BELLEFIELD.

THE subscriber will offer for sale, on *MONDAY the 3rd day of JUNE* next, between the hours of 10 & 12 o'clock, A. M., on Parvin's Green, that beautiful little farm "BELLEFIELD," adjoining the town of Cambridge, containing 14 1-2 acres of land, highly improved. This property has been undergoing a general repair, and with very little more expence can be put in a good condition for the reception of a family of any ordinary size. The house is large and commodious, and to any person wishing to reside convenient to the capital of the county, where every luxury and convenience calculated to render life desirable may be obtained, there is no place in our county to its size offers greater inducements—and to gentlemen desirous of educating their children under their immediate inspection, the advantages are very great; there being several Male and Female Schools in the town of first reputation. The terms will be one-fourth cash, the balance in two equal instalments of one and two years, bearing interest from date, with approved security.

CHANCERY SALE.

BY virtue of a Decree of the High Court of Chancery I will offer at public sale on *WEDNESDAY the 22nd day of MAY* next, at Corner's Store in the Neck district, between the hours of 11 & 2 o'clock, all the interest of James & Levin Frazier in all that tract or parcel of land of which Levin Frazier late of Dorchester county deceased, died seized and possessed, called "Joseph's Wright," lying and being within about 2 miles of Beckwith's meeting house, and adjoining the land of Perry North and others, on the little Choptank river, and containing eighty acres more or less.

A part of it, say one half, is covered with a very superior quality of timber, and the other land is also of very good description.

The dwelling house and improvements are in a very good condition. The situation is pleasant and eligible on account of its convenience to navigable water, not to speak of luxuries of fish, oysters, &c.

The interest of James and Levin Frazier which will be sold is a remainder interest, dependent upon the life estate of the widow of Levin Frazier deceased—in other words, the purchaser will buy all the interest in the property except the life estate of the said widow. She is at this time about 80 years of age.

The conditions of the sale as prescribed by the Decree, are one fourth of the purchase money cash, and the balance in equal payment of 6, 12 & 18 months, to be secured by bond and security approved by the Trustee. On payment of the entire purchase money a good deed will be given, conveying a clear and indisputable title.

TRUSTEE'S SALE OF VERY VALUABLE PROPERTY.

BY virtue of a Decree of the High Court of Chancery I will offer at public sale, to the highest bidder at Tobaccostick, on

Saturday the 20th of April

next, at the hour of 2 P. M., all the Real Estate of which John Brohawn died seized and possessed consisting of the following tracts and parcels of land, to wit:—"Davi 's Chance" one acre more or less, "Lakes Discovery" 21 acres, "North Division" 17 3-4 acres, "Partnership tract" 231 acres, "Composition" 246 acres "Pleasant Grove Regulated and Pattison's Privilege" 60 acres, "Norths Adventure" 136 1-2 acres, "Beaver Dam" 17 3-4 acres, and any other lands of which the said John Brohawn died seized. This property is highly valuable and well situated; some of the above tracts are covered with an excellent growth of timber and wood. The Plantation whereon the said John Brohawn resided in his lifetime, is a most delightful and healthful residence, situated immediately on the Choptank river, and at the mouth of Slaughter creek, and has all the advantages of such a location; fish, oyters, wild fowl, in the greatest abundance. The proximity of the farm to the water, affords every opportunity for the highest state of improvement from the great quantity of shells, that may be obtained, with little expense. The improvements on the farm are excellent and rarely exceeded. Indeed the establishment, take it altogether is a most desirable one, and any gentleman desirous of a residence on salt-water, will find that this combines as many essentials to comfort and luxury, as can well be obtained. There are other farms embraced by the above tracts, very convenient to navigation and in which profitable investments may be made. The wood and timber also on other tracts afford an opportunity for speculation. Persons are invited to go and examine the property. These lands are sold for the purpose of division amongst the parties entitled, and clear of the widow's right of dower.

The terms of sale are one fourth cash on the day of sale and the residue on a credit of 6 12 18 & 24 months, with interest from the day of sale to be secured by bond, with surities to be approved by the trustee.

A FARM FOR SALE.

