and remove obstructions therefrom, and may, with the consent of one-half of the owners of property through which they may pass, open new streets, lanes or alleys.

Sec. 13. *Be it enacted*, That they shall have power to provide for the payment of damages and expenses of opening, widening laying out and grading the streets, lanes and alleys, in said village, by levying and assessing the same generally upon the whole of the assessable property of said town, or specially upon the assessable property of persons benefitted thereby.

Sec. 14. *Be it enacted*, That if on the opening or laying out of any new street, lane or alley, the said Commissioners can not agree with the owner of any land or property wanted for the purposes, for the purchase, use or occupation of the same, application may be made to any Justice of the Peace for said county, who shall thereupon issue his warrant under his hand and seal directed to the Sheriff of said county, requiring him to summon a Jury of twenty inhabitants of said county, who shall be freeholders, and not related to any of the parties, or in any wise interested, to meet on the land or near the property to be valued, on a day to be named in the warrant not less than ten, nor more than twenty days after issuing the warrant.

Sec. 15. *Be it enacted*, That the Sheriff shall, before the jury proceed to act, administer to each an oath that he will justly and impartially value the damages; and if any of the jurors summoned do not attend, the Sheriff shall immediately summon as many jurors as shall be necessary, with those in attendance, to finish a panel of twenty, and from them each party or his agent, or if either be not present in person or by agent, the Sheriff for him, may strike off four jurors, and the remaining twelve shall act as a jury of inquest and damages.

Sec. 16. *And be it enacted*, That the jury in estimating the damages shall take into consideration the benefit resulting to the owner from the opening and laying out said streets, lanes and alleys, through, along or near to the property of said owner, but only in extinguishment of the claims for damages; and the jury shall reduce their inquisition to writing and shall sign and seal the same, and it shall then be returned by the Sheriff to the clerk of the Circuit Court for said county, and shall be confirmed by the said Court at its next session, if no sufficient cause to the contrary be shown, and when confirmed shall be recorded by said clerk at the expense of said Commissioners.

Sec. 17. *And be it enacted*, That if said inquisition be set aside, the said Court may direct another to be taken in the same manner as the first, every inquisition shall describe the property taken or the bounds of the land condemned, and the quantity and duration of the interest in the same therein valued, and such valuation when paid or tendered to the owner of the property or his legal representatives, shall entitle the said Commissioners to the estate, use and interest in the same so valued for the purposes aforesaid, as fully as if the same had been conveyed by the owner, and the valuat on i not received from the said Commissioners when tendered, may at any time thereafter be received without cost by the owner or his legal representatives.

Sec. 18. *And be it enacted*, That the said President and Commissioners shall have power to levy and collect taxes in said town, not exceeding in any one year thirty cents in the hundred dollars valuation, on the assessable property of said town, and they shall once in five years, or oftener if they think proper, appoint an assessor who shall under oath, assess and value the property in said town, in the same manner and with like authority as county assessors; *provided*, that the taxable limits of said town shall include all that part of the town now improved, and all that part recently laid off and partially improved; fully authorizing the Commissioners to extend the taxable limits with the improvements hereafter made as they deem just. But in no instance shall it exceed the corporate limits as laid down in Section nine.

Sec. 19. *And be it enacted*, That if any owner of property within said village shall feel aggrieved by the assessment so made, he may appeal to the Board of Commissioners, who may make such deduction from the valuation of his property as they may deem reasonable and just.

Sec. 20. *And be it enacted*, That the said Board of Commissioners may from time to time, under such conditions as they by their ordinances direct, appoint such officers as they may deem necessary to carry into effect their ordinances, among whom shall be a Town Bailiff, who shall ex officio be collector of the town tax, and shall within said village have all the authority of a constable.

Sec. 21. *And be it enacted*, That the said Bailiff shall give bond, to be approved by the County Commissioners, as other constables, for the faithful performance of his duty as constable, and also a bond to the said Board of Commissioners for the faithful performance of such duties as shall be imposed on him by the ordinances of the said Board of Commissioners.

Sec. 22. *Be it enacted*, That the said Bailiff may enforce the payment of corporation taxes in the same manner and with like effect as collectors of State and county taxes may enforce payment of the same.

Sec. 23. *Be it enacted*, That the President of said Commissioners, and all other officers of said town shall before they enter upon the duties of their respective offices, severally take the following oath or affirmation: I do solemnly swear or affirm that I will faithfully execute the office of ——— to the best of my knowledge and ability, without favor, affection or partiality.

Sec. 25. *Be it enacted*, That the Board of Commissioners of Mechanicstown, may at discretion, levy upon the assessable property of the corporation, one hundred dollars, and pay over to the Commissioners, to aid in keeping the streets, and part of the public roads, in good repair.

Sec. 26 *And be it enacted*, That if the inhabitants of said villiage at any time, neglect to make an election as herein directed, the power of electing Commissioners shall not thereupon cease, but shall continue as though such election had been made, and the President and Commissioners for the time being shall remain in office until such annual election shall be held.

Sec. 27. *And be it enacted*, That this Act shall take effect from the date of its passage.
