The Store That Makes Visitors Feel at Home

Baltimore's Best Store is a homelike store. There's a ring of genuineness and sincerity to its greeting to visitors.

That is one of the many reasons why it is the most popular shopping place, not only for residents of Baltimore, but for the thousands of visitors who come to Baltimore to shop during the year.

YOU should make yourself acquainted with the Hochschild, Kohn & Co. Store the next time you visit Baltimore. You will find it not only a pleasant, but an economical shopping place—for it sells only dependable goods, and, in most cases, sells them at a price no higher than is ordinarily asked for inferior articles.

Bear in mind, too, that whatever you buy here is returnable, for exchange or refund, without question or argument, if it does not prove entirely satisfactory.

THE LAWYER IN THE SENATE.

There appeared in the Centreville Observer last Saturday one of the most damaging disclosures of the record of a public official, we have ever read. J. H. C. Legg, a prominent lawyer of Centreville, is counsel to the Board of County Commissioners of that county at a supposed salary of $150 per annum, just as nearly every county on the shore pays. It is shown by a most startling statement in the Observer that Mr. Legg has charged Queen Annes county the astounding sum of $804 84 for his services for the past fiscal year. The nature of these charges may be understood from the following published item, taken from 40 or more other such items:

"From Feb. 1912, to March 27th, 1912, was actually engaged twenty days on drafting bills for the county, 'especially' the County Bonding Bill for $75,000.00, also the amendments to the Treasurer's Bill relating to collection of taxes and other bills, $100 00."

"(Now here comes one! Look at it! February 1912 to March 27th, 1912, twenty days drafting bills for the county, especially the County Bonding Bill for $75,000.00 amendments, &c., $100.00. Is it not common knowledge that Senator J. Frank Harper and Thomas J. Keating, Esq., actually drew these bills? If they did not, why should the counsel to the Board of County Commissioners charge the tax-payers $100 for drawing such bills, which, as counsel to the board, it was his duty to have prepared without charge? Almost any lawyer would have been glad to have served the people of Queen Annes county without any charge whatever for doing work of this character. Legg, did you claim pay for the brains of others? Answer the people.)"

Mr. Legg is a lawyer. He is a candidate for State Senator in Queen Annes county on the George ticket, and if these statements mentioned in the Observer are correct, we would advise Mr Legg to withdraw as a candidate, for the people of Queen Annes will crush him in the primaries. The TRANSCRIPT has had considerable to say during this campaign against the lawyer representing our people in the Legislature. We have advised against it strenuously and we have produced sufficiently good illustrations to support our position. Both Kent and Queen Annes have farmers fitted against lawyers for the Senate and the people of both counties have had sufficient warning now as to what is best for their interests. Don't send the lawyer to the Senate.

LEE WILL WIN.

Baltimore City News' Survey of The Situation in The State Gives Lee The Nomination.

The Baltimore City News has made a systematical survey of the political situation throughout the State, and it says:

"As it looks at present Senator Lee's county vote with the solid city vote will land him the nomination. Senator Lee's reasonably sure county vote, with all the doubtful counties, will land him the nomination. Even with a division of the city and half of the doubtful counties he will have the nomination. Hence his chances in the fray seem very much better than his opponents.

"Senator Lee's vote that is regarded as reasonably sure plus the vote of all the counties regarded as doubtful would give him 66 votes in the State Convention from the counties alone, and this is more than the number required to nominate."

The News gives Lee the following counties:

"Garrett, Frederick, Montgomery, Harford, St. Mary's, Calvert, Charles, Kent, Queen Anne's and Somerset.

"Total, 38 votes."

Lee also has a good chance to carry Washington, Carroll, Prince George's, Talbot, Wicomico and Cecil.

Total, 28 votes.

Lee's sure county vote with Baltimore city's 28 votes will give him 66 votes in the State Convention, and for every doubtful county he carries he will have that many votes to spare. With reference to the situation in Baltimore the News says:

"Altogether the talk of aid for the State Comptroller in Baltimore city never seems impressive when the real situation is reviewed."
