Peninsular Milk Producers' Meeting.

Chestertown, Md., Dec. 19.

Six counties were represented at the Peninsula Milk Producers' meeting here Monday, and delegates from several other counties started for Chestertown but were forced to give up the attempt after being stranded in the snow drifts south of here.

Mr. E. A. Corey, a member of the executive committee of the Inter-State Milk Producers' Association, outlined their method of organization and operation, and told us of the good work that the association is doing. It has already won a great victory in establishing the principle that farmers should have a voice in fixing the price of their products. The milk dealers of Philadelphia acknowledged that the dairymen are entitled to a voice in fixing the price of milk, and have agreed that henceforth the price shall be fixed by a joint committee consisting of representatives of the producers and the distributors.

Dr. G. H. Alford, a member of the Governor's Tri-State Milk Commission, which was appointed to investigate all branches of the milk industry, stated that the commission had succeeded in gaining access to the books of the Philadelphia milk dealers, and would soon issue a report that would be of great interest to both producers and consumers, as it will present many facts that have never before been published.

County Agent Burrell discussed the question of over-supply. Many dairymen are afraid that an increase in the price of milk will soon cause an oversupply and injure the industry. But our exports of milk and butter have increased from $3,000,000 during the year ending June 30th, 1914, to $17,000,000 during a similar period ending 1916. Further, the consumption of dairy products in the U. S. is very low. Under present conditions one can get a much greater food value for money expended for milk and its products than for any other class of food. The National Dairy Council is planning to spend $20,000 per month for the next three years in advertising milk and its products in the U. S. As the American people come to a realization of the great food value, healthfulness and economy of milk, butter, cheese and ice cream they will use more and more of them, so the demand should double in a few years time. Therefore there is no danger of an overproduction for many years.

The following resolution was unanimously adopted:

"Resolved, That this meeting go on record as favoring organizing for the purpose of affiliating with the Inter-State Milk Producers' Association, throughout all regions on the peninsula that send milk to Philadelphia and nearby markets.

Betterton Notes.

The Epworth League of Betterton, under the leadership of Mr. Reese Young will hold a Christmas celebration in the Church on Sunday evening. Promptly at 6.30 the members of the League will enter singing Christmas carols. Immediately following these the Junior League will march as they sing several carols. "Silent Night" will be given in an attractive form and there will be several other interesting features. Special selections will be sung by the choir at both the afternoon and evening services. All persons from the oldest to the youngest are invited to be present. The service will begin at 6.30 and close at eight.

Prof. Smyth, of Chestertown, gave a very interesting talk at the Epworth League service last Sunday evening.

Betterton folks have enjoyed the coasting this week. The sleds began at Mr. Walter Crews house and ran to Turner's ice cream saloon.

Because of the ice the Susquehana made her last trip to Baltimore last Monday. The Ericsson boats have been unable to stop at Betterton.

Mr. Ernest Brice was thrown from his wagon and broke two bones in his wrist, when the horses he was driving ran away last Wednesday.

Miss Louise Crew is visiting friends in Baltimore.

Mrs. Carlton C. Moore entertained the Embroidery Club at her house last Thursday afternoon.

Mr. W. P. Newnam gave a victrola recital at the Betterton house last Thursday afternoon.

Report of Auditing Committee

OF KENT COUNTY, MD.

To the Honorable Board of County Commissioners for Kent County:

GENTLEMEN—In compliance with an Act of the General Assembly of Maryland, passed January, 1904, we having been appointed Auditors for Kent County, beg leave to state we have examined the books, accounts, vouchers and papers of the office of the County Commissioners, Treasurer, Board of School Commissioners and Trustees to the Almshouse, and submit the following report as shown in the following exhibits:

EXHIBITS

The Auditing Committee wish to state that we have compared the assessment books of the county with the tax books of the Treasurer and verified them; we have traced each bill presented through the books of the County Commissioners to the Treasurer to checks returned.

You will see the exhibit showing expenditures for 1915-16 make the amount $147,070.87, while the Treasurer's expenditures are $108,214.86. The former is made up of orders and certificates for 1915-16 and paid, and certificates of 1914-15 paid in 1915-16.

SUMMARY OF ASSETS, REAL AND PERSONAL, AND AMOUNTS OF LEVY FOR 1915-16 AS ESTIMATED BY COUNTY COMMISSIONERS.

SOURCE OF REVENUE.

Real and Personal, $9,954,452, at $1.11 on the $100	$110,494 42
Shares of Corporations, $63,676.04, at $1.11 on the $100	706 80

Balance in Treasury	120.90
	$114,541 44

The above was estimated by the County Commissioners as follows:

Certificates issued in 1914-15 to be provided for in levy of 1915-16, as follows	$22,702 46
Estimated orders to be provided for 1915-16	92,288 98
	$114,991 44

	$110,944 42
	110,494 42
	$ 450 00
