## BACKACHE IS A WARNING.

### Chestertown People Should Not Neglect Their Kidneys

Backache is often nature's most frequent signal of weakened kidneys. To cure the pains and aches, to remove the lameness when it arises from weakened kidneys, you must reach the cause—the kidneys. If you have pain through the small of your back, urinary disorders, headaches, dizzy spells, or are nervous and depressed, start treating the kidneys with a tested kidney remedy.

Doan's Kidney Pills have been proved good and are especially for weak kidneys. Doan's have been used in kidney trouble for over 50 years. Read Chestertown testimony.

Mrs. Jack Hackett, N. Mill St., Chestertown, says: "Last winter I had a very painful attack of backache. My back gave me considerable trouble all the time. I used two boxes of Doan's Kidney Pills, procured from M. A. Toulson's Drug Store, and I haven't been bothered since."

Price 50c, at all dealers. Don't simply ask for a kidney remedy—get Doan's Kidney Pills—the same that Mrs. Hackett had. Foster-Milburn Co. Props., Buffalo, N. Y.
