☞ *NOTICE IS HEREBY GIVEN*, That if the County Charges due on the within and aforegoing lands for the years 1840, '41 & '42, and Direct Taxes for the years 1841 & 1842, aforesaid charged on the Books of the County Commissioners for Dorchester County to the foregoing persons, shall not be paid to John H. Hodson Esq. late Collector of said County, within the space of thirty days after the publication of this notice is completed, the lands so charged as aforesaid, or such part thereof as may be necessary to raise the sum due thereon, together with a proportion of the legal charges, shall be sold to the highest bidder, for the paymant of the same. By order of the Commissioners for Dorchester County

WILLIAM REA, Cl'k. C. D. C.

Commissioners Office, Cambridge, Nov. 30, 1844. 4w

NOTICE.

THE Public are notified that the undersigned hath presented to the Board of Commissioners for Dorchester county a list of lands, whereon no personal property can be found liable for the payment of the County Charges and Direct Taxes, due me thereon—and whereas, by an Act of the legislature of Maryland, 1842, chapter 133, the laws in regard to the sales of such lands by Collectors have been materially altered and amended, and whereas many of those lands have changed owners since those charges have become due, in consequence of which it is desirable that land holders generally would examine carefully the advertisement, as some of their lands may be exposed to sale for charges due under former owners; and tax-payers generally are interested in making the lands sell, as all deficiences will have to come against the county as insolvent, and will, if large, swell the county levy beyond the usual amount.

JOHN H. HODSON,
late Collector.

A RUMOR.—A correspondent of the New York Sun, says, that in connection with the Navy, it is in contemplation to set in motion as soon as possible, lines of steamers from Boston, Philadelphia, Baltimore and New York to London, Liverpool and Havre, and from New Orleans to the West Indies and Spanish America. The United States is to man them completely, and constantly with officers, seamen & apprentices, some say for ten years, others indefinitely, and allow them to carry the mails for their own benefit, and on these cheap terms a company or companies of ship builders and merchants are ready to construct suitable steamers and keep up monthly, and to New York semi-monthly lines. The nationsl charactsr of these vessels and their perpetual presence in the principal foreign ports will give valuable & efficient protection to our seamen.

New York U. S. Senators.—Honorable Henry A. Foster and Hon. D. S. Dickinson have been appointed United State Senators by Gov. Bouck.
