ORDER of PUBLICATION

MAURICE GLICK, SOLICITOR
1215 Court Square Bldg.,
Baltimore, Md.

BERNARD J. DRANE, et al.
vs.
ROBERT DRANE, et al.

In the Circuit Court for Queen Anne's County, In Equity.

Chancery No. 3062

The object of this suit is to procure a decree for the sale, for partition, of the real estate of Hannah M. Jarman, deceased, late of Queen Anne's County, Maryland, and a distribution of the proceeds among the persons entitled thereto, and for such other relief as the case may require.

The bill recites the death of Hannah M. Jarman on or about March 28, 1935, leaving a last will and testament, which was duly admitted to probate in the Orphans' Court of Queen Anne's County, docket Wills Liber No. 3 folio 507, which last will however made no provision whatsoever for the disposition of the real estate of said decedent, which said real estate therefore descended to her heirs-at-law under the laws of intestacy of the State of Maryland.

The real estate of the said Hannah M. Jarman, deceased, is described and referred to in said bill of complaint, and is located in the 7th Election District of Queen Anne's County, and is recorded among the Land Records of said County in Liber S. S. No. 2 folio 542, etc., saving and excepting a portion thereof conveyed away by the decedent under deed recorded among the Land Records of said County in Liber B. H. T. No. 1 folio 315.

The bill further recites the names of the heirs-at-law, being the first cousins of the said Hannah M. Jarman, deceased, there being fourteen first cousins entitled to an equal pro rata share of the net proceeds of said sale.

The bill further recites that certain claims have been filed against the estate of Hannah M. Jarman, deceased, which are being contested, and that Norman E. Ford, adminstrator c. t. a., is made a party to the proceedings.

The bill further recites that one Paul W. Phillips is made a party defendant because he has filed a mechanics lien against said property, the validity of which is disputed.

The bill further recites that the said real estate is not susceptible of division in kind, without loss or injury to the parties interested; and that it is therefore necessary and advantageous to all parties concerned that said property be sold by a trustee or trustees to be appointed in this cause and the proceeds divided among them according to their respective rights therein.

That the defendants, Robert Drane, widower, and Regina M. Hoetzel and Andrew J. Hoetzel, her husband, are non-residents of the State of Maryland.

It is thereupon this 11th day of February, 1936, ordered by the Circuit Court for Queen Anne's County in equity that the complainants by causing a copy of this order to be published in some newspaper in Queen Anne's County, once in each of four successive weeks, on or before the 16th day of March, 1936, give notice to the said absent defendants of the object and substance of this bill ,warning them to appear in this Court, in person or by solicitor, on or before the 3rd day of April, 1936, to show cause, if any they have, why a decree ought not to be passed as prayed.

Their Potato

Washington—With Congress trying to avoid the imposition of new taxes in an election year, President Roosevelt's hint that Congress will have to find the $2,500,000,000 needed for the bonus, because they passed it over his veto, dropped like a hot potato into the hands of House leaders and caused more discomfort than anything previously occurring this session.
