The Ferro is unquestionably the highest type and best known engine built. It was awarded the Gold Medal at the recent Seattle Exposition and holds the highest reputation in all prominent motor boating centers.

We Are Representatives for This Locality.

See us before buying your boat or engine. The engine should be the leading factor in purchasing a motor boat. No matter how high class the hull may be if the engine is not satisfactory in its operation the owner simply has nothing whatever to enjoy.

Come in and have a boat and motor talk with us. It will put you under no obligation to buy.
