WHEREAS, at the January session of the General Assembly of Maryland, held in the year 1935, an Act was passed, to wit: Chapter 584 proposing an amendment to Section 13 of Article 3 of the Constitution of the State of Maryland, title "Legislative Department," providing for the appointment of persons by the Governor to fill vacancies in the House of Delegates or in the Senate of the General Assembly of Maryland and providing for the submission of said amendment to the qualified voters of the State for adoption or rejection; and

WHEREAS, at the Extraordinary session of the General Assembly of Maryland, held in the year 1936, an Act was passed, to wit: Chapter 151 proposing an amendment to Section 39 of Article 3 of the Constitution of the State of Maryland, title "Legislative Department," so as to strike out the provision therein to the effect that the General Assembly shall grant no charter for banking purposes, nor renew any banking corporation now in existence, except upon the condition that the stockholders shall be liable to the amount of their respective share or shares of stock in such banking institution, for all its debts and liabilities upon note, bill or otherwise, and providing for the submission of said amendment to the qualified voters of the State of Maryland for adoption or rejection; in words and figures as follows:

CHAPTER 426

AN ACT to amend Section 21 of Article 4, title "Judiciary Department," sub-title "Part III-Circuit Courts" of the Constitution of this State, and to provide for the submission of said amendment to the qualified voters of this State for adoption or rejection.

Section 1. Be it enacted by the General Assembly of Maryland, That three-fifths of all the members elected to each of the two houses concurring, that the following section be and the same is hereby proposed as an amendment to Section 21 of Article 4, title "Judiciary Department," sub-title "Part III-Circuit Courts" of the Constitution of this State, and if adopted by the legal and qualified voters thereof as herein provided it shall supersede and stand in the place and stead of Section 21 of said Article 4.

21. For each of the said circuits, excepting the eighth and the third and the sixth, there shall be a chief judge and two associate judges, to be styled judges of the Circuit Court, to be elected or appointed as herein provided, and for the third circuit and for the sixth circuit there shall be a chief judge and three associate judges to be styled judges of the Circuit Court, to be elected or appointed as herein provided. And no two of said associate judges, for any of the said circuits, except the third and sixth circuits, shall at the time of their election or appointment or during the term for which they may have been elected or appointed, reside in the same county. If two or more persons shall be candidates for associate judge in the same county in any of the circuits, except the third and sixth circuits, that one only in said county shall be declared elected who has the highest number of votes in the circuit. In case any two candidates for associate judge in any of the circuits, except the third and sixth circuits, residing in the same county shall have an equal number of votes greater than any other candidates for associate judge in the circuit it shall be the duty of the Governor to order a new election for one associate judge; but the person residing in any other county of the circuit and who has the highest number of votes shall be declared elected. The said judges shall hold not less than two terms of the Circuit Court in each of the counties composing their respective circuits, at such times as are now or may hereafter be prescribed to which jurors shall be summoned; and in those counties where only two such terms are held two other and intermediate terms, to which jurors shall not be summoned; they may alter or fix the time for holding any or all terms until otherwise prescribed, and shall adopt rules to the end that all business not requiring the intervention of the jury shall be, as far as practicable, disposed of at said intermediate terms. One judge in each of the above circuits, including the third and sixth circuits, shall constitute a quorum for the transaction of any business; and the said judges or any of them may hold special terms of their courts whenever in their discretion the business of the several counties renders such terms necessary. The additional associate judge for the third circuit herein provided for (shall be elected by the qualified voters of Baltimore and Harford counties, at the first election that shall be held in said counties subsequent to the adoption of this amendment, and the judge so elected shall be subject to the same constitutional provisions, hold his office for the same terms of years, receive the same compensation and have the same powers as are herein provided for the other associate judges in the third circuit.

