fine. The object of this move is said to be to organize the troops better, and give them some instruction in tactics.

The same account further states that Jackson and McCulloch are being rapidly reinforced from Arkansas.

Gov. Jackson, of Missouri, was at Memphis on the 21st instant, and had made a speech, in which he said that 10,000 troops could readily be raised to battle for the South if they could get arms. He had left twenty-five or thirty thousand men under Ben. McCullough and Gen. Price who were armed and had marched on Springfield the day of his departure, with a view of attacking Gen. Siegle,s forces. By this time he thought the attack had doubtless been made. The Governor seemed quite sanguine of redeeming his State from what he called "Lincoln's despotism." But, he said, he desired the co-operation of Tennessee and other Southern States by way of expediting the matter.

Cols. Siegel and Salomon are reorganizing their regiments for three years' service, receiving many recruits from this vicinity. The entire force now here is over 8,000 men, nearly all of whom reinlist for three years.

Ben. McCullough is still at Camp Walker, Arkansas, with 5,000 well armed troops. Governor Jackson is some twelve or fifteen miles this side with 10,000 poorly armed and undisciplined men. Forty-nine men from Carroll and Marion counties arrived on Thursday last, and enlisted for three years. The Home Guard have been relieved from active duty, and are now harvesting their crops.

Much complaint is made here at the tardiness with which our troops are supplied with the necessary stores and provisions.

As late as 23d inst., Col. Seigel and Salomon were at St. Louis.

Maj. Gen. Fremont arrived at St. Louis on Thursday last. The secessionists ase disarming the Union men in northeast Missouri.

FROM WESTERN MISSOURI.

It is said that Governor Wise has been recalled, with his troops, from Western Virginia. Davis and Benedegard had done this in opposition to Gen. Lee's advice.

Gen. Banks has reached his command at Harper's Ferry, and Gen. Patterson left for Washington on 25th inst.

They have had a hard fight in the Kanawha. Gen. Cox attacked a secession camp, supposed under Wise and was badly beaten. His loss was heavy and his forces routed and demoralized.

Gen. Lee has been sent to command the forces at Winchester.

Harper's Ferry Evacuated by the Federal Army.

Passengers who left Harper's Ferry on Sunday, brought information last evening that Gen. Banks son over to the Maryland side on Saturday all his camp equipage and Military stores, and yesterday his army evacuated the place and crossing over to the Maryland side, occupied the heights.

Hampton Evacuated.

Gen. Butler has evacuated Hampton, from whence all the heavy ordnance was removed to Old Point.

The force now at Newport News point is said to be about six thousand strong. General Butler complains of the action of the Federal government in withdrawing so many of his troops, and it is the impression at Old Point that he will be driven into Fortress Monroe.

ONE MORE LINK IN THE CHAIN OF DESPOTISM.—We copy the following from the Annapolis Republican of Saturday:

This city has been thrown into quite an excitement within the last one or two days by the illegal arrest of several citizens by the military stationed at the Naval Academy.—Mr. Frank Steigleman, the county jailor, was arrested on Thursday evening and lodged in the guard-house. Samuel McCullough, son of Passmore McCullough, Esq., a young student of law in this city, was arrested on the same evening, charged, we believe, with hurrahing for Jeff Davis on Monday evening upon hearing the news from Manassas. A young man named Watkins was also arrested, and a number of soldiers detailed for that purpose, have searched the dwelling of Mr. Lewis Tydings in search of his son William Tydings. A large number, it is said, are on the list of the proscribed, but the military have eiher not been able to find them, or do not care to do so.

The Vermont State Democratic Convention met at Montpelier on the 24th inst. and made the following nominations: For Governor, Paul Dillingham; for Lieut.-Governor, Stephen Thomas; for Treasurer, James T. Thruston.

There was a very spirited debate on the no-party issue, in which the straightout Democrats were too many for the Unionists.

Hon. Jesse Leasure, who has just returned to Pittsburg from Washington, states that in view of the recent disaster, Gen. Scott has expressed himself that "He will not again be governed by outside opinions, and that there will be no more fighting for three months." So says the Post.

