town, Friday, March 23d, Levin ged 57 years, 3 months and 8 days.

Sixty Abolitionists in Congress!—Resolution of Mr. Blake.

A few days since Mr. Blake, (Black Republican,) member of Congress from Ohio, introduced the following preamble and resolution:

Whereas the chattelizing of humanity and the holding of persons as property is contrary to natural justice and the fundamental principles of our political system, and is notoriously a reproach to our country throughout the civilized world, and a serious hindrance to the progress of republican liberty among the nations of the earth: therefore,

Resolved, That the Committee on the Judiciary be, and the same are hereby, instructed to inquire into the expediency of reporting a bill giving freedom to every human being, and the interdiction of slavery wherever Congress has the constitutional power to legislate on the subject.

The vote was taken upon the resolution with the following result:

YEAS—Messrs. Adams of Mass., Aldrich, Alley, Bingham, Blair, Blake, Brayton, Buffington, Burlingame, Burroughs, Butterfield, Carey, Carter, Colfax, Conkling, Curtis, Delano, Duell, Edgerton, Edwards, Eliot, Fly, Farnsworth, Foster, Frank, Gooch, Grow, Gurley, Hale, Helmick, Hoard, Humphrey, Hutchins, Kellogg of Mich., Leach, of Mich., Lee, Lovejoy, McKean, Morrill, Olin, Palmer, Potter, Pottle, Rice, Sedgwick, Sherman, Somes, Spaulding, Spinner, Stewart of Pena., Tappan, Tompains, Train, Vandever, Waldron, Walton, Washburn of Wis., Washburn of Ill., Wells and Windom—60.

NAYS.—Messrs. Allen, Anderson of Mo., Ashmore, Avery, Barksdale, Barr, Barrett, Bocock, Boteler, Boyce, Branch, Briggs, Barstow, Burch, Burnett, Campbell, Clark of Mo., Clopton, Cobb, John Cochrane, Cooper, Cox, Craig of Mo., Craige of N. C., Crawford, Curry, Davis of Md., Davis of Ind., Davis of Miss., Dejarnette, Dunn, Edmundson, Etheridge, Florence, Fouke, French, Garnett, Gartrell, Gilmer, Hamilton, Hardeman, Harris of Md., Harris of Va., Hatton, Hickman, Hall, Hindman, Holman, Houston, Hughes, Jackson, Jenkins, Jones, Keitt, Kenyon, Kunkel, Lamar, Landrum, Leach, of N. C., Leake, Logan, Love, Malfory, Martin of Ohio, Martin of Va., McKnight, McPherson, McQueen, McRae, Miles, Millson, Millward, Montgomery, Moore of Ky., Moore of Ala., Morris of Penn., Morris, of Ill., Niblack, Nixon, Noell, Phelps, Porter, Pryor, Pugh, Quarles, Reagan, Riggs, Robinson of Ill., Ruffin, Schwartz, Scott, Scranton, Simms, Singleton, Smith of Va., Stallworth, Stephenson, Stewart of Md., Stokes, Taylor, Thayer, Thomas, Trimble, Underwood, Valandigham, Winslow, Woodson and Wright—109.

When the British employed their savage allies they always insisted that they could control their native ferocity. In like manner the Black Republicans have insisted that their Abolition associates were powerless, and perfectly under the command of the Republican leaders. This imposition was exposed, however, when the Hon. Mr. Blake asked Congress for a bill "giving" freedom to every human being, and still more when it was found that sixty members of Congress were in favor of the abominable proposal! Amongst these names will be found the men who stuck to Sherman and elected Pennington—amongst the names which advocate this revolutionary doctrine is to be found that of Sherman himself. There may be found two of the Washburne's, and Colfax and Burlingame. There the name of Carter, who had imposed himself upon the country as a silver-gray Whig, of moderate tendencies. In a word, there are sixty members of the Black Republican party in favor of considering a bill to abolish slavery.

On the other hand, every Democrat—every Southern American, and every conservative member of Congress present—refused even to refer this infamous inquiry.—*Wash. States.*

A CARD TO THE SUFFERING.

The Rev. WILLIAM COSGROVE, while laboring as a missionary in Japan, was cured of Consumption, when all other means had failed, by a recipe obtained from a learned physician residing in the great city of Jeddo. This recipe has cured great numbers who were suffering from Consumption, Bronchitis, Sore Throat, Coughs and Colds, and the debility and nervous depression caused by these disorders.

