GET GULFLUBE—
It's "Stripped for action"!

Poorly refined motor oils, like a swimmer with all his clothes on, can't do an efficient job. They carry too much excess baggage—waste that should be "stripped off" by refining.

Most 25c oils, like a swimmer stripped of part of his clothes, are rid of *some* waste—but not *enough* for best performance. No refiner of 25c oils could *afford* to go further, before Gulf's Multi-sol process was perfected.

GULFLUBE MOTOR OIL, like a swimmer *stripped for action*, is rid of every bit of excess waste. It's the only Multi-sol-made 25c oil—*the finest, purest oil a quarter ever bought.* Gulflube gives you better lubrication, lower bills and a cleaner motor. Prove it—at the Sign of the Orange Disc.
