At last! DRAMA EVEN GREATER THAN THEIR DANCING!

SENSATIONALLY DIFFERENT from any Astaire-Rogers picture ever produced before!

ROMANCE taken from the life of the couple who started the whole world dancing... Brought to the screen in the blaze of excitement and glamour of a yesterday just passed! . . . Re-creating the dances that took a nation by storm—The Tango, The Maxixe, The Castle Walk, The Texas Tommy... Giving the screen a love-story biography almost too full and beautiful to have been real; too true and human to have existed without heartbreak.
