County Commissioners Notic

The Board of County Commissioners appeared before the State Tax Commission in Baltimore this week in reference to the increase in the assessment of the property holdings of the Pennsylvania Railroad Company in Kent county. Counsel for the Company appealed from the action of the Commissioners and took the case to the State Tax Commission.

The County School Board appeared before the County Commissioners on Tuesday and asked for an additional appropriation of $10,000 to liquidate the indebtedness of the Board. The request was for $10,000 for each of two years. The Board took no action in the matter.

OIL ENGINES!

Fairbanks, Morse & Co., the oldest and largest engine builders in this country, have just brought out their new Type Z Oil Engines. Samples of these engines are here

1½ H. P. $40.00
3 H. P. $70.00
6 H. P. $125.00

All these have built in magneto, using no batteries whatever. It is not a cheap engine, but a high grade engine backed by 35 years of experience built by a reliable concern.

Kerosene is only a little over one-third the price of gasoline, so you can afford to throw away your old gasoline engine and buy an oil engine and save its cost in one year.
