☞ *NOTICE IS HEREBY GIVEN*, That if the County Charges due on the within and aforegoing lands for the years 1840, '41 & '42, and Direct Taxes for the years 1841 & 1842, aforesaid charged on the Books of the County Commissioners for Dorchester County to the foregoing persons, shall not be paid to John H. Hodson Esq. late Collector of said County, within the space of thirty days after the publication of this notice is completed, the lands so charged as aforesaid, or such part thereof as may be necessary to raise the sum due thereon, together with a proportion of the legal charges, shall be sold to the highest bidder, for the paymant of the same. By order of the Commissioners for Dorchester County

WILLIAM REA, Cl'k. C. D. C.

Commissioners Office, Cambridge, Nov. 30, 1841. 4w

NOTICE.

THE Public are notified that the undersigned hath presented to the Board of Commissioners for Dorchester county a list of lands, whereon no personal property can be found liable for the payment of the County Charges and Direct Taxes, due me thereon—and whereas, by an Act of the legislature of Maryland, 1842, chapter 133, the laws in regard to the sales of such lands by Collectors have been materially altered and amended, and whereas many of those lands have changed owners since those charges have become due, in consequence of which it is desirable that land holders generally would examine carefully the advertisement, as some of their lands may be exposed to sale for charges due under former owners; and tax-payers generally are interested in making the lands sell, as all deficiences will have to come against the county as insolvent, and will, if large, swell the county levy beyond the usual amount.

JOHN H. HODSON,
late Collector.

Dorchester County Orphans' Court, 25th day of Nov., 1844.

On application of Silas Flemming Administrator of Solomon Sherman, late of Dorchester County, dec'd., it is ordered, that he give the notice required by law for all creditors to exhibit their claims against the deceased's estate, and that he cause the same to be published once in each week for the space of three successive weeks, in the Cambridge Chronicle, a paper selected by him.

In testimony That the foregoing is truly copied from the minutes of the proceedings of Dorchester County Orphans' Court, I have hereunto set my name and seal of my office affixed, this 25th day of Nov. in the year of our Lord, 1844.

L.S.

The Whigs of Nashville and Davidson County were to give the Whig Electors of Tennessee, who assembled in that city on the 4th inst., to discharge the duty intrusted to them by the people, a grand reception. Arrangements had also been made for a brilliant illumination at night. The Banner of the 2d instant, speaking of this movement, says—

The whigs of Nashville and Davidson County deem it becoming on this occasion, to manifest their respect and gratitude towards the gallant champions who have battled for the Whig Cause in this State with such distinguished ability, devotion and success; and also to signalize with suitable demonstrations the maintenance of Whig Principles by Tennessee notwithstanding the defection of other States.

A sale of American Candles in Liverpool is noticed as a great novelty, and the opening of an additional branch of American trade.

At London, on the 18th ult. Maryland Sterling 6's were quoted at 65, nominal.