Desirous of benefiting others, I will send this recipe, which I have brought home with me, to all who need it, free of charge. Address REV. WM. COSGROVE, jan11-3m 230 Baltic st., Brooklyn, N.Y.

THE PUBLIC BLESSING which is now universally admitted to exist in MOFFAT'S LIFE PILLS and PHŒNIX BITTERS, is every day demonstrated by their astonishing efficacy in the cases which they are announced to cure. All the complaints of the stomach and bowels, weakness of the digestive organs and of the system generally, bilious and liver affections, night fevers, head aches, piles, costiveness, consumption, rheumatism, scurvy, impurity of the blood, or blotched and sallow complexions, soon yield to their curative properties. A single trial invariably secures them the title of the best family medicines now before the public. For sale by the proprietor, W. B. MOFFAT, at his office, 235 Broadway, New York, and by Store-keepers and Druggists generally. jan25-1y

THE UNIVERSAL

GAS LIGHT.

Edward H. Anderson's

Portable, Air-Pressure,

FAMILY GAS LAMPS.

(Patent applied for.)

BY this valuable invention, every family both of Town or Country, can enjoy the luxury of a first quality Gas-light which for safety in its use, brilliancy and economy, cannot be surpassed, at a cost of less than one cent per hour. It produces a light equal to four ordinary two-tube fluid lamps, and is perfectly free from *smoke or smell*, and less trouble in its management than the ordinary fluid or Coal oil lamps. They are so constructed that the flame can be reduced to one half size, when the full force is not required, thereby only consuming one half the quantity of oil.

The great desideratum that has so long been felt for a portable Gas light, simple in construction, one that is easily managed, and not requiring too much outlay in the first cost of apparatus, has now been obtained, and is fully realized in this truly valuable invention, and must be seen to be fully appreciated.

Every person in want of a superior and economical Gas-light, are respectfully invited to call and examine for themselves.

Every description of Coal oil or fluid Lamps altered to manufacture and burn the Gas, at the low price of $2.00 without shade, and $3 when a shade and attachment is required.

A good supply of GAS LAMPS, BRACKETS, Pendants, Chandaliers, &c., suitable for Churches, Halls, Stores and private residences, constantly on hand and manufactured to order. E. H. ANDERSON, & CO., nov23-6m Easton, Talbot County, Md.

Startling, but True!--Survive or Perish.

Holloway's Pills.

THE history of this great remedy is the most wonderful medical revelation that the world has ever known. It is not a history written by one man, or even derived from the experiences of one nation, but consists of a compilation of testimonials from the sick of every country—a record, the like of which has never been adduced in favor of any discovery or invention since time began.

BILIOUS DISORDERS.

In whatever form disease attacks the liver, it is repelled and exterminated by this searching, painless and irresistible curative.

Let the sick whom the faculty have abandoned, resort with confidence to this powerful anti-bilious agent, and a restoration to health and activity will be the unvarying result.

DYSPEPSIA.

The great scourge of this continent yields quickly to a course of these anti-septic Pills, and the digestive organs are restored to their proper tone; no matter in what shape this hydra of disease exhibits itself, this searching and unerring remedy disperses it from the patient's system.

GENERAL DEBILITY and WEAKNESS.

From whatever cause, LOWNESS OF SPIRITS, and all other signs of a diseased liver, and other disorganization of the system, vanish under the eradicating influence of this all powerful anti-septic and detergent remedy.

SICKLY FEMALES

should lose no time in trying a few doses of this regulating and renovating remedy; whatever may be their complaint, it can be taken with safety in all periodical and disorganizations; its effect is all but miraculous.

Holloway's Pills are the best remedy known in the world for the following diseases:

☞CAUTION!—None are genuine unless the words, '*Holloway, New York and London,*' are discernible as a *Water-mark* in every leaf of the book of directions around each pot or box; the same may be plainly seen by *holding the leaf to the light.* A handsome reward will be given to any one rendering such information as may lead to the detection of any party or parties counterfeiting the medicines, or vending them to be spurious.

**Sold at the Manufactory of Professor HOLLOWAY, 80 Maiden Lane, New York, and by all respectable Druggists and Dealers in Medicine throughout the United States and the civilized world, in boxes at 25 cents, 63 cents and $1 each.
