ON THE GO, TO AND FRO.

States Attorney William W. Beck has been quite sick at his home during the week, having been confined to his bed.

Mrs. Samuel Vannort is visiting her daughter, Mrs. James W. Chapman, Jr., in Baltimore, while her husband is attending conference in Federalsburg.

Miss Louise Edwards is recovering from an attack of pneumonia with which she has been suffering for some weeks.

Two ladies in Chestertown were so anxious for the renomination of Mayor Mahool that he was the first thing one thought of when she awoke in the morning, the other prayed that if it were right, that he might be nominated. These ladies, so they declare, do not usually take much interest in politics.

Mr. Green, of Baltimore, has been the guest of his son-in-law, Mr. Owen C. Smith, over the river during the past two weeks. We understand Mr. Green and family contemplate moving here, in which event they will be accorded a most cordial welcome.

Mr. John C. Davis attended a meeting of the Republican State Central Committee in Baltimore on Wednesday.

Miss Pearle Woodall, of Galena, has been the guest of relatives here during the week.

Miss Edith Caldwell, of Galena, has been visiting her friend, Miss Fannie Maybrey, in Smyrna, Del.

Hon Joseph A. Wickes and wife returned to Chestertown last week from Baltimore, where they spent the winter. We are glad to state that the Judge is looking remarkably well, and has enjoyed good health during the winter.

Mr. Hynson Rogers and friend, of Baltimore, were guests of his mother, Mrs. Marian Rogers, and of his grandmother, Mrs. Carolene L. Hynson, on Front street, over Sunday.

Mr. Thomas D. France has been on the sick list during the past week, but is very much improved at this writing.

Mr. Samuel Vannort is attending the sessions of the Maryland Conference in Federalsburg.

Miss Sue B. Ford is the guest of Philadelphia friends.

Mrs. Hamell, of Washingtn, D. C., is the guest of Mr. John P. Nicholson and daughter, Miss Florence, near Fairlee.

Prof. H. J. Patterson and family, of the Maryland Agricultural College, were guests of Mr. and Mrs. T. E. W. Crew, near Lankford during their visit to the Pomona grange, this week.

Mr. Owen C. Smith was presented with a handsome pearl handle umbrella by the members of a lodge to which he belonged in Baltimore city last week.

Successful Missionary Anniversary.

The 39th anniversary of the Juvenile Home Missionary Society of Christ M. P. Sunday school was held in the auditorium of the church on Sunday evening and was one of the most successful in the histoty of the society. Beautiful Easter carols, splendid addresses and appropriate recitations and exercises comprised the program. The annual address was delivered in a most excellent manner by the president of the society, Mr. Randolph Waddell, and recitations were splendidly rendered by the following scholars: Miss Francis Howard, Miss Mary Long, Miss Dorothy Woodall, Miss Edna Kirby and Master Thomas Elliott. The following pretty exercises were rendered "Lessons from the Flowers" by Misses Flossie Kent, Francis Bacon, Pauline Hoyle, Harriett Reed, Sallie White and Elizabeth Reed, in which little Miss Harriett Reed sang a beautiful solo in a most pleasing manner. The other pretty exercise "The Lillies Easter Song" was well rendered by little Misses Dorothy Woodall, Amy Wheat, Louise Whiteley, Pauline Hoyle, Harriett Reed and Francis Bacon, who sang as they marched from the pulpit "Jesus Loves Me, This I Know." The report of the classes for the month showed the splendid total of $211. The three highest classes were:

Mr. Wilbur W. Hubbard	$50.50
rs. Wm. J. Vannort	19.20
Miss Mayme Thompson	16.00

The plate collection swelled the total for the night to $216.

Mr. Norman Crouch presented the banner to Mr Hubbard's class of young men in a most appropriate and splendidly delivered speech.

The total amount of money contributed by the school during the year amounted to $496, the second highest in its history.

The four highest classes for the year were:

Mr. Wilbur W. Hubbard	$123.00
Miss Clara Usilton	43.00
Mr. F. G. Usilton	40.00
Mrs. Wm. J. Vannort	35.00

Rev. Dr. F. T. Little presented to each of these classes a beautiful book as a premium.

A friend of the school offered four prizes during the year, one to the class winning the missionary banner oftenest which went to Mr. Wilbur W. Hubbard's class; one to the class winning the attendance banner the oftenest which went to Miss Fannie Baker's class, each of whom received a New Testament; one to the teacher with the best attendance which went to Miss Fannie Baker, who attended 49 Sundays as against 48 for Miss Mary Davis, one of the oldest and most faithful teachers in the school; and one to the scholar having the best attendance record which was won by little Miss Elizabeth Burke, who missed only one Sunday, and that on account of sickness. All of these prizes were presented by the superintendent in appropriate remarks. The committee in charge of the program was Mrs. C. N. Satterfield, Misses Mary Knight and Hope Sappington and Mr. Thos. D. Bowers, and the committee on decoration which trimmed the chancel and pulpit with beautiful flowers was Miss Fannie Baker, Mrs. Wm. C. Sutton, Mrs. Washington Woodall, Mrs. Stewart Matthews and the superintendent. The anniversary was a splendid success and was enjoyed by a large audience.

Expert Watch Repairs

Eighteen months is the extreme time which should be allowed between the cleaning of a watch. In that time the best of oil dries and the work of overcoming friction, together with accumulating dust, wears out the delicate machinery and impairs its usefulness permanently.

Do not wait until your watch begins to lose time before you have it examined. Let us overhaul it for you. All work guaranteed. Bring us your Jewelry repairing.

WHO IS THE F. S. ROYSTER GUANO COMPANY?

TRADE MARK F.S.R. REGISTERED

The F. S. Royster Guano Company is the largest independent manufacturer of Fertilizers in the United States.

The business was founded twenty-seven years ago by Mr. F. S. Royster, who is still at the head of the Company, and gives the business his personal attention. It requires eight large Factories to supply the demand for Royster goods in the South alone.

Being desirous of extending our territory, we have built in Baltimore one of the largest and most modern fertilizer and Sulphuric Acid plants in existence.

Ask your dealer for ROYSTER goods and see that the trade-mark is on every bag. If he does not handle them, write and give us his name and we will arrange with him, or some one else, to supply you.