HOLLOWAY'S PILLS.—Let reason guide you.—Dyspepsia, Costiveness.—Where is no grief but can be assuaged, no pain susceptible of alleviation or desease without remedy. Are you dyspeptic? look for the cause of disordered stomach or derangement of the liver. Are you costive or bound in the bowels? Try again the stomach or viscera are at fault. Holloway's Pills will eradicate the source. Try them. They have never yet failed in one single instance out of millions of cases. We urge all who are suffering from Dyspepsia, Costiveness, Bowel Complaints, &c., to use them at once, and they will effectually cure. The proof lies in a trial. ATMOSPHERIC changes of the season exert great influence over the human system and sensations; upon their recurrence in persons of phlethoric habits, sufferers from scrofula, cutaneous eruptions, stubborn ulcers from an injudicious use of mercury, and all chronic constitutional disorders, should have recourse to SANDS' SARSAPARILLA, the original and genuine article so long celebrated for the cure of the above-named diseases, and all others arising from an impoverished, vitiated or inflamed condition of the blood or health of the system.

GREAT DISCOVERY!!!—Ample tests, both by able practitioners and chemical analysis, have demonstrated the great value of Prof. DeGrath's beautiful compound combination, called "ELECTRIC OIL," for the relief and cure of pain. But the people themselves are rendering their verdict in a manner both unmistakeable and satisfactory. More than 20,000 bottles have been sold in a very short time, a great proportion to those who heard others recommend it, who had tried it. That it's a splendid discovery is everywhere acknowledged, and nothing like it was ever before prepared.

The only genuine Electric Oil is Prof. DeGrath's which is to be had at all the respectable Druggists in the land, and at wholesale and retail, at the proprietors prices of the agent. jy10-4m

All who are suffering from Asthma, Scrotula and Impurities of the Blood should use the MAKORA ARABICA, discovered by a missionary in Arabia.

It cures Consumption.
It cures Bronchitis.
It cures Sore Throat, Coughs and Colds.
It cures Asthma, Scrofula, and impurities of the Blood.

This unequalled remedy is now for the first time introduced to the public.

It was providentially discovered by a missionary while traveling in Arabia. He was cured of Consumption by its use after his case was pronounced hopeless by learned physicians in Europe.

He has forwarded to us in writing, a full accounnt of his own extraordinary cure, and of a number of other cures which have come under his observation, and also a full account of the medicine.

At his request, and impelled by a desire to extend a knowledge of this remedy to the public, we have had his communication printed in pamphlet form for free distribution. Its interest is enhanced by an account which he gives of some of the scenes of the Syrian massacres, which he obtained from those who were sufferers in that awful tragedy.

This pamphlet may be obtained at our office, or it will be sent free by mail to all who apply for it.

We import the MAKORA ARABICA direct from Smyrna, through the house of Cleon & Gylippus, and we have always on hand a full supply put up in bottles ready for use with full directions.

Price one dollar per bottle. Sent by mail, on receipt of price, and 24 cents for postage.

Health and its Pleasures,
OR
DISEASE WITH ITS AGONIES;
CHOOSE BETWEEN THEM
Holloway's Pills.

NERVOUS DISORDERS.

WHAT is more fearful than the breaking down of the nervous system? To be excitable or nervous in a small degree is most distressing, for where can a remedy be found? There is one:—drink but little wine, beer, or spirits, or far better, none; take no coffee,—weak tea being preferable; get all the fresh air you can, take three or four Pills every night; eat plenty of solids, avoiding the use of slops; and if these golden rules are followed, you will be happy in mind and strong in body, and forget you have any nerves.

MOTHERS AND DAUGHTERS.

If there is one thing more than another for which these Pills are so famous it is their purifying properties, especially their power of cleansing the blood from all impurities, and removing dangerous and suspended secretions. Universally adopted as the one grand remedy for female complaints, they never fail, never weaken the system, and always bring about what is required.

SICK HEADACHES AND WANT OF APPETITE.

These feelings which so sadden us, most frequently arise from annoyances or trouble, from obstructed perspiration, or from eating and drinking what is unfit for us, thus disordering the liver and stomach. These organs must be regulated if you wish to be well. The Pills, if taken according to the stomach, whence follow as a natural consequence, a good appetite and a clear head. In the East and West Indies scarcely any other medicine is ever used for these disorders.

DISORDERS OF THE KIDNEYS.

In all diseases affecting these organs, whether they secrete too much or too little water; or whether they be afflicted with stone or gravel or with aches and pains settled in the loins over the regions of the kidneys, these Pills should be taken according to the printed directions and the Ointment should be well rubbed into the small of the back at bed time.—This treatment will give almost immediate relief when all other means have failed.

FOR STOMACHS OUT OF ORDER.

No medicine will so effectually improve the tone of the stomach as these Pills; they remove all acidity, occasioned either by intemperance or improper diet. They reach the liver and reduce it to a healthy action; they are wonderfully efficacious in case of spasm,—in fact they never fail in curing all disorders of the liver and Stomach.

Holloway's Pills are the best remedy known for the following disease.
