CONSTITUTIONAL AMENDMENT

(Proposed by Chapter 426 of the Acts of 1935)

Amendment to Section 21 of Article 4 of the Constitution of the State of Maryland, title "Judiciary Department" sub-title "Part 3, Circuit Courts" providing for an additional Judge for the 6th Judicial Circuit of Maryland, comprising Frederick and Montgomery Counties, the said section as amended to read as follows:

21. For each of the said circuits, excepting the eighth and the third and the sixth, there shall be a chief judge and two associate judges, to be styled Judges of the Circuit Court, to be elected or appointed as herein provided, and for the third circuit and for the sixth circuit, there shall be a chief judge and three associate judges to be styled judges of the Circuit Court, to be elected or appointed as herein provided. And no two of said associate judges, for any of the said circuits, except the third and sixth circuits shall, at the time of their election or appointment or during the term for which they may have been elected or appointed, reside in the same county. If two or more persons shall be candidates for associate judge in the same county in any of the circuits, except the third and sixth circuits, that the one only in said county shall be declared elected who has the highest number of votes in the circuit. In case any two candidates for associate judge in any of the circuits, except the third and sixth circuits, residing in the same county shall have an equal number of votes greater than any other candidates for associate judge in the circuit, it shall be the duty of the Governor to order a new election for one associate judge; but the person residing in any other county of the circuit and who has the highest number of votes shall be declared elected. The said judges shall hold not less than two terms of the Circuit Court in each of the counties composing their respective circuits, at such times as are now or may hereafter be prescribed to which jurors shall be summoned; and in those counties where only two such terms are held, two other and intermediate terms, to which jurors shall not be summoned; they may alter or fix the time for holding any or all terms, until otherwise prescribed, and shall adopt rules to the end that all business not requiring the interposition of the jury shall be, as far as practicable, disposed of at said intermediate terms. One judge in each of the above circuits, including the third and sixth circuits, shall constitute a quorum for the transaction of any business; and the said judges or any of them may hold special terms of their court, whenever in their discretion, the business of the several counties renders such terms necessary. The additional associate judge for the third circuit herein provided for (shall be elected by the qualified voters of Baltimore and Harford Counties, at the first election that shall be held in said counties subsequent to the adoption of this amendment, and the judge so elected) shall be subject to the same constitutional provisions, hold his office for the same terms of years, receive the same compensation and have the same powers as are herein provided for the other associate judges in the third circuit.

The additional judge for the sixth circuit herein provided for shall be elected by the qualified voters of Frederick and Montgomery Counties at the first election that shall be held in said counties subsequent to the adoption of this amendment and none shall be appointed before that time. The judge so elected shall be subject to the same costitutional provisions, receive the same compensation and have the same powers as are herein provided for the other associate judges in the sixth circuit. The Chief Judge may be elected from either Frederick or Montgomery Counties, but when the Chief Judge is elected from Frederick County one of the associate judges shall be a resident of said County and the two remaining associate judges shall be residents of Montgomery County and when the Chief Judge is elected from Montgomery County one of the associate judges shall be a resident of said Montgomery County and the remaining two associates judges residents of Frederick County. In case any candidate or candidates for associate judge at any judicial election held in the sixth judicial circuit shall receive sufficent votes to cause such candidate or candidates to be declared elected, but the election of such candidate or candidates would cause more associate judges than herein permitted to reside in any county of said circuit, then and in that event only that candidate or those candidates, as the case may be, residing in said county in the order of the votes received shall be declared elected whose election would provide the permitted number of associate judges from said county and the candidate or candidates as the case may be, residing in the other county, and not similarly disqualified, who shall have the next highest number of votes in said election shall be declared elected. If, by reason of such a condition or by reason of an equal vote for two or more candidates a sufficient number of associate judges duly qualified as to residence as above set out should not be elected at any election in said sixth judicial circuit, then it shall be the duty of the Governor to order a new election for such unfilled office or offices.

CONSTITUTIONAL AMENDMENT

(Proposed by Chapter 584 of the Acts of 1935)

Amendment to Section 13 of Article 3 of the Constitution of the State of Maryland, title "Legislative Department," providing for the appointment of persons by the Governor to fill vacancies in the General Assembly of Maryland, instead of calling a special election to fill same; and further providing that the appointee shall be of the same political party as the person whose office is to be filled, said appointment to run for the unexpired term thereof, the said section as amended to read as follows:

Section 13. In case of death, disqualification, resignation, refusal to act, expulsion, or removal from the county or city for which he shall have been elected, of any person who shall have been chosen as a Delegate or Senator, or in case of a tie between two or more such qualified persons, the Governor shall appoint a person to fill such vacancy from a person whose name shall be submitted to him in writing by the State Central Committee of the political party with which the Delegate or Senator, so vacating, had been affiliated in the County or District from which he or she was elected, provided that the appointee shall be of the same political party as the person whose office is to be filled; and it shall be the duty of the Governor to make said appointment within fifteen days after the submission thereof to him. In the event there is no State Central Committee in the County or District from which said vacancy is to be filled, the Governor shall within fifteen days after the occurrence of such vacancy appoint a person who is otherwise properly qualified to hold the office of delegate or senator in such District or County. In every case when any person is so appointed by the Governor, his appointment shall be deemed to be for the unexpired term of the person whose office has become vacant.
