ENTER TYDOL'S CRUSADE FOR SAFE DRIVING

You Can Win $25,000.00 FIRST PRIZE!

39,700 DEATHS in motor accidents for the year of 1937. What will the dreadful total be in 1938? . . . As producers of gasolines and motor oils—as servicers of motor cars—we cannot be indifferent to this mounting death record of our highways.

Every day we come in direct contact with thousands of car drivers. We have their neighborly confidence. It is only natural that we feel a definite responsibility for their safety on the road. And only natural that we do something about it! That is why the Tydol Crusade for Safe Driving is launched.

Easy to Join . . . Easy to Win

Because *your* help is needed in this Crusade Contest it has been made *easy to join*. Because no real literary skill is required, the $25,000.00 first prize and the 684 other big cash prizes are *easy to win!* And to help increase *your* chances to win, only residents of 12 States and the District of Columbia are eligible to enter.

Hardly more than a month ago the mangled figure on the stretcher celebrated his 21st birthday . . . He lived long enough to become a voting citizen, but never cast a vote . . . He died on the operating table of a hospital.

SAVE LIVES—WIN A PRIZE—*Write YOUR Eight Rules for Safe Driving*

MANY different suggestions for driving behavior have been written and published. But what are YOUR 8 Rules for Safe Driving? What are the 8 Rules that you think assure the greatest safety in driving a motor car?

You can write these 8 Rules *easily in your own language. You can write them simply because no Safety Rule should be more than 25 words. This is not a literary contest . . . Writing skill does not count.*

For illustration, here are 3 Sample Safety Rules:

1. Never drive a car when sleepy or overtired.
2. Always keep to the right and you'll seldom go wrong.
3. Dim your headlights when passing a car.

Remember, these are not actual prize-winning Rules. They only show how easy it is to write your own 8 RULES FOR SAFE DRIVING.

How to join Tydol's Crusade

To help you in Tydol's Safe Driving Contest, Tide Water Associated Oil Company has prepared 8 brief booklets that contain a great many facts which will help you in writing your *8 Rules for Safe Driving*.

Each booklet also contains a numbered coupon. Booklet No. 1 contains Coupon No. 1. Booklet No. 2 contains Coupon No. 2—and so on. There are 8 coupons in all and you write your *8 Rules for Safe Driving* on these coupons. See Instruction No. 3.

Be sure and get these valuable coupons and remember the booklets containing them are FREE. And you do not have to make a purchase to get these booklets.

Entry Blanks are FREE to All

To enter the Tydol Crusade Contest all you have to do is to stop at any TYDOL-VEEDOL DEALER'S and ask for Crusade Booklet No. 1, entitled "Death on Wheels". In this booklet you will find an Entry Blank which should be mailed *immediately!* Read this booklet carefully, clip and hold the Safety Rule Coupon—and then start *thinking* about *8 Rules for Safe Driving*.

Then, next week, stop at any TYDOL-VEEDOL DEALER'S and get Booklet No. 2. Read this booklet, clip the coupon and keep it, and continue *thinking* about the "8 Rules" you will write. Follow this procedure for 8 weeks until you have received 8 different booklets and saved 8 coupons numbered from 1 to 8. Then you are ready to write your *8 Rules for Safe Driving*. The Contest Instructions tell you everything else you need to know.
