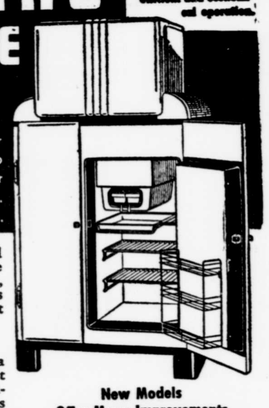
AMAZING BUT TRUE
SUPERFEX
the "miracle" refrigerator for rural homes, uses no electricity, no running water —and has no moving parts. Operates on kerosene.
This exclusive Super Condenser Top means efficient and economical operation.



THIS refrigerator is designed especially for homes in the country. It keeps foods fresh, freezes ice cubes, and makes frozen desserts, by burning just a little kerosene each day!

Light It and Leave It
All you have to do is touch a match to the burners. You don't even have to bother about turning them off. In about two hours they go out automatically. And you get 24 hours or more of refrigeration with this one lighting. The short burning time gives you *modern* refrigeration in its most economical form.

Made by a Responsible Company
The Superfex Refrigerator is made by the same company that makes the famous line of Perfection Stoves and Ranges. Its dependability has been proved in thousands of homes —and by more than eight years of dependable service to users.

New Models Offer Many Improvements
Today's models are the finest ever built. They offer adjustable shelves, ample ice capacity, and more usable food storage space. And the design and finish of the cabinet are entirely different. Its symmetrical lines and beautiful cream-white finish make it a piece of equipment you always will be proud to have in your kitchen. Telephone or write for free home demonstration and full details about our easy payment plan.