THE subscriber offers for sale the farm in Town Point neck, on which Luther Bain now resides. This farm is well located on Fishing creek and contains about 137 acres of land. The buildings are pretty good, and the farm itself is capable of a very high state of improvement at small cost; about one half of the cleared land (say 50 acres) is already limed, and there are abundant resources of bank shells and other means of improvement on the premises, and with a proper system of cultivation and a small expenditure of labour, it could, in a short time, be made very productive, and would yield a handsome interest on the investment.—The terms will be made easy, and a long credit, if desired, will be given upon the purchase money, provided the interest is punctually paid. Mr. Bain will shew the premises to any person wishing to view them, and for terms apply to the subscriber, or in his abscence to N. L. Goldsborough Esq., in Cambridge.

FOUNDRY.

THE Subscribers grateful for the patronage heretofore received, beg leave respectfully to inform their friends and the public generally, that they now have on hand and are daily manufacturing the most approved

WHEAT MACHINES,

ever offered to the public on this Shore. Their superiority over other machines consists in *simplicity* and *strength*, which will enable us to *warrant* them with perfect safety. Notwithstanding there are numerout Machines used in this county, it is a well known facs that they are too liable to become injured and broken from trivial causes, arising from their complicated construction. The Machines we now offer to the public have been tested by a number of experienced Farmers both on the Western and Eastern Shore, and have invariably given general satisfaction.

They would also call the attention of the public to their extensive assortment of

PLOUGHS,

Plough Castings—Mill Castings, &c.

Their assortment of Ploughs embraces a great variety, viz:

WINAN's Self Sharpener,	BEACH Improved,
DAVIS,	BERNARD,
SINCLARE & MOORE,	COULTER,
CHENOWITH,	WILEY,
BEACH,	Patent CYCLOIDAL Plough,

The merits of most of the above Ploughs are already well known; but the Wiley and Patent Cycloidal have been recently introduced by us on this Shore as a valuable acquisition to the Farmer. The Patent Cycloidal, in 1842, took the first premium at the Agricultural Exhibition, near Govanstown, Baltimore county, Md., over numerous competitors, comprising some of the most celebrated Ploughs of Pennsylvania, New York and Maryland. All our Ploughs are stocked of the best timber, and warranted to run well. We are also prepared to do

CASTING & WROUGHT WORK

of every description at the shortest notice, and at city prices. We respectfully solicit the patronage of the public and invite them to an examination of our stock.

N. B.—Persons having machines to repair will please bring them in as early in the spring as possible, so as to give full time to do the work in a proper manner. H. & H.

Notice.

THE late Sheriff & Collector, John H. Hodson, Esq., having transferred to my books all the accounts due him in Cambridge District, I hereby give notice that I shall proceed without delay to close up his business in said district. All those indebted to him for officers fees, county charges, or direct taxes, having frequently been requested to settle the same, are now informed that the time for all indulgence is past and that those who do not come forward and settle without any further notice will find themselves very disagreeably situated. It is very unpleasant to the Sheriff as his long forbearance has shown, but self preservation is the first law of nature. So I tell you tax-payers, look out for yourselves.

HANCE'S SARSAPARILLA, VEGETABLE, OR BLOOD PILLS, for the promotion of Health and the purification of the Blood.

WHAT IS LIFE?—THE BLOOD.

When the blood becomes impure or imperfectly circulated, it gives rise to the following diseases.

LIVER COMPLAINT,

When the blood (in an impure state,) in traversing the body deposites its impurities on the liver, it gives rise to liver complaint, the principal symptoms of which are a bilious hue of the skin,—with dull, heavy, and wandering pains about the right side, shoulder & back; by a loss of appetite, indigestion, occasional fevers, difficulty of breathing, extreme debility, and many times with a *cough*, resembling *consumption*. This disease has long been amongst the most uncertain objects of medical skill, and, being nearly allied to pulmonary consumption, is very difficult of cure; owing also to the uncertainty which attends the use of medicines in this disease, it is generally allowed to take its own course unmolested. A few boxes of

HANCE'S SARSAPARILLA PILLS,

taken to purify the blood and purge away the impurities, will in all cases give immediate relief.

CUTANEOUS DISEASES,

LAND FOR SALE.

THE subscriber will sell at private sale that tract of land called "Bachelor's Forest," purchased by Camillus Kidder from the heirs of Lot Warfield. The above land lies in Vienna district, and joins Thomas Hodson's land on one side and Alexander Sherman's on the other, fronting on the road from Vienna to New Market, being covered or nearly so with white and red oak timber.

The low price at which it will be disposed of, (it is believed,) offers a safe investment to any person who is desirous of investing money in lands. Feel hale when old age shall advance—
