VALUABLE LANDS

FOR SALE.

On the 23d day of May next, will be exposed to public sale, on the premises, all that very valuable body of LAND, usually called the White Marsh, lying in Sassafras Neck, in Cecil county—containing about 1075 acres, part of the real estate of colonel James Brice, late of the city of Annapolis, deceased.

THIS Land is esteemed by those who are best acquainted with it, to be equal, if not superior, in quality and situation, to any in that county, and is peculiarly well adapted to the cultivation of wheat, corn, and other grain. It is at present divided into three handsome Farms, each of which has abundance of wood, and a suitable proportion of meadow-lands. The improvements on the middle farm consist of a good Dwelling-House, Barn, Stables, and other out-houses. Those on the other two consist only of Negro-quarters, built of logs. On a corner of the middle farm is a Store-house, Granary, and a comfortable dwelling-house, situated at the intersection of two public roads. The Store, &c. with about three acres of ground, is at present under rent at 60l. per annum, and is esteemed an excellent stand for business, especially in the Grocery line.

The above land is situated about six miles from Frederick-Town, on Sassafras River, and about thirteen miles from Appoquinimink, the latter of which is a steady good market for Wheat. It is probable that the Canal, which it is in contemplation to cut between the Chesapeake and Delaware, will enhance its value. This property will be sold on one body, or divided in such parcels as may best suit the purchasers. The terms of sale, will be, one half of the purchase money, to be paid in 15 months, the residue in 2 years; the whole to bear interest from the day of sale, and bonds, with approved security, to be given for the same.—Mr. Gasaway Walkins, manager, residing on the middle Farm, will shew the Lands to those inclined to purchase.

NICHOLAS CARROLL, }
NICHOLAS BRICE. } *Trustees.*

N. B. At the same time will be sold, on terms then to be made known, a number of fine Horses, Sheep, Hogs, &c. and all the farming utensils, but none of the Negroes.
