MORE CONTRIBUTIONS.

Here are a few more illustrations of the manner in which the tax-payers of the county were compelled to contribute to the Organization campaign fund:

WM. G. RASIN.
Assessment $6,916.00.
Paid in 1910 taxes at $1.85.. $127.95
Paid in 1911 taxes at 1.22... 84.38
$43.57

Mr. Rasin was compelled to contribute $43.57 to their campaign fund, and he was not a candidate for office, either.

DR. T. B. WILLSON.
Assessment 5th & 6th districts $14,901.
Paid in 1910 taxes at $1.85...$275.67
Pain in 1911 taxes at 1.22... 181.79
$93.88

Dr. Willson contributed $93.88 to the campaign fund, and he was not a candidate for office.

WM. T. JONES.
Assessment $1,525.
Paid in 1910 taxes at $1.85.....$28.21
Paid in 1911 taxes at 1.22..... 18.61
$9.60

Mr. Jones contributed $9.60 to the campaign fund.

And so the tax-payers money went. They had no control over it, and we are quite sure that they would have refused to contribute their money to buy votes had some one come to them and asked them for the contribution. They were compelled to do something for which they got nothing in return.

SQUANDERING MONEY.

The tax-payers will be utterly astounded at the vast amount of money that has been wasted on the roads during the last two months—July and August—when the bills begin to come in. These bills, we understand, are being held up until after the primaries in order to cover up the game the Organization is playing with the tax-payers' money. Bills are being made out to the use of the road engineer, we understand a note for a large amount of money has been floated in a certain bank, and some of the road workers are being paid in order to hold them in line, and some are being put off with promises. THE TAX-PAYERS' MONEY IS BEING USED FOR POLITICAL PURPOSES under the Gibbs road law just the same as it was before the law was passed, and if the tax-payers don't take this matter in their hands and nominate Foxwell, Harris and Miller, in order that this abominable law may be repealed, and the crowd who are spending the people's money recklessly put out of business, it will be a sorry day for the tax-payers. We understand that one bill amounting to $1600 for road work is being held up, and it would not be exaggerating to say that at least $4000 of the people's money has been wasted in each of the months of July and August in order to coral the votes of the road workers in the primaries. We are told that Mr. Beck, the candidate for the Senate, is as much to blame for this waste of the people's money as the road engineer.

Kennedyville Items.

We are glad to report that the sick of our village are on the road to recovery.

The new canning factory, of Mr. Howard Baldwin, L. A. Pennington, manager, is now in operation, having begun business last Saturday afternoon with about six hundred baskets of tomatoes. The fruit is fine, but, as a general thing, not many tomatoes on the vines. The encampment of the laborers, mostly Bohemians, around about the factory is an interesting affair. It is a place of activity, washing, baking, ironing, building bake ovens of clay and brick, with iron tops. There are a large number of children in the camp, and all seem to be a quiet, well behaved company.

The State Road workers are now busy between Kennedyville and Locust Grove, with Kennedyville as a shipping point for many car loads of crushed stone.

The company of Mr. and Mrs. Mullineaux, Misses Virginia Snyder, of Baltimore, and Ethel Millineaux, of Howard county, Md., cousins of the pastor, who spent eleven days at the parsonage, and taking quite a number of drives through the community, left for their homes, by way of Betterton and the Steamer Susquehanna, on Wednesday afternoon of the present week, Mr. and Mrs. Mullineaux accompanying them to the boat. The young ladies expressed themselves as having enjoyed a most delightful visit to Kent, and think the people beautiful in their hospitality and social kindness. They think Kent county the most beautiful agricultural district they have ever looked upon.

Kennedyville is expecting a large multitude on Tuesday next, the 29th, in the interest of Primary Election Day. In order to accommodate the large number of people who will be on hand, the ladies of the Methodist Protestant Church will serve both dinner and supper on the church green at reasonable rates. Come prepared to spend the day and spend some of your money in securing good meals under the shade of the trees, talking good politics, the science of government. In case the weather be inclement the meals will be served in Weer's Hall. Proceeds to help out in late church improvements.

The second Quarterly Conference of the M. P. Church for Kennedyville Charge will be held in the church building Monday morning next, the 28th. The pastor, Mr. Millineaux, urges a large attendance of the Official Board for much important business. Sunday services for the M. P. Church, 9. A. M.; Sunday School; Sermon by the pastor at 10.30 and 7.30, with song service. All welcome.