The additional judge for the sixth circuit herein provided for shall be elected by the qualified voters of Frederick and Montgomery counties at the first election that shall be held in said counties subsequent to the adoption of this amendment and none shall be appointed before that time. The judge so elected shall be subject to the same constitutional provisions, receive the same compensation and have the same powers as are herein provided for the other associate judges in the sixth circuit. The Chief Judge may be elected from either Frederick or Montgomery counties, but when the Chief Judge is elected from Frederick county one of the associate judges shall be a resident of said county and the two remaining associate judges shall be residents of Montgomery county, and when the Chief Judge is elected from Montgomery county, one of the associate judges shall be a resident of said Montgomery county and the remaining two associate judges residents of Frederick county. In case any candidate or candidates for associate judge at any judicial election held in the sixth judicial circuit shall receive sufficient votes to cause such candidate or candidates to be declared elected, but the election of such candidate or candidates would cause more associate judges than herein permitted to reside in any county of said circuit, then and in that event only that candidate or those candidates, as the case may be, residing in said county in the order of the votes received shall be declared elected whose election would provide the permitted number of associate judges from said county and the candidate or candidates, as the case may be, residing in the other county, and not similarly disqualified, who shall have the next highest number of votes in said election shall be declared elected. If by reason of such a condition or by reason of an equal vote for two or more candidates a sufficient number of associate judges duly qualified as to residence as above set out should not be elected at any election in said sixth judicial circuit then it shall be the duty of the Governor to order a new election for such unfilled office or offices.

Loyalty is faithfulness to your school, country and friends. You all know what it means to be loyal to your country and friends but maybe you don't know what it means to be loyal to your school. The continual supporting of your school in all of its activities is loyalty. Stand by your school in good and bad and you will be doing your part in being loyal to it. No matter how doubtful you are that your team can win—stick by it.

You are being very unloyal if you tell everyone that your team can't possibly win. Of course it can't win with support like that. The team needs moral support as well as physical. Tell people that you can win and you will.

Parents also should be loyal to the school their children attend by cooperating with our teachers and our plans and by patronizing our projects. So let us all—pupils, parents and patrons—unite in "loyalty" and make STEVENSVILLE HIGH SCHOOL the outstanding school of the county.

NOTES FROM THE SOPHS
By Willard Thomas

We are hastily advancing in Silas Marner and enjoying the way Miss Sewell is teaching it. We had the monthly English test last Friday and have had Algebra, Biology and History tests. We are very glad to hear that Ernest Smith received "A" for the first monthly Latin test. Ernest Porter made the Varsity soccer team this year with Irvin Drummer and James White substitutes.

FRESHMAN NEWS
By Lulu Scheel

This week Mr. Rhodes took us down to the Laboratory in Science class. This was the first time we had had any work of this type. It was all so different that I believe no one missed anything that went on about him. We looked at a small piece of onion skin under the microscope. We tried by experimenting to determine what different bodies of liquids were; such as acids, bases and neutrals. Another experiment was the proving of a reflex by the reactions of a blindfolded person to the tickling of a piece of paper and the pricking of the skin by a pin.

In Miss Sewell's English class we have begun to read our Literature Books, short stories which are written by Sarah Orne Jewett. Thus far, we have learned the value of comparison and each story taught us a lesson.

"RIDIN' IN THE RAIN"
By Eva Chance

We went to Sudlersville Friday in vain and in the rain. You know that song about "riding around in the rain". Well, we kept on riding in the rain. We arrived in Sudlersville about 2 o'clock. The field looked like a well kown swimming pool. More fun! And we had forgotten our life preservers! Horrors! Due to the weather, of course, we did not play. But we are ready to meet them at any time. So! Come on Sudlersville!

BOYS' SPIRITS DROWNED
By Calvert Jones, Jr.

Friday we rode to Sudlersville in high spirits with victory a certainty—only to return without playing. The field being flooded made soccer impossible.

However, Monday, we were instructed that we would motor to Sudlersville the next day to play the delayed game, the outcome of which will appear in this column next week.

He was 77.

He was the son of the late Thomas Wright Hopper Bordley and Elizabeth Charles Clannahan Bordley of Queen Anne's County. Burial took place in the family plot at St. Anne's Churchyard, Middletown.

Gulf Oil Salesman Has Rare No-Accident Record

To drive a million miles is something that is rarely achieved, except by a very few persons. To drive that many miles without a major accident is even more rare. To drive this distance without even scraping a fender seems almost an impossibility.

Yet B. W. Gibbs, a Gulf gasoline salesman of Collingswood, N. J., has just completed such a record. During nineteen years of driving motor vehicles in his work, Mr. Gibbs has covered over a million miles, over all kinds of roads, regardless of surface condition, without a single accident of any kind. This unusual record is all the more remarkable because the oil concern tabulates as chargeable accidents even such minor mishaps as damaged fenders, says the Gulf information bureau .
