NEW SHOES

The prices of first-class shoes is the great problem this season. We have not sacrificed the quality in our shoes to make popular prices, but we do say that we prepared ourselves for this situation and are in a position to offer excellent shoes at only a slight increase of price. In fact, the shoes we had already in stock (up-to-date styles, too,) will be sold at original prices.

Prices $1.50 to $7.50 Pair.

NEW DRESS GOODS

We claim to have the largest stock of Fine Dress Goods in the county. Come and see for yourself.

Dairymen Meet.

An important meeting of the Dairymen's Association was held at Kennedyville on Saturday evening to discuss the price of milk and other matters pertaining to the welfare of the association. An effort is being made by the dairymen to get more thoroughly in touch with the milk dealers, and to adjust the scale of prices more satisfactorily to each. As a result of the meeting, the milk station at Kennedyville has put the price of grade milk up to $2.20 per hundred pounds, and we hear that Black's station is giving $2.40 and $2.50 per 100 for the best grades. A meeting of the dairymen was held here in the Court House on Thursday evening and the discussion was along the line of the meeting at Kennedyville. There is nothing so effective as organization among the farmers, but we would advise that they form a harmonious basis of co-operation with the dealers in order to serve the interests of both in the best possible manner. A county association was formed at Kennedyville and a subordinate association in Chestertown.
