One tract extends on the river more than a mile from the mouth of Bear creek, to another creek below, and contains about seven hundred acres of very uncommon fertile soil, with a valuable proportion of timber land, on which are various kinds of the most valuable trees. Another tract not half a mile distant from the above, containing about 300 acres of soil equally valuable, with a considerable proportion of heavy timber.

To accommodate purchasers the above tracts may be divided into smaller farms. VALUABLE LANDS

FOR SALE.

On the 23d day of May next, will be exposed to public sale, on the premises, all that very valuable body of LAND, usually called the White Marsh, lying in Sassafras Neck, in Cecil county—containing about 1075 acres, part of the real estate of colonel James Brice, late of the city of Annapolis, deceased.

THIS Land is esteemed by those who are best acquainted with it, to be equal, if not superior, in quality and situation, to any in that county, and is peculiarly well adapted to the cultivation of wheat, corn, and other grain. It is at present divided into three handsome Farms, each of which has abundance of wood, and a suitable proportion of meadow-lands. The improvements on the middle farm consist of a good Dwelling-House, Barn, Stables, and other outhouses. Those on the other two consist only of Negro-quarters, built of logs. On a corner of the middle farm is a Store-house, Granary, and a comfortable dwelling-house, situated at the intersection of two public roads. The Store, &c. with about three acres of ground, is at present under rent at 60l. per annum, and is esteemed an excellent stand for business, especially in the Grocery line.

The above land is situated about six miles from Frederick-Town, on Sassafras River, and about thirteen miles from Appoquinimink, the latter of which is a steady good market for Wheat. It is probable that the Canal, which it is in contemplation to cut between the Chesapeake and Delaware, will enhance its value. This property will be sold on one body, or divided in such parcels as may best suit the purchasers. The terms of sale, will be, one half of the purchase money, to be paid in 15 months, the residue in 2 years; the whole to bear interest from the day of sale, and bonds, with approved security, to be given for the same—Mr. Gasaway Walkins, manager, residing on the middle Farm, will shew the Lands to those inclined to purchase.

NICHOLAS CARROLL, } *Trustees.*
NICHOLAS BRICE.

N. B. At the same time will be sold, on terms then to be made known, a number of fine Horses, Sheep, Hogs, &c. and all the farming utensils, but none of the Negroes.

By the Visitors of Frederick county School, Oct. 12, 1803.

Public Notice is hereby given,

THAT by the resignation of the rev. Samuel Knox, the place of principal master in this school, hath this day become vacant; and the visitors have resolved to receive applications to fill that station in the school until the first day of January next, when they will proceed to make an appointment.

The duties of this master are to teach the Latin and Greek languages, Rhetoric, Logic, Belle Letters and Composition, a compend of moral and natural philosophy, and by the rules of the school he will be principal of the whole institution, and in virtue thereof exercise certain specified controlling powers.

The emoluments attached to this station, will be a salary of three hundred dollars per annum, from the annuity given by the state of Maryland; and also the tuition money of all the scholars in this department.

The price of tuition in this department is fixed at ten pounds a year, and the number of scholars is not to exceed thirty-five, unless the master employs an assistant at his own expence, to be approved by the visitors, when the number may be extended to fifty-five.

It may be proper to add, that since the establishment of this seminary, the number of scholars in this department hath at times been equal to each limit, and from the healthiness of the place, the plenty and cheapness of provisions, there is a well grounded expectation that it would again attain a like prosperous rank. There is a very convenient building appropriated as a school-house, which affords sufficient school rooms for a large number of scholars in each of the departments.
