A little more than one and one-third of a blank to a prize, subject to a deduction of 15 per cent.

The drawing will commence on the first Monday in May next, and continue until finally completed, if the sale of tickets warrant it; otherwise, it will be postponed until a sufficient number of tickets is sold to justify the commencement and continuance thereof to its conclusion.

Thirty days after the completion of the drawing, the prizes will be paid to the fortunate adventurers. Such prizes as shall not be demanded within twelve months after the drawing is finished, will be considered as relinquished for the benefit of the church.

From the superior advantages of this scheme, wherein there is very little more than one and one-third of a blank to a prize, the managers cherish a hope that their friends and the public, seeing the difficulties attending their indefatigable efforts to carry their present undertaking into execution, will generously come forward and prove their benevolence by purchasing tickets.

The mayor having prohibited the sale of tickets in this lottery within the limits of the city, for the present; and it being therefore necessary for the managers to petition the mayor and city council, for permission to sell them within the said city, tickets may be had of the following persons, in the precincts only, until the fate of said petition shall be known, viz. the rev. Mr Reuter, next door to St. John's church; Mr. Jacob Stansbury, No. 46, Bridge-street, Old-Town; Mr. Christian Capito, head of Market-street; and of the subscribers at their respective dwelling houses.
